 - 3:00 - 8:00pm Proposed price \$ _____
- Saturday, September 5**
 - 3:00 - 8:00pm Proposed price \$ _____
- Sunday, September 6**
 - 3:00 - 8:00pm Proposed price \$ _____

BANDS WANTED

Band Name _____ Contact Person _____

Phone _____ Email _____

Genre of music: _____ How many band members: _____

Website or social media (if videos are not on your website or social media, submit a sample):

Setup: Bands are required to bring their own equipment, including instruments, sound systems, and lighting. The stage provided is 16'x16' and raised 18-24 inches, with no stairs or railings, and is under a tent. It has power access but does not include any stage lighting or sound equipment, so the band must arrange for their own at their own expense. There is no sound engineer or company provided, making the band fully responsible for sound setup. Support vehicles must be moved to a designated parking area 30 minutes before the performance begins. Bands will be paid by check in full after the performance. Due to the event structure, bands are expected to repeat sets, if necessary, as the audience changes over time. Typically, bands play 35-45 minute sets and take 10-15 minute breaks. The event is held at Tymor Park, 8 Tymor Park Road, Lagrangeville, NY 12540. Last year, the festival had a total of 22,000 attendees and we anticipate the same this year. Seating under the tent is for about 300 seated and 500-600 with standing room and bar area.

Signature of Contact: _____ Date submitted: _____
