Celebrate, Create, and Connect: Innovation Center at Saratoga Invites Public to First Anniversary Party on June 18

Tours, food & drink, make-and-take projects, and a firsthand look inside Saratoga County's home for makers and innovators

MALTA, NY — One year ago, the Innovation Center at Saratoga (ICS) opened with a simple but powerful idea: create a place where creativity, collaboration, entrepreneurship, and hands-on learning all happen under one roof. In just 12 months, ICS has become a launchpad for classes, workshops, makers, entrepreneurs, artists, innovators, community partnerships—and a steady stream of new ideas.

Now it's time to celebrate.

ICS is inviting the community to its **First Anniversary Celebration on Thursday, June 18, from 5:00–8:00 p.m. at 16 Old Stonebreak Road, Malta, NY 12020**. This **free**, come-as-you-are event is designed for anyone who's curious about what happens inside the Innovation Center—whether you've been following along since day one or you're discovering ICS for the first time.

"ICS was created to be a place where ideas can take shape—where people can learn by doing, meet collaborators, and build something together," said Beth Moeller, founder of the Innovation Center at Saratoga. "As we celebrate our first year, we're excited to open our doors to the community and share what's possible here."

What to Expect

Community members can drop in and explore, with highlights including:

- Tours of the Innovation Center
- Talk with our experts in 3d printing, electronics, woodworking, weaving, sewing, laser cutting/engraving, CNC routing, large format printing, photography, and more
- Food & drink
- Make-your-own takeaways (plus more surprises)

The event is free, and registration is encouraged at: <https://innovationcentersaratoga.org/celebrate>

About the Innovation Center at Saratoga (ICS)

The Innovation Center at Saratoga, Inc. is a non-profit 501(c)(3) makerspace and community collaboration space supporting inventors, creators, and the innovators of the future. More information can be found at <https://innovationcentersaratoga.org>.
