What Can THE CHAMBER Do For You?

The Aurora Chamber of Commerce is a Catalyst, Convener, and Champion for businesses in the Eastern Metro area - and beyond. It is an action-oriented, membership driven, nonprofit organization that serves as a powerful advocate for its members.

The mission of The Chamber is to serve and represent our members so their businesses and our community will prosper.

Through The Chamber, members can gain access to key business, political, and community leaders, to influence the course of commerce on all levels.

The Chamber enables its members to accomplish collectively what they can't do individually. It is NOT a branch of the government, a club, or a political organization. And while it IS a member of both the Colorado Chamber of Commerce and the U.S. Chamber of Commerce, it is not a branch of either.

The Chamber's budget depends almost entirely on the financial investments of members and is a non-profit organization whose membership dues are tax deductible.

What your CHAMBER MEMBERSHIP can do for your business:

Increase business opportunities and profits

The Chamber is the business liaison with officials of the cities of the Eastern Metro area including Aurora, Centennial, Brighton, Bennett, Commerce City, Lone Tree, and Greenwood Village, as well as with officials for Arapahoe and Adams Counties, and state and federal government. The Chamber serves as a credible voice for issues including education, military, taxes, health, transportation, diversity and inclusion, the arts, and community growth.

Becoming active in The Chamber is a great way for you to meet other business owners and professionals on a more personal basis, through business oriented professional and social programs.

It's always great to do business with someone you know!

Give your business great exposure

Chamber members have a complimentary listing in The Chamber Business Directory. The Chamber's database, ChamberMaster, offers opportunities for online promotion of your business. The website and the weekly eblast are opportunities for advertising.

Provide 300 networking opportunities per year

The Chamber is the leading business organization to help you strengthen and make new business contacts. One of the best ways to accomplish this is through committee meetings, events, Business After Hours, seminars, luncheons, and Tips and Leads groups.

Recommend your business

The Chamber is the focal point for business leaders and those interested in relocating to the area. When The Chamber receives inquiries about a certain product or service, we only recommend members. The website is also a valuable information tool where you can find members by using this printed Business Directory, or visiting the online Business Directory at:

STEPS TO INVOLVEMENT...

to maximize your Investment

Attend Coffee or Cocktails with Colwell

These opportunities to meet with Chamber President and CEO Naomi Colwell are advertised in the weekly eblast, and on The Chamber online calendar. During these sessions, Colwell will provide a broad overview of membership opportunities and benefits and answer your burning questions about what The Chamber can do for you. She will also give a brief orientation to the Chamber's database, ChamberMaster. Registration is required.

STEP
1

STEP
2

Enhance your online profile by accessing The Chamber's database, ChamberMaster

ChamberMaster is a powerful database tool for Chamber members, accessed from the home page of The Chamber website.

ChamberMaster saves time, provides convenient access, improves efficiency, and streamlines communication for members by allowing secure access to their Chamber member record online over the Internet. In addition, this integration facilitates many other features that will directly benefit you, the member. Each member representative is given - or chooses - a login name and password, both of which can be changed.

When changes are made to ChamberMaster, the online Chamber directory is updated, and your membership access to ChamberMaster allows you to:

- Change your own business directory listing – and updates are displayed on The Chamber website immediately
- Post a calendar event for Chamber approval
- Advertise a Hot Deal
- Post current job openings
- Respond to Chamber event invitation with an online RSVP
- Register for an event online and pay with credit card
- Pay an open invoice online with credit card
- Access your data from anywhere, at any time

Register For An Event Or Committee Meeting

Start by exploring Chamber committees and events on the online calendar or by perusing the weekly eblast to determine what fits best with your professional and personal interests.

You can register for an event or committee meeting you want to attend through your online profile in ChamberMaster. These are great opportunities to meet other Chamber members and establish relationships.

All Chamber member companies can benefit by 'spreading the wealth' of the membership with employees. Larger companies may want to assign staff members to explore a variety of options, including legislative opportunities, committees, community engagement, and event sponsorships. Smaller organizations can benefit from committees, marketing opportunities, networking events, and building business relationships. All employees of a Chamber member business are welcome to engage in Chamber activities.

You can expand the benefits of your membership by collectively taking advantage of all that The Chamber has to offer!

STEP
3

STEP
4

Talk with Chamber members that you meet

Build relationships with other members. Highly active and engaged members benefit greatly from their 'return on involvement.'

And if you cannot be actively involved, pay attention to Chamber correspondence that provides information and opportunities, and contact Chamber staff if you have questions or need help with business-related issues. The Chamber is here for our members!

MILITARY AFFAIRS

The Buckley Regional Military Affairs Council (BRMAC) connects military leaders, elected officials, industry partners, and community organizations to strengthen relationships, drive collaboration, and advocate for those who serve. A program of the Aurora Chamber of Commerce, BRMAC serves as the primary bridge between the military and the Greater Buckley Region – advancing readiness, quality of life, and regional resilience.

ENGAGEMENTS & HIGHLIGHTS

The State of the Base is a signature annual event where Buckley Space Force Base leadership briefs civic, business, and elected officials on the installation's mission, accomplishments, community partnerships, and annual economic impact report – and it will be held in March 2026.

The Armed Forces Recognition Luncheon is a long-standing community tradition honoring the service and sacrifice of our military members from across the Greater Buckley Region – celebrating excellence, unity, and commitment to those who serve – and the 50th Annual Luncheon will be held in May 2026.

The State of the Guard is a flagship annual event where The Adjutant General of the Colorado National Guard briefs community, civic, and state leaders on the Guard's mission, accomplishments, and partnerships – following its successful inaugural program in 2025, it will be held again in August 2026.

Through monthly BRMAC meetings, special events, Senior Enlisted Leader lunches, and the Future of Buckley Task Force, the Council fosters collaboration among military, civic, and business leaders to strengthen partnerships, address quality-of-life priorities, and sustain the long-term success of Buckley Space Force Base and the Greater Buckley Region.

The BRMAC actively engages with the Association of Defense Communities (ADC) through working groups as well as its annual Installation Innovation Forum and Defense Communities Summit, sharing best practices and national insights. The Greater Buckley Region was proudly recognized by ADC as a 2025 Great American Defense Community for its collaboration, innovation, and support of service members and families.

To learn more or get involved with the Buckley Regional Military Affairs Council and our ongoing initiatives, please contact Rob Deval, Director of Military Affairs and BRMAC Executive Director, at rdevall@aurorachamber.org, or connect with our leadership team – Chair Rick Crandall and Vice Chair Troy Williams – to help strengthen the bond between our community and those who serve.
