

2025

Greetings!

The portfolio presented to you by a member of the Leadership Team or Senior Staff, invites you to consider membership in the Saratoga Economic Development Corporation, commonly known as SEDC.

At SEDC, we are the first point of contact for business development, site selection and confidential consultation when considering an investment in Saratoga County. Our mission is to create growth, retain jobs and diversify the tax base while at the same time, adding a positive economic impact and improving the quality of life for the benefit of all residents living and working in Saratoga County.

For over 45 years, SEDC has been successful in encouraging capital investment, job creation and job retention in Saratoga County. And, in the last 2 years alone, SEDC has enabled just over \$500M in new investment. That investment creating over 1,200 new full-time jobs. Whether its 21st century advanced manufacturing, small business initiatives, start-ups or any form of capital investment in between, SEDC can help!

For a nominal investment and with our engaged and individually successful Board of Directors and staff of economic development professionals, SEDC brings decades of experience to your doorstep as you consider your business investment, regional business engagement and company profitability.

As a SEDC Member/Stakeholder, you and your local leadership team will enjoy the company, conversation, and collaboration with over 225 business, community, financial and government leaders from throughout New York's Capital Region.

On behalf of the Board of Directors, I am inviting you to consider Stakeholder membership in our progressive and dynamic economic development organization. There are several levels of membership for you to consider with stakeholder benefits assigned at each level. In addition, your membership would include engagement and access for all your full-time employees.

Please take a few moments to review the contents of this portfolio. I think you will be inspired by our efforts and record of success.

Finally, please don't hesitate to contact me personally or any member of our Board of Directors or Staff with any questions you may have. I look forward to meeting you soon and welcoming you as a new Member/Stakeholder in SEDC.

Sincerely,

J. Gregory Connors
President | CEO
