

The Safety Services Education and Training Services Center offers a wide variety of continuing education courses that emphasize the practical application of safety principles, development of a safety culture, current and proposed standards for regulatory compliance, risk reduction, and BWC programs.

IN-PERSON CLASSES*

BWC offers in-person occupational safety and health courses for Ohio employers with active workers' compensation coverage and their employees at no extra charge.

No scheduled classes this month			

**IN-PERSON CLASSES and VIRTUAL TRAINING CLASSES (VTC) qualify for Safety Council rebate external training credits.*

NEW eCOURSE AVAILABLE IN JULY

This eCourse is designed to meet the initial and/or annual employee education requirements outlined in the SUPR program. Employers may also fulfill these requirements through alternative methods specified within the SUPR guidelines.

Substance Use Prevention & Recovery (SUPR) - Employee Training (Online)

You will learn:

- The impact of substance use on workplace safety
- The disease model for substance use
- Signs and symptoms of substance misuse
- Effects of common drugs
- About resources and support available

Access to this course will be granted upon request and requires a **single BWC Learning Center (LC) account per policy**. Upon successful completion, individual students will be prompted to input their name within the course and can print a certificate directly from the platform. This setup allows multiple employees to complete the training under one LC account while ensuring each individual can generate a personal record of completion.

WEBINARS

BWC provides at least one webinar on different safety and health topics each month. Subject matter experts share their knowledge and provide an opportunity for participants to ask questions. These lessons engage students with a variety of interactive methodologies, including whiteboard activities, polling, and chat discussions.

Webinar recording replays

If you miss a webinar, just search “replay” in the [BWC Learning Management System](#).

1. Go to www.bwclearningcenter.com.
2. Log in or create a new account.
3. Type “replay” in the “Search Catalog” field and click the magnifying glass to search.
4. Review recordings of past webinars (no credits provided).

PLEASE NOTE: To obtain BWC program credit, participants must complete a short knowledge assessment within the BWC Learning Management System after the webinar and earn a passing score. If the webinar provides credits, the host will provide further details regarding requirements for those seeking BWC program credit or Continuing Education Units (CEU)s during each webinar.

VIRTUAL TRAINING CLASSES (VTC)*

As an alternative to in-person classes, BWC provides virtual, instructor-led classes to meet more in-depth learning needs. Virtual training classes provide the opportunity for participation and interaction consistent with the BWC classroom experience. All BWC program credits associated with a normal classroom are available with virtual class completion.
