

BUSINESS SUMMITS

Grow. Collaborate. Succeed.

Partner for Growth: Cultivate strategic business relationships by hosting a half-day business summit!

Create a successful summit and provide your community with dynamic speakers and engaging topics curated by CEA.

Benefits of a Business Summit:

- Build stronger relationships with members
- Increase non-dues revenue
- Improve retention rates
- Networking opportunities for both partners and members
- A wide range of topics allows you to tailor each event to your audience.

Whether you are a pro at hosting events or this is your first time hosting a business summit—CEA is here to do the heavy lifting. Our team will assist your chamber with the planning and marketing materials needed to create a successful and well attended event!

Interested? Take the first step.

Contact ceainfo@employers.org to get started.

"I am thankful for CEA's experience in putting together our first summit. Attendees were excited about what they learned and felt empowered to implement the information. It was a hit with everyone in attendance!"

- Dave Gowan, CEO,
Red Bluff-Tehama County,
Chamber of Commerce and
Tehama Economic Development
