GOLD COAST BUILDERS ASSOCIATION HONORS LOCAL INDUSTRY ACHIEVERS WITH 2024 PRISM AWARDS

WEST PALM BEACH, Florida, September 5, 2024 – The results are in and the awards are out! The prestigious Gold Coast Builders Association Annual PRISM Awards have been handed out recognizing the best-of-the-best among the organization’s membership in a variety of categories. PRISM stands for Professional Recognition In Sales and Marketing.

The Gold Coast Builders Association (GCBA) PRISM Awards are an annual event designed to recognize the best of the best builders, planners, architects, developers, designers, merchandisers, advertising, and other housing-related professionals. The PRISM Awards program is affiliated with the Gold Coast Builders Association, the local chapter of the Florida Home Builders Association (FHBA) and the National Association of Home Builders (NAHB).

This year more than 80 categories were represented in the competition including: New Construction; Interior Design; Remodeling; Architectural Design; Site Design & Development; Marketing; Personal Achievement; and several Commercial sectors.

“We are very excited for our winners this year,” said Michael Nunziata, President, Gold Coast Builders Association. “The various projects entered into the PRISM Awards represented the best-of-the-best in our industry,” added Nunziata.

Within the categories, winners were ranked upwards and included in order from Bronze, to Silver, Gold, Platinum, and Builder of the Year.

“Despite the tough fought competition, what really shines through is the spirit, enthusiasm, and professionalism shown by every competitor. It’s an example of everyone who is involved our home building industry as well as the many associates who provide critical support to an industry that has a tremendous impact on each and everyone in the various communities we serve throughout the Gold Coast Builders Association region,” said Maya Simhon-Chocron, Broker/Realtor/Owner of Exclusive Florida Real Estate, LLC, who returned this year as PRISM Chair.

Top Honors and Platinum Awards went to:

“While the PRISM Awards represent the culmination of work and dedication by our Members, the awards event would not have been possible without the equally important work of our volunteers and sponsors whose dedication to excellence makes the recognition event possible. The GCBA sends our special thanks to those individuals and businesses,” concluded Nunziata.

You may view the above complete listing of the 2024 Gold Coast Builders Association PRISM Awards, sponsors and photo gallery by visiting www.gcbafloida.com.

The Gold Coast Builders Association Mission is to promote the home building, development and remodeling industry in Palm Beach and northern Broward Counties. To accomplish its mission, GCBA provides exceptional service to our members through strategic planning, governmental affairs, education, and sales and marketing, while fostering business relationships wherein our members work with other members.

Through the GCBA, membership works collectively to ensure the continued success of our industry. It is our membership that cultivates the energy and passion to support our collective goal - providing our friends and families the best possible place to call home.

For more information about the Gold Coast Builders Association or to become a member you may visit www.gcbafloida.com. You may also call [\(561\) 228-6137](tel:5612286137) or e-mail info@gcbafloida.com. ###
