Conveniently located in the heart of downtown Salt Lake City, the Little America Hotel offers effortless access whether you're arriving by air, road, or rail. Just eight minutes from Salt Lake City International Airport and within walking distance of the city's premier attractions, the hotel's central location makes arriving and exploring remarkably simple.

Little America features two distinct pools for your enjoyment. The iconic, half-indoor, half-outdoor pool offers stunning views of the downtown skyline and is open year-round. (The seasonal outdoor pool won't be open in February '27!) The hotel also offers spacious fitness facilities located adjacent to the 2nd-floor pool offering state-of-the-art machines and an open environment with natural light; as well as two onsite restaurants, one coffee shop and two shops. Guests can also frequent outlets in the sister property across the street which includes one restaurant, tea time, three bars and four shops.

From Salt Lake City International Airport, you have several options to complete the final part of your trip to Little America: taxi and rideshare services are available, and the local TRAX light rail system's Green Line will drop you off less than one block from Little America at the "Courthouse Station."
