## What's in it for You?

Chamber membership comes with real advantages — and one of the biggest is **increased visibility**. We love spotlighting your success stories, celebrating your milestones, and amplifying your brand message throughout the Saline, Michigan region.

Another powerful benefit of membership is implied credibility. Being part of the Chamber signals trust, professionalism, and commitment to the local business community.

At the Saline Area Chamber of Commerce, communication is at the heart of what we do. Whether it's sharing your story on our podcasts, featuring your updates in our newsletter, sending announcements to 450+ businesses on your behalf, or promoting your content across our social platforms—our mission remains the same:

**Communicate. Convene. Connect.** These core functions guide our work as we strive to strengthen and elevate the business landscape in the greater Saline area. We're here to tell the Chamber's story — and yours — every step of the way.

# LETTER FROM PRESIDENT

Dear Chamber Members: It has been a privilege to serve on the Saline Area Chamber of Commerce Board of Directors the last two years and I'm honored to now serve as President of SACC for the upcoming year. I'd like to extend my deepest gratitude to our board and especially our past President, Molly Luempert-Coy. Her hard work and tireless efforts are greatly appreciated. Thank you to our new Executive Director, Lisa Bozzi, for her passion and devotion as she takes our organization to the next level.

We are most grateful to our members for your unwavering support and active participation this past year. From Legislative Luncheons to a Women's Business Forum, together we collaborated on new networking events and celebrated significant milestones, including the 50th anniversary of the SACC Holiday Parade. The overwhelming response to all of our events this past year only reinforces that the businesses in Saline, and the five townships we serve, value the importance of building a stronger and more interconnected community.

As we step into 2026, our goals include:

- Growing membership
- Enhancing our networking and business development opportunities
- Maintaining integrity and accountability
- Continually focusing on our mission, vision, values and strategic priorities
- Ongoing collaboration and strong communication

We are so appreciative for your participation in the Chamber and commitment to the City of Saline and surrounding townships. I encourage every one of you to engage actively, share your insights, and join us in building a future where every business, from new entrepreneurs to established corporations, can thrive.

With gratitude,

*Annherst M. Kreitz*
