Senior Scams & Fraud Prevention

No matter your age, no one is immune to scams. Romance Scams are riskiest for ages 55-64. Travel/Vacation Timeshare scams are riskiest for ages 65+. BBB recommends the following precautions to avoid becoming a victim.

Know the Red Flags. Most scammers use common. Keep an eye out for the following too-good-to-be-true claims:

- “Free,” “low cost,” or “buy one, get one” deal
- Request for unusual payment types (prepaid debit cards)
- Claims you only pay postage or administrative fees
- Pressure to act now and/or aggressive tones
- Deals secured with credit cards or bank information
- Sure-fire investment opportunities
- Charities that send 100% of donations directly victims

Phone Fraud: Fake telemarketers claim to be with a utility/bank/government agency. They demand payment. They may even have a caller ID to match their claims. However, caller IDs can be faked. When in doubt, hang up the phone and call the official source to verify unexpected or unusual claims.

Home Repair Scams Con artists knock on doors with fake flyers stating they are doing landscaping, roofing, paving, etc in the area. They demand cash up front and don't do the work.

Grandparent Scam Scammer impersonates grandchild and whispers saying they are in trouble and need money.

Medicare/Medicaid Fraud Fake representative gets personal information to open accounts and apply for credit cards.

Sweepstakes and Lottery Scams To get the “prize” you have to send money for taxes, shipping, or processing fees.

Funeral Scams Scammer reads obituary and reaches out to widow claiming there is money owed for some past business.

Sweetheart Swindles Scammers create compelling backstories and identities online and charms the victim over a period of time. Then they ask for money for an emergency, medical expenses, or other heartbreaking issues.
