## **New Website Launches in Early 2025!**

NACUSAC is excited to announce the launch of a brand new online system and website early next year. This user-friendly platform will offer streamlined membership features, centralized billing and registration for NACUSAC events, a new online member directory, discussion forum, document sharing, CPE credit and NACUSAC University course tracking and more. Please watch your inbox for updates as we rollout this exciting new platform.

## **Include NACUSAC in your 2025 Budget**

NACUSAC membership renewal notices will be emailed in early January. In planning for the upcoming year, the NACUSAC Board recently approved an increase in annual dues to \$800 to be able to offer enhanced services and programs. Registration fees for attendees will remain at \$1,595 and \$495 for the full spouse/guest program.

Since the credit union holds the membership in NACUSAC, discounts on training and access to free webinars extend to everyone on your credit union's committee and staff.

When renewing membership, it's also a good time to log in to your account and make sure we have current contact information for your committee and staff. Please email any changes to [lauren@nacusac.org](mailto:lauren@nacusac.org)
