

Emergency Preparedness Supply Kit

- Medical Supplies: Include several days' worth of prescription medications.
- Contact Information: A list of both local and non-local emergency contacts.
- Areas of Refuge: Document locations of designated safe areas.
- Clothing: Pack multiple changes of clothes suitable for various conditions.
- Toiletries: Essential hygiene items for everyone.
- Batteries: Ensure you have spare batteries for devices like flashlights.
- Cash: Carry a reasonable sum to sustain everyone for several days.

Make sure the kit is compact and easily transportable in case evacuation becomes necessary.
