President Baldwin Appoints Members to Serve on Committees

Dear members:

For those that made the journey to Berkeley Springs for the 118th Convention thank you for your commitment. For those that were not able to make it, we had several great training sessions, conducted association business and enjoyed the brotherhood of the organization and the fire service.

The Officers and I have been busy appointing committee members, Home Office Manager, Advertising Manager and Chaplains.

We have a lot of work to do to insure this organization's future. This work starts with the you the members. If you would like to serve on a committee let me know at bigredgbg@comcast.net.

Thank you for your continued support and I am looking forward to an exciting year for the Cumberland Valley Volunteer Firemen's Association.

Sincerely,

Chief Allen W. Baldwin

President
