About NAPHSIS

The National Association for Public Health Statistics and Information Systems (NAPHSIS) is a national nonprofit organization established in 1933. It serves as a crucial advocate for vital records and public health statistics offices across the United States. Comprising over 500 public health professionals from each state, the five US territories, New York City, and the District of Columbia, NAPHSIS provides national advocacy, technical assistance, training, educational programming, and valuable resources to support and promote its membership.

VISION

A healthier and more secure world through vital records.

MISSION

To serve the vital records community by providing national leadership to advance public health and protect individual identity.

Join us at the 2026 NAPHSIS Annual Meeting in Chicago, IL at The Sheraton Grand Chicago Riverwalk hotel June 29 - July 1, 2026.

To purchase a sponsorship or exhibit booth, email meetings@naphsis.org.

THE BENEFITS OF SPONSORING

NAPHSIS values corporate partnerships as catalysts for advancing our mission, driving growth, and supporting members. They foster innovation and enable new products and services that enhance jurisdictions' responsiveness to public needs.

- Network with attendees from all jurisdictions and other professionals from across the industry.
- Showcase innovative solutions that shape the future of public health.
- Boost brand awareness and amplify your organization's visibility throughout the event.
- Engage key decision-makers and influence attendees with your message.
- Present your products, services, and innovations with a booth in the expo hall to directly engage with attendees.
