What One Man Said of Mayer's August Sale of Lifetime Furniture

"Well, Mr. Mahoney," said a customer from Virginia yesterday after he purchased a fine Lifetime Suite, "I've been through the big stores in Philadelphia, and to the August Sales in Baltimore, and I want to tell you that the suite that I just bought is, by far, a better value than any I saw elsewhere, and," he added, "I want to thank you for your courtesy, for I received better attention and had a better assortment to select from than in any other store I was in."

We don't like to throw too many bouquets at ourselves, but that is only a sample of the remarks that are heard about our August Sale. We're proud of our sales force, for we know they are courteous. We're proud of our assortments, for we know they are large. We're proud of our Lifetime Furniture, for we know it is good.
