

Membership Appreciation Month: Celebrating the members who make our Chamber and community better, **brighter**, and stronger every day.

Membership Appreciation Month is our chance to celebrate the members who make our Chamber and community stronger year-round. Their continued investment, engagement, and support are what allow us to grow programs, strengthen connections, and drive meaningful impact across Bay County. We're excited to recognize and thank them at our Membership Appreciation Luncheon on Sept. 17 from 11:30 a.m. – 1:00 p.m. at FSU Panama City, where we will also be honoring several members in special categories. We appreciate your support in helping us celebrate the businesses and leaders who make Bay County thrive.
