Dear Sammie,

printastic.com has been in business since 2012 and is a growing provider of custom printed products. Vinyl banners and yard signs are a popular way for libraries to advertise upcoming events and community engagements - we we are here to help you do that as affordably and efficiently as possible.

In order to help spread your messages to library goers and community members, printastic.com is very pleased to offer you an additional 20% discount off of our already low published prices. The discount covers the entire order - simply enter "CTLS20" in the promo code box.

If you need help with creating a design, please don't hesitate to call us at 248-859-400 - we're happy to help you.

Sincerely yours,
