Subject: 2026 Sponsorship Opportunities

Currently, sponsorship opportunities are available for the following 2026 events:

- ~~• March 17-19 – USWAG Spring Policy Committee Meeting (Washington, DC)~~
- ~~• April 20-22 – USWAG SPCC Workshop (Chicago, IL)~~
- ~~• June 23-25 – USWAG 12th Annual CCR Workshop (Indianapolis, IN)~~
- July 14-16 – USWAG Summer Policy Committee Meeting (Chicago, IL)
- September 15-17 – PFAS Risk Management: Strategies for Electric and Gas Utilities (Indian Wells/Palm Springs, CA)
- October 13-15 – USWAG Fall Policy Committee Meeting (Kansas City, MO)

We invite you to review this prospectus to assess the opportunities available. We appreciate the value and commitment that sponsors bring to making USWAG events successful and we want to be sure our sponsorship offerings meet your needs. Specific benefits associated with sponsorship are shown on page 5.

While this prospectus offers standard opportunities, if you are interested in customizing a sponsorship, please reach out to USWAG. Potential ideas could be to make an event even more memorable by moving a reception to an offsite historical venue or museum, attending a sporting event in lieu of a reception, etc. While these events do require a bit more pre-planning and would likely increase sponsorship commitment, we are ready to explore any ideas you might have.

If you are interested in sponsorship at one or more event, please return this form to me as soon as possible via email to Lynn.Faulkner@uswag.org. If you have any questions, please reach out to me at (859) 687-6663.
