

# Michigan Public Transportation Conference

August 18-20, 2025

## Exhibitor and Sponsor Opportunities

The Michigan Public Transit Association (MPTA) invites you to partner with us in supporting our mission of advancing public transportation in our state.

The MPTA was established in 1974 and currently represents over 70 transit providers, including both public transit agencies and specialized service companies utilizing a variety of vehicles, including bus, van, and ferry service. The MPTA advocates with the Michigan Legislature, the Michigan Department of Transportation and other state executive agencies, and the federal government.

The MPTA partners with the Michigan Department of Transportation (MDOT) to host a series of training programs providing tailored education for all transit providers in the state. We encourage you to consider opportunities to showcase your brand, network and connect with transit leaders, and support local transit agencies in their work.

---

**MPTA Associate Membership** is available to vendors and suppliers to the transit industry and allows members to receive all communications, be included in the member directory, receive membership registration rates, and participate in all events – including board and committee meetings.

Associate Membership is currently just \$100 for the year, and membership applications must be approved by the MPTA Board of Directors.

Revised 7.2.25

# Michigan Public Transportation Conference

August 18-20, 2025

- The Michigan Public Transportation Conference is a three-day program that brings together top leaders from Michigan transit agencies, specialized service providers, MDOT, and business partners to discuss key issues.
- The program includes a pre-conference golf outing and networking reception, keynote remarks, numerous general and breakout sessions, and numerous meals and refreshment breaks.
- A large vendor show typically features more than 50 booths, as well as transit vehicles and equipment displays and opportunities for prize giveaways.
- The beautiful northern Michigan host venue, Crystal Mountain Resort, provides a variety of lodging options, many recreation activities, and unparalleled opportunities for on-property attendee interaction.

- Attendees typically include more than 150 transit leaders from 70+ providers, as well as 30+ MDOT and FTA leaders and 70+ vendors.
- Sponsorship opportunities include golf hole and contest sponsors, conference and session sponsors, activity sponsors, and giveaways at the vendor show and at other times.
- This workshop is eligible for reimbursement through the Rural Transit Assistance Program (RTAP) agency funds, and registration is on an individual basis.

- **Registration:** \$285 for individuals, \$260 early discounted rate
- **Golf outing:** \$100 per person – includes 18 holes of golf with cart on the beautiful Mountain Ridge course, breakfast, lunch, on-course beverage, and multiple prize opportunities
- **Vendor opportunities - \$550 for members, \$750 for nonmembers** – includes 8-foot vendor booth with signage, one conference registration and all meals (*\$200 for additional conference registrations; no charge for additional vendor show support*).  
Vendors are also encouraged to provide a prize for the vendor show raffle and one bottle of alcohol (sponsor-tagged) for attendee ring-toss game

## Sponsorship opportunities:
