## 3 Dimensional (3-D) Fidgets

March 16<sup>th</sup> to June 19<sup>th</sup>, 2026

First Place Winner - \$150  
Second Place Winner - \$125  
Third Place Winner - \$100  
3 Runner Ups - \$30 each  
2 CGOA Membership Renewals

This year's challenge is 3-D fidgets. They are small toys that provide sensory input that help individuals of all ages to calm their nerves, reduce stress, improve focus and relieve anxiety. They have helped children focus their attention, ADHD individuals reduce sensory information overload, and seniors with memory recall, hand dexterity and provide comfort and engagement.

Each CGOA chapter decides where to best donate their fidgets. For example, they can be donated to family services organizations, hospitals and mental health facilities, children centers, senior centers, family shelters or other charities and organizations.

Although this is a chapter-level event, only the participation of chapter members who are also Crochet Guild of America members will be counted for the competition. Each participant's CGOA account number needs to be recorded on the chapter's monthly tally sheet.

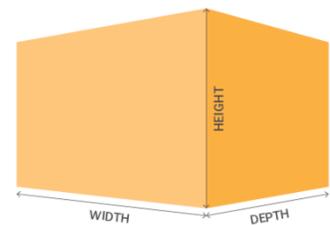

Winners will be based on the average number of fidgets made based on the chapter's total number of CGOA members. That is, the number of fidgets created by the chapter's CGOA members will be divided by that chapter's total number of CGOA members. For example:

- ◆ If 8 of a chapter's 25 CGOA members make 50 fidgets, then the average number of fidgets per CGOA member is 2 ( $50 \text{ fidgets} \div 25 \text{ CGOA members} = 2$ ). If all 25 CGOA members made 50 fidgets, then the average number of fidgets per CGOA member is 2.

Awards will be given to 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place winners and three runner-up chapters. The two individuals making the most fidgets will be awarded a 1 year renewal of their CGOA membership. The winning chapters and individuals will be announced at the annual CGOA Members Meeting planned for later this year. A short summary video about 2026 Chapter Challenge will be posted to CGOA's website, Facebook and other social media platforms.
