ABOUT THE VIRGINIA PROSTART INVITATIONAL

The Virginia ProStart Invitational is composed of two distinct competitions, that showcase the most important skills needed on both sides of the restaurant and foodservice industry: front-of-the-house (Management Competition) and behind the scenes in the kitchen (Culinary Competition).

The **Culinary Competition** highlights the creative abilities of teams through the preparation of a three-course meal in just 60 minutes, using only two butane burners with no access to running water or electricity. There's no room for error as they're evaluated on taste, skill, teamwork, safety, and sanitation.

The **Management Competition** asks teams to develop a proposal for the next hot restaurant concept and present it to a panel of industry judges. The team's ability to think on their feet is also tested as they quickly solve challenges managers face on a daily basis.

SPONSOR BENEFITS

The Virginia ProStart Invitational represents a unique opportunity to introduce or reinforce your brand reputation across Virginia.

Sponsors will have their company information included online, in promotional emails and social media posts, all event collateral and signage, earned media placements, and on-stage recognition during the Awards Dinner.

The event itself is a tremendous opportunity to network with potential customers, influencers, and the workforce of tomorrow - all while supporting the hospitality and tourism industry.
