Our Mission

To promote a positive health and safety mindset by providing organizations with the expertise and capability to exceed occupational health and safety requirements.

Become part of our team to create a top performing safety standard.

Workplace Safety Is Our Business

Unlike the traditional safety consultant model, we are mobile and operate on the ground working shoulder-to-shoulder with you to provide customized, proactive solutions. With over 30 years of combined professional experience, our team is confident that we can help you achieve your safety goals.

Elevating your business by educating your workforce.

We Are Here For You

Experience the ease and peace of mind of managing a health and safety system while meeting the demands of business operations. We service small, medium, and large organizations across Canada.

We commit to delivering you the service you need, when you need it.

TORONTO HEALTH AND SAFETY CONSULTANTS

"All businesses who employ staff require a health and safety program. Whether you are a contractor, business professional, office, retail, manufacturing, wholesaler, or mining operation - safety matters."

Dante Mancuso
President
