What Can The Chamber Do For You?

The Aurora Chamber of Commerce is a Catalyst, Convener, and Champion for businesses in the Eastern Metro area - and beyond. It is an action-oriented, membership driven, nonprofit organization that serves as a powerful advocate for its members.

The mission of The Chamber is to serve and represent our members so their businesses and our community will prosper.

Through The Chamber, members can gain access to key business, political, and community leaders, to influence the course of commerce on all levels.

The Chamber enables its members to accomplish collectively what they can't do individually. It is NOT a branch of the government, a club, or a political organization. And while it IS a member of both the Colorado Chamber of Commerce and the U.S. Chamber of Commerce, it is not a branch of either.

The Chamber's budget depends almost entirely on the financial investments of members and is a non-profit organization whose membership dues are tax deductible.

What your Chamber membership can do for your business:

Increase business opportunities and profits

The Chamber is the business liaison with officials of the cities of the Eastern Metro area including Aurora, Centennial, Brighton, Bennett, Commerce City, Lone Tree, and Greenwood Village, as well as with officials for Arapahoe and Adams Counties, and state and federal government. The Chamber serves as a credible voice for issues including education, military, taxes, health, transportation, diversity and inclusion, the arts, and community growth.

Business-to-business networking is encouraged, and Chamber members get member-only pricing on a variety of member services.

Becoming active in The Chamber is a great way for you to meet other business owners and professionals on a more personal basis, through business oriented professional and social programs.

It's always great to do business with someone you know!

Give your business great exposure

Chamber members have a complimentary listing in The Chamber Business Directory. The Chamber's database, ChamberMaster, offers opportunities for online promotion of your business. The website, bi-monthly IMPACT newsletter, and the weekly eblast are opportunities for advertising.

Provide 300 networking opportunities per year

The Chamber is the leading business organization to help you strengthen and make new business contacts. One of the best ways to accomplish this is through committee meetings, events, Business After Hours, seminars, luncheons, and Tips and Leads groups.

Recommend your business

The Chamber is the focal point for business leaders and those interested in relocating to the area. When The Chamber receives inquiries about a certain product or service, we only recommend members. The website is also a valuable information tool where you can find members by visiting the online Business Directory at:

Steps to involvement... to maximize your Investment

Attend Coffee or Cocktails with Colwell

These opportunities to meet with Chamber President and CEO Naomi Colwell are advertised in the weekly eblast, and on The Chamber online calendar. During these sessions, Colwell will provide a broad overview of membership opportunities and benefits and answer your burning questions about what The Chamber can *do for you*. She will also give a brief orientation to the Chamber's database, ChamberMaster. Registration is required.

Step
1

Step
2

Enhance your online profile by accessing The Chamber's database, ChamberMaster

ChamberMaster is a powerful database tool for Chamber members, accessed from the home page of The Chamber website.

ChamberMaster saves time, provides convenient access, improves efficiency, and streamlines communication for members by allowing secure access to their Chamber member record online over the Internet. In addition, this integration facilitates many other features that will directly benefit you, the member. Each member representative is given - or chooses - a login name and password, both of which can be changed.

When changes are made to ChamberMaster, the online Chamber directory is updated, and your membership access to ChamberMaster allows you to:

- Change your own business directory listing – and updates are displayed on The Chamber website immediately
- Post a calendar event for Chamber approval
- Advertise a Hot Deal
- Post current job openings
- Respond to Chamber event invitations with an online RSVP
- Register for an event online and pay with credit card
- Pay any open invoice online with credit card
- Access your data from anywhere, at any time

Register For An Event Or Committee Meeting

using your online profile in ChamberMaster. Schedule this as an action step for yourself. Commit and follow through by attending an event or group meeting.

Explore Chamber committees and events to determine what fits best with your professional and personal interests.

All Chamber member companies can benefit by 'spreading the wealth' of the membership with employees. Larger companies may want to assign staff members to explore a variety of options, including legislative opportunities, committees, event sponsorships, and community engagement. Smaller organizations can benefit from committees, marketing opportunities, networking events, and business relationship building.

You can expand the benefits of your membership by collectively taking advantage of all The Chamber has to offer!

Step
3

Step
4

Talk with Chamber members that you meet

Build relationships with other members. Highly active and engaged members benefit greatly from their "return on involvement."

And if you are not able to be actively involved, pay attention to Chamber correspondence that provides information and opportunities, and contact Chamber staff if you have questions or need help with business-related issues. The Chamber is here for our members!

Mission of The Aurora Chamber of Commerce

The mission of The Chamber is to serve and represent our members so their businesses and our community will prosper.

When Does The Chamber Have Meetings, Events, Networking, and Workshops?

The Chamber's calendar is full of opportunities!

Chamber committees, the Ambassador team, Tips and Leads groups, Leadership Aurora and Emerging Leaders, and The Chamber Board and Executive Committee, all have regular meetings. The monthly Business After Hours provide excellent networking opportunities and are held throughout the community at Chamber member businesses. The Chamber also provides workshops and other educational events, and those are advertised to members as they are scheduled.

Whether it's a committee, a group, an event, or a workshop, The Chamber offers a variety of opportunities to stay abreast of business trends, and to interact and build business relationships with other Chamber member representatives.

Annual events and membership luncheons provide even more occasions for members to connect and to gain exposure and recognition through sponsorships, including the Annual Awards Banquet, Armed Forces Recognition Luncheon, Leadership Aurora Golf Tournament, Women in Business Workshop, and the annual Holiday Party.

There's something for all sectors of business and for all members.

How Much Does it Cost?

Membership begins as low as \$500 annually and The Chamber provides several levels of membership tailored to the specific needs of your business.

Some Chamber programs have fees, including Tips and Leads groups, Leadership Aurora, and Emerging Leaders. There are also reasonable rates for advertising in the eblast, on the website, and in the Business Directory, and sponsorship opportunities for events, committees, and programs – to promote and build your brand.

The Chamber staff is dedicated to making sure that our members get a significant return on their membership investment.

Why be a member of The Chamber?

Because The Chamber provides experiences you can't find anywhere else!

It's about...

Moving Forward with Momentum

Kristi Kleinholz

Chair

Mesa Moving & Storage

Here's to a prosperous 2025 – it's going to be a great year!

This last year, The Chamber moved offices, and staff are thriving in their new location. We are excited and honored to be sharing a building with the Aurora Federal Credit Union.

Naomi and her team have been excelling at implementing the strategic plan into their day-to-day activities and have been moving The Chamber forward. We have added a lot of new members to our Chamber – 20 members just in December 2024! This is due to the Chamber continuing to be an enthusiastic catalyst, convener, and champion for business success.

Thanks to the relationships between member businesses and Chamber staff, there's always support available within the business community. The Chamber is a highly active and respected

member of the Aurora and Eastern Metro communities., and The Eastern Metro area – including Aurora – is a great place to work, live, and visit.

This upcoming year will focus on growing our membership, advocating for issues that directly affect our business community, and helping our businesses thrive by connecting them with the right people and other companies.

The Chamber is always here to support you.

I am honored and humbled to be able to participate as the Chair of The Chamber Board Directors. The Chamber is a great organization, and the future will be an exciting experience!

ABOUT SUSAN DUNCAN

I have been a TOP producing agent with RE/MAX for over 25 years! I List and sell new or resale homes and I have a background in mortgage financing. I specialize in Denver South Areas, including Denver, Greenwood Village, Centennial, Littleton, Lakewood, Aurora, Lone Tree and Highlands Ranch, Since 2010 I have been predominately working North areas including Arvada, Commerce City, Brighton, Lochbuie, Frederick, Firestone and as far North as Fort Collins.

I have been buying and selling real estate for over 20 years and have found it to be extremely enjoyable. I love the variety of clients that I've had the privilege of working with. Perhaps a family being transferred with work to Colorado, college graduate searching for their first condo, to the Grandparents who are looking to sell their current home and downsize to a maintenance free patio home.

I am here as your partner to help you find the perfect area. We'll talk about you and your family's needs, schools, parks, entertainment, commute.

Allow my past experience to be your lead...I have certainly been awarded for my work. I have been blessed to have been named a Top Producer, Platinum Club Member, Hall of Fame and a Lifetime Achievement Award Recipient in my industry.

You will find I have the Energy, Enthusiasm and Experience that you'll want and need!

“

We recently sold and purchased a new home in the Harmony neighborhood. Susan Duncan was our very professional realtor. She was able to sell our home not only in a day but, we received an offer for \$20,000 over our original asking price. She knew our house was worth more than our asking price and knew we'd get multiple offers, which we did. She knew just how to market it so that we could receive the most profitable offer!
