Raffle giveaway sponsored by DWC Outdoors and Hauling, LLC, Minneola, FL

Equality Versus Equity Among Your Employees, Women & Men

In this presentation, Rebecca will cover employee development through the lens of a tree worker trainer. Are you managing employees equally? Equitably? Do you have a way to assess baseline skills and track employee personal and professional development? Which worker is your best return on investment? Where are your blind spots and how do you maximize potential for each employee, and for yourself.

Meet Rebecca Seibel

Rebecca has been a consulting and production climbing arborist for over 25 years. She is a full time tree worker trainer and educator with her own company, *Tree Spirit Consulting*, based in Wisconsin's Driftless region. She brings a practical approach to teaching and leadership, delivered with a clear, compassionate message.

TUESDAY
7:00 AM - 7:45 AM
9th Floor - Skyview

Tree Spirit Consulting offers education on a wide range of ArborSkills: ground operations, safer chipper operations, electrical hazard awareness, emergency aerial preparedness, rigging operations, technical tree climbing, chainsaw safety operations, leadership, as well as American Red Cross First Aid/CPR/AE.

**Join the
Florida Chapter ISA!**

Membership with the Florida Chapter gives opportunities for personal and professional growth and connects you to other tree professionals.

**TreesAreCool
Specialty License
Plate**

You can help preserve a special part of Florida's unique environment - our urban trees. By purchasing a TreesAreCool specialty license plate for your vehicle. Funds help support educational programs and finance grants that directly benefit the trees of Florida.

Silent Auction

Benefiting the TREE FUND:

Island Room

Support, bid high, and bid often! Be sure to visit the silent auction and outbid your competitors!

Show off your aim and try your hand at the popular, "Ring Toss for the Trees" for a chance to win your captured prize!

Purchase your TREE FUND Fandana to participate at the "Heads or Tails" game at Wednesday's luncheon!

All benefiting the TREE FUND for the John P. White Endowment dedicated to funding projects that advance arboriculture and urban forestry.

Tuesday Night Social

7:00 pm - 10:00 PM

Location: Beach behind hotel

“Rings of Time: A Coastal Legacy Celebration”

Join us on the shores of Clearwater Beach as we celebrate 30 years of growth, resilience, and community with the Florida Chapter ISA.

Just like the rings of a tree tell the story of time - each season, each challenge, each triumph - our Chapter's legacy has been built year by year, layer by layer. Every ring represents the people, the passion, and the progress that have shaped who we are today.

As the sun sets over the Gulf, step into an evening designed to honor that journey. Surrounded by the beauty of the coast, you'll gather with friends, colleagues, and fellow professionals to share stories, reconnect, and celebrate the roots that bind us together.

Enjoy a relaxed, coastal atmosphere in your “Yacht Rock” wear! Enjoy great food, refreshing drinks, and meaningful conversation. Whether you've been with us since the beginning or are just beginning your journey, this is your moment to be part of the story.

Raise a glass to the past
Celebrate the strength of our roots
And look ahead to the future we continue to grow—together

“30 Rings, One Legacy.”
Countless stories still to be told.

Come grow with us! Make sure to bring the kids along this year! This year's social will feature events sponsored by ArborNext, generating arborists!

Breakout Sessions

3:00 PM - 5:00 PM

Choose 1 of the 2 breakouts offered

1 | With Hurricanes, Comes Salt Water

Location: Beach Room

GET TO KNOW OUR SPEAKERS

Jonathan Foote, *The Industrial Tarzan, LLC*

Jonathan Foote is the owner of *The Industrial Tarzan LLC*, a southeastern Pennsylvania-based contract climbing service specializing in advanced rigging and crane-assisted tree work.

With over 10 years of climbing experience, he serves as an instructor for *Noble Oak Safety & Training*, delivering education to tree workers nationwide.

He is also an exam proctor and practical examiner for NJ Crane Expert's NCCER Crane Operator Certification Program. Jonathan holds multiple industry-recognized credentials, including NCCER Certified Crane Operator, TCIA Certified Tree care Safety Professional (CTSP), Petzl PPE Competency Instructor, and American Red Cross Instructor certifications in CPR/AED and First Aid for Severe Trauma. He is an active competitor with the Penn-Del ISA and remains committed to advancing safety, skill, and professionalism within the industry.

Matt Ammann, *The Arbor Operator*

Matt Ammann is a Tree care Professional, Crane Operator, and Trainer specializing in tree industry lifts, with 14 years of hands-on experience in the field. He has built a reputation for operating some of the largest knuckle boom cranes in the world, performing high-risk

canopy picks and complex hazardous removals with precision and control. As an NCCER SME, and holding multiple Crane Certifications from NCCER & NCCCO, Matt brings a high level of technical knowledge and real-world application to his training. He currently serves as a trainer as well as a Proctor and Practical Examiner for New Jersey Crane Expert where he focuses on Certification as well as Operator Development; helping students learn to perform safely and confidently under pressure. With past certifications as a Rigging Supervisor, EMT and countless hours of site safety training, Matt approaches every lift with a deep understanding of risk, safety, and accountability. His training style emphasizes discipline, efficiency, and respect for the radius. His mission is simple: continue to raise the industry standard, eliminate costly mistakes, and make sure every operator earns their pick.

The Canopy Call!

Enter to win premium prizes valued at \$200+ generously provided by our exhibitors. Each attendee receives one ticket, with more available for purchase. Be in the Exhibitor Hall during posted "Call" times Monday & Tuesday to claim your prize! Answer The Canopy "Call" today!

Florida Chapter ISA Awards Program

Florida Chapter ISA recognizes outstanding achievements in the arboriculture profession, as well as the efforts by individuals who make an impact on the practice of arboriculture.

- EDWARD W. BOK AWARD
- AWARD FOR EXCELLENCE IN EDUCATION
- AWARD OF DISTINCTION
- PRESIDENT'S AWARD

Awards will be presented at the Trees Florida 2026 Wednesday luncheon.

1:15 PM - 3:15 PM New Growth Paradigm - What Trees Teach Us about Better Business

Join Kristoffer and Basil, two industry veterans with unique perspectives and proven tactics for growing a successful tree care company. They will have a dynamic, podcast-style conversation that challenges conventional thinking about growth in the tree care industry and offers tactics you can use to boost your business, including:

How to create teams where staff stay for the long run—and why retention starts with purpose, not pay.

Tree removals hurt your business—and the Earth too!

How better pruning systems can increase profitability and reduce your team's stress.

Simple ways to educate your customers about the unsung heroes of tree care: structure and soil.

Saplings are the future of tree planting, creating new revenue streams and a healthier environment.

How to engage your community and find great new leads.

Audience participation is encouraged! We'll have an open mic and digital options so you can participate and ask questions throughout the discussion. As a bonus, Basil will be signing books during the final segment of this event.

3 | Student and Early Career Arborists

Location: Skyview 9th Floor

8:00 AM - 10:00 AM

Thank You

A Huge thanks to our incredible Trees Florida Planning Committee! Your time, energy, and dedication brought this event to life, and your passion for our profession truly shows. We're so grateful for all that you do!

Erik Nobs,
Conference Chair,
Sponsorship Chair &
Standing Committee

Alexis Wells,
Conference Co-Chair
Local Host Chair

We also extend our sincere thanks to:

- Andrew Koeser, Education Chair
- Amber Clark, Art Finn, Travis Newell, Apollo O'Neil, Local Host Committee
- Ali Summersil, Exhibitor Chair
- Erik Nobs, Andrew Koeser, Carol Mini, Ali Summersil, and Jordan Upcavage, Standing Committee

It takes a lot of volunteer hours to plan the annual conference. Thank you to everyone involved for your tireless commitment to the planning process that bring us this annual adventure!

KEYNOTE: Basil Camu, *Leaf & Limb*, Riley, NC

Basil Camu is co-founder of *Leaf & Limb*, a regenerative tree and land care company in Raleigh, North Carolina, and founder of Project Pando, a nonprofit connecting people with trees. He's a Treecologist, ISA Board Certified Master Arborist, Duke graduate, and author of *From Wasteland to Wonder: Easy Ways We Can Help Heal Earth in the Sub/Urban Landscape*. Basil's work, featured in The New York Times, Forbes, Gardenista and more, bridges ecology and everyday landscapes. He helps people and communities heal ecosystems by planting native trees, caring for soil, and fostering wonder in the natural world.

James Komen, *Class One Arboriculture, Inc.*, Glendale, CA

James Komen is a consulting arborist in California specializing in risk assessment and tree appraisal. His work has been published in various peer-reviewed journals. He is an ISA TRAQ instructor and an ASCA TPAQ instructor. He has taught workshops on tree law, tree risk, and tree appraisal around the U.S. and Canada. He is also a licensed California attorney.

Alex Martin, *University of Oxford*, Oxford, United Kingdom

Alexander Martin is a community ecologist and environmental geographer researching arboricultural practices, urban forest management, and their consequences for the stability and function of urban ecosystems. He is an ISA Board Certified Master Arborist and holds a Bachelor of Urban Forestry and an MSC in Geography and Environmental Studies. He has published over 100 papers in peer reviewed journals and trade magazines and has delivered more than 200 conference and symposium presentations.

Kristoffer Rasmussen, *Arborist Strong*, Azle, TX

Kristoffer has dedicated over 30 years to advancing tree care, safety training, and urban forest preservation. With experience as a municipal, commercial, and residential arborist, he shares insights and stories from a lifetime in the field. As a Certified Treecare Safety Professional, Certified Tree Climber, TCIA Accreditation Auditor, and Red Cross CPR/First Aid Instructor, Kristoffer is committed to the safety and growth of arborists and their communities. He plays a pivotal role in assessing and accrediting tree care companies, driving them toward excellence and adherence to industry standards. His passion for sustainable practices and fostering collaboration makes him a respected leader and advocate in arboriculture. Kristoffer has been recently been retained as the PPQ Coordinator by the Florida Chapter ISA.
