

GENERAL INFORMATION

2025 MGA Foundation Scholarship Program

January 13 - March 14, 2025

Purpose

The Minnesota Grocers Association Foundation has established a scholarship program to achieve a number of highly desirable objectives. First, it recognizes and aids deserving students who are related to Minnesota's food industry by virtue of their parents' employment or their own part-time employment by companies which are members of the Minnesota Grocers Association (MGA). Second, it helps deserving students with some college expenses. Third, it indirectly aids the colleges attended by the recipients, and fourth, it improves the morale of the employees of companies which are members of the MGA.

Awards & Applications

The Minnesota Grocers Association Foundation will **award twenty five \$2,000 scholarships for 2025**. To apply, students should go to <https://aim.applyists.net/MGAF> to create an account. **They do not need a program key to apply**; however, if they are prompted for one it is **MGAF**. Students should only create one account as the MGAF is charged for every account created and the administrative charges subtract from our scholarship fund.

Students will only be able to upload documents electronically. If this poses a problem, have students contact ISTS (see packet for contact information). **The online application will be open from January 13 – March 14, 2025**. All components of the application (including transcript submission) must be **completed by the March 14 deadline** for consideration.
