Re: CTLS Commercial Partner Program.

Dear Ms. Simpson,

Thank you for inviting Vernon Library Supplies to join the CTLS Commercial Partner Program.

Vernon Library Supplies has been supplying libraries around the world for over 40 years. Our company manufactures many of its products in-house giving us the ability to offer some of the best pricing around. In addition to the everyday low pricing and vendor discount, we have 2 "consortia only" sales annually with deeper than usual discounts. We will provide either a jpg or pdf of the flyer for you to email to your members or place in a newsletter.

In an effort to make sure that libraries get the greatest value from their CTLS membership we are offering the following:

Vernon Library Supplies - Specializing in "sticky stuff", general library supplies, bar code scanners, bar code labels, & label shields.
CTLS members receive:
20% discount on all Level 2 products. Free shipping on orders of Level 2 products over \$100.
10% discount on all Level 1 products. (Check under "specifications" tab for level designation).

Contact: Francine Kersh
sales@vernlib.com

Mention your library is a member of CTLS to receive discounts.

Please let me know if you need a copy of our logo for use on your website.

Should you have any questions, please call or email me.

Best regards,

Paula S. Zucker
Director of Marketing
