Employees who have satisfactorily completed their probation period shall be so advised.
- (c) During the probationary period a probationary employee shall be entitled to all rights and privileges of this Agreement.

- (d) Regular employees who receive additional hours in their regular position will receive an additional twelve percent (12%) of their basic pay referable to the additional hours in lieu of additional entitlement to health and other benefits, unless the initial assignment of the additional hours is for a period of two (2) months or greater, in which case their benefit entitlement and premiums shall be adjusted to reflect the additional hours.

The employee shall receive their final pay and benefits with any necessary vacation adjustments as provided for in this Agreement.

- (b) An employee who has served notice of their resignation may within the ten (10) day notice period apply to their exempt leader to withdraw their resignation. Seniority shall operate on a bargaining unit wide basis.

13.02 Computation of Seniority

- (a) All employees shall accrue seniority. Seniority will include all time worked within the bargaining unit unless otherwise specified in this Agreement. At the same time, but not prior to the above posting, the College may advertise externally for applications.

- (b) An application from a regular employee or a term employee, who has successfully completed their probationary period as of the closing date of the posting, submitted after the five (5) working day posting period will be included in the competition process whenever possible, but will be considered on the same basis as applicants who lack the required status.
- (c)
 - (i) Appointments will not be made, nor applications from other applicants considered, until all applications from regular employees and term employees, who have successfully completed their probationary period as of the closing date of the posting, have been fully processed, considered and the qualified regular and eligible term applicants have been granted an interview. Consideration of the applications from other applicants will also be deferred until all regular and eligible term applicants have been verbally advised by the hiring supervisor, of the reason(s) for their unsuitability to fill the posted position. The applicants concerned may request that the reason(s) be given in writing.
 - (ii) Regular and term employees may apply for another posted position within their probationary period providing a leave of absence is not required to accept the other posted position. Employees applying for another posted position within their probationary period will be considered on the same basis as applicants who lack the required status.
- (d) When a position of less than twelve (12) weeks duration is to be extended past the twelve (12) weeks, the College shall post the position. The posting requirement may be waived with the mutual agreement of the College and the Union.

14.03 Role of Seniority in Promotions and Transfers

- (a) Both parties recognize:
 - (i) the principle of promotion within the service of the College;
 - (ii) that job opportunity should increase in proportion to length of service.

Therefore, in making staff changes, transfers or promotions, due and thorough consideration will be given to the following guiding factors: qualifications, required knowledge, education, skills, ability to perform the work and seniority. Where, in all other respects two candidates are deemed to be relatively equal, the candidate with the greatest seniority will be offered the position.

The College will exercise its discretion in a reasonable manner and will deny permission only where there is a valid operational reason to do so. Upon completion [including extension(s)] and subsequent terms of the term appointment, the employee shall be returned to the employee's regular position or to a comparable position. Such term appointments shall not interrupt the normal progress through the increment steps in the regular position.

14.05 Trial Period for Successful Applicants From Within the Bargaining Unit

- (a) A successful applicant from within the bargaining unit who has completed a probationary period as described in Clause 1.01 shall be placed on a trial period of three (3) months in length in the new position.

- (b) Conditional on satisfactory service, the employee shall be declared appointed upon completion of the trial period as described in Clause 14.05 (a) above. Satisfactory service includes the ability to do the job following an appropriate familiarization period.

In the event the successful applicant proves unsatisfactory in the position and/or the employee is unable to perform the duties of the new position during the employee's trial period,

- (i) a regular employee shall be returned to their former position and wage rate without loss of seniority. Any other employees promoted or transferred because of the rearrangement of positions shall also be returned to their former positions and wage rate and without loss of seniority.
- (ii) a term or casual applicant shall return to their previous status without loss of seniority and be eligible to apply for other posted positions or casual assignments, as applicable.

The Union shall be notified of all appointments, hiring, layoffs, transfers, recalls and terminations of employment.

14.07 Interview Panels

- (a) When the College deems it necessary to interview applicants for any position, an interview panel shall be formed. At no time shall any member of the interview panel be related to any applicant being interviewed. All interviews must be done by panels. The panel will ordinarily include the hiring manager/supervisor, a co-worker and a representative from another department. An interview panel will ordinarily consist of not more than four (4) people. Additional people will require mutual agreement between the College and the Union. All applicants shall receive the same questions in the interview and be rated in accordance with the guiding factors identified in Clause 14.03 (a).
- (b) Internal applicants who have been selected for an interview for a position within the bargaining unit shall, with a minimum of 24 hours advance notice to their exempt leader, be granted reasonable time off work to attend the interview without loss of pay, seniority or other benefits.

14.08 Eligibility for Postings

Casual and Term employees shall have such hours of service, from the first date of their employment, recognized for the purposes of applying for a position. In the event the selection process requires a tiebreaker, the hours of service shall be the determining factor.

- (a) Employees shall be recalled in the order of their seniority, providing that they are able to perform the available work.
- (b) An employee on layoff may apply for any position posted during their layoff period with full confidence that their application will receive the same consideration as that provided for all regular applicants.
- (c) It shall be the responsibility of the employee to keep the College informed of their current address. An employee recalled for employment of less than one (1) month at a time when the employee is employed elsewhere shall not lose recall rights for refusal to return to work.

15.04 Advance Notice

- (a) The College shall notify employees who are to be laid off for thirteen (13) weeks or less, twenty (20) working days prior to the effective date of the layoff. Notice of a layoff for longer than thirteen (13) weeks shall be according to the following schedule:

An employee may choose to be paid severance pay at the time of layoff or at any time within the two (2) year period following the layoff. When an employee chooses to accept regular employment made available under right of recall, or bumping action, any entitlement to severance pay is forfeited.

A regular employee who has elected severance pay rather than the right to recall shall be entitled to severance pay in a prorated amount equal to two (2) weeks pay for every year of service to a maximum of six (6) months pay. An employee electing severance pay will be deemed to have resigned and will have no further recourse to recall privileges.

It is incumbent upon the College to communicate effectively with their employees and CUPE Local 2081 as soon as the impact of any funding reduction or shortfall or profile change has been assessed.

If a work force reduction is necessary, the Joint Labour Management or Joint Adjustment committee will canvas employees in a targeted area or other areas over a fourteen (14) day period, or such other period of time as the committee agrees, to find volunteer solutions that provide as many viable options as possible and minimize potential layoffs.

To minimize layoffs, the following menu of labour force adjustment strategies will be considered and whenever reasonably possible, offered by the College:

- Job sharing.
- Reduced hours of work through partial leaves.
- Transfers to other areas within the bargaining unit subject to available work and meeting qualifications, with minimal training required.
- Paid and unpaid leaves of absence for use to seek alternate employment, retirement adjustment, retraining, etc.

(d) **No Stacking of Entitlements**

While various options may be considered and offered, there will be no stacking of entitlements.

(e) **Labour Adjustment Fund**

The parties agree to request the Ministry of Advanced Education, Training and Technology to maintain a Labour Adjustment Fund for the benefit of all employees and institutions.

The purpose of the Fund is to accommodate the needs of the employees and institutions in achieving targeted labour adjustments at an institution.

The parties recommend that the Ministry consult with them on the eligibility requirements for an institution to gain access to the Fund.

15.07 Early Retirement Incentive

If an employee accepts an Early Retirement Incentive offer, they will resign for the purpose of retirement. Their retirement date will be mutually agreed upon between the employee and the College.

Agreement will be in writing and will specify the early retirement date, payment date, specific dollar amount of the incentive and the payment schedule, if any.

- (a) Each job classification shall have a recognized job description. All job descriptions will be reviewed in accordance with the procedures adopted by the Joint Advisory Job Evaluation Committee.
- (b) The description of a job shall reflect the general details considered necessary to describe the principal functions and requirements of the job and shall not be construed as a detailed description of all of the functions and work requirements that may be inherent in the job.
- (c) Existing job descriptions shall not be eliminated or changed without notification to the Joint Advisory Job Evaluation Committee.
- (d) Whenever possible job descriptions will be prepared by the supervisor in consultation with incumbent(s). The College shall establish the necessary education and experience requirements of the position. Such requirements shall be fair and reasonable in line with the duties to be performed.

- (b) Disagreement on Job Content

When the incumbent, supervisor and/or Dean or Vice President, as appropriate, cannot reach agreement on any aspect of job content, or when disagreements arise during the job analysis procedures, such disputes are not the responsibility of the Job Evaluation Committee and must be resolved before the job evaluation process is undertaken. Disputes over job content may be referred to the Labour/Management Cooperation Committee. If the dispute is not resolved within three (3) weeks, it shall be referred to the grievance procedure as provided for in Article 10. This time limit may be extended by mutual agreement of the parties in writing.

(c) Functions of Committee

- (i) The Committee's function shall be to review changes to the principal functions and requirements of an existing job or the principal functions and requirements of new positions created within the bargaining unit by measuring the content of the jobs. The content is defined as the knowledge, skill, responsibility, effort, working conditions and other elements of each job or position. It is the jobs or positions alone that are compared without regard to the individuals or the personal performance of the incumbents filling the occupations.
- (ii) The Committee shall provide advice to the College for administering the entire job evaluation plan including:
 - (1) Amending concise job descriptions for each job within the bargaining unit.
 - (2) Evaluating each job based on a questionnaire completed by the incumbent(s) and supervisor, according to the Camosun College Job Evaluation Manual, which forms part of this Collective Agreement.

- (b) When the College determines that the posting process must be expedited for good and valid operational reasons the College may post the new, or substantially altered position with a draft job description and/or tentative point evaluation. Appointment to the position will not occur before a preliminary review of the draft job description and/or tentative point evaluation by at least one (1) representative of the College, one (1) representative of the Union from the Joint Advisory Job Evaluation Committee. If the preliminary review results in a change of more than one (1) pay grade the posting shall be withdrawn and the job description and/or pointing shall be revised and the position re-posted.
- (c) Any resulting change in evaluation or pay grade shall be effective from the date the College revised the job or added the new position, as the case may be.

25.02 Union May Claim Change in Job Content

If the Union claims that the duties of an existing job have been changed to an extent sufficient to alter the description and/or the evaluation or pay grade of the job, the Union may request the Joint Advisory Job Evaluation Committee to review the submitted questionnaire. Re: College Co-op Students

Camosun College Co-op students may be hired to perform duties covered by the CUPE Local 2081 Bargaining Unit, subject to the conditions outlined below:

1. All Camosun College Co-op students employed for work experience at the College will become members of CUPE Local 2081 with the same rights and obligations defined for "term" employees within the Collective Agreement, except:
 - a) There shall be three (3) blanket employment categories for Camosun College Co-op positions not requiring job descriptions. The "first year Camosun College Co-op student" category shall be paid at Step A of Pay Grade 1. The "second year Camosun College Co-op student" category shall be paid at Step B of Pay Grade 1. The "third year Camosun College Co-op student" category shall be paid at Step C of Pay Grade 1.
 - b) Work experience projects for Camosun College Co-op students need not be advertised for competition other than in the Co-op office and only Camosun College Co-op students may apply.
 - c) Job opportunities as described in (b) above shall be copied to CUPE Local 2081 at least ten (10) working days prior to posting and shall include the anticipated posting date. Job opportunities shall be posted after the tenth (10th) working day unless CUPE has raised a concern and mutual agreement cannot be reached.
 - d) Camosun College Co-op students shall be subject to the Co-op evaluation process and will not be granted internal status for application for posted vacancies at the College.
 - e) No Camosun College Co-op student will be placed into a position that would normally be posted and open to competition as per the terms of the Collective Agreement. Co-op positions must be project related and time specific.
 - f) The duration of a Co-op position shall not exceed the length of the work term for the program.

It is noted that:

- Several programs have 'back-to-back' work terms where one work term runs directly after another and therefore 'doubles' the length of time a student could work at a single employer.

LETTER OF AGREEMENT #7 - Continued

- Some programs can have up to 3 separate work terms within 1 calendar year and often a student will do all work terms with the same employer.
- g) Articles 1.03(f), 13, 14, 15, 20, 21, 24, and 26 will not apply to Co-op students

LETTER OF AGREEMENT #11

CAMOSUN COLLEGE

**CANADIAN UNION OF PUBLIC EMPLOYEES
LOCAL NO. 2081**

Re: Call-in Process

The Union has raised concerns regarding the hiring and assignment methods used by the College for determining casual work opportunities.

The College and the Union have a joint interest in exploring the feasibility of establishing a call-in process for those departments which regularly hire casual employees.

The Parties have determined that it would be beneficial to first conduct a trial Call-in Process to allow the College the opportunity to gather information, establish and implement new processes, identify problems and their resolutions where possible. The objective is to learn from and evaluate the potential effects that changed methods would have on the operational effectiveness of the College and employee/department satisfaction. At the conclusion of the implementation period the College will prepare a report for discussion by the Parties at the Labour/Management Cooperation Committee.

To this end, the Parties agree on the following principles and preliminary parameters for a trial Call-in Process:

Principles:

The trial Call-in Process is intended to:

1. assist departments in the efficient achievement of the College's operational requirements in a manner which does not create an administrative burden, and
2. provide a consistent, transparent process to assign the most senior employees on the department's call-in list to short term, non-posted assignments for which the employees are qualified and available.

Trial Process Parameters:

The Parties agree that the College will be provided with a six-month period following the date of ratification of this Collective Agreement to develop a draft trial Call-in Process for discussion with and feedback from the Union. This draft will identify one or more departments where the trial Call-in Process (hereinafter called the "Call-In process") will be implemented and the expected implementation period. Preliminary parameters of the Call-in process will include, but not be limited to, the following:

LETTER OF AGREEMENT #11 - Continued

1. Where possible, opportunities to be included on a department's Call-In list will be posted to allow the department to recruit and select qualified individuals to perform the job functions of the specific position(s)/classification(s) which may be available for future call-in opportunities. With the exception of regular full-time employees, existing individuals on the seniority list as well as external applicants may apply to be on this list. Applicants will be assessed to determine whether they have the necessary qualifications, knowledge, education and skills that are required to perform the position(s)/classification(s). When the College deems it necessary to interview applicants, an interview panel shall be formed.
2. An individual may apply to be considered for any job classification within the Call-in opportunities posted.
3. There shall be no grievances filed by the Union regarding the Call-in process. The Union maintains rights to grieve any issue outside of this process.
4. An applicant who is added to the Call-in list will identify any periods of unavailability at the time of their inclusion and will be required to notify the College in advance of any subsequent periods for which they are unavailable.
5. The College shall maintain:
 - (a) a monthly seniority list for Call-in employees which indicates each employee's name and accumulated seniority;
 - (b) a list of the position(s)/classification(s) for which the Call-in employee is qualified; and
 - (c) a Call-in record of work opportunities offered, accepted and/or declined as well as any periods of unavailability.

Copies of the monthly seniority list and list of the position(s)/classifications(s) for which the Call-in employee is qualified, as provided in 5. (a) and (b) above, shall be provided to the Union.

6. Departments will identify the individual(s) who will have primary responsibility for call-ins.
7. Individuals will ensure that the College is kept up-to-date with respect to their contact information including phone/cell number and email contact information.
8. When a call-in assignment is available, individuals on the list will be contacted in order of seniority for assignments for which they are qualified and available.
9. Each call-in assignment must be offered and accepted in its entirety (eg. for three (3) days of work, the employee must be offered all three days of work and must be able to work all three (3) days). If the individual is unable to accept the full work assignment, it will be offered to the next qualified person on the list in order of seniority. Where it is not possible to assign the full work assignment to one individual, the department may assign partial periods to qualified individuals in order of seniority and availability.

LETTER OF AGREEMENT #11 - Continued

10. If more than one call-in assignment is available at the same time in a department, the most senior qualified individual will be given their choice of such assignments, subject to 9, above.
11. Once an on-call assignment is accepted by an individual, such individual cannot cancel their availability for that assignment in order to accept a more favourable call-in assignment which may have arisen after their initial acceptance.
12. Individuals hired to a department's Call-in list shall be subject to probation and trial periods as described in this Collective Agreement.
13. A call-in employee who turns down a call-in opportunity on three (3) occasions within the Call-in trial period without good and sufficient cause, as determined by the exempt manager, will be removed from that call-in list.
14. A call-in employee whose performance is deemed unsatisfactory by their exempt manager will receive reasonable notice of the concern. If an employee's performance remains unsatisfactory for two additional occasions within the trial Call-in period the employee will be removed from the applicable Call-in list.
15. Call-in assignment(s) are not eligible towards regularization.
16. Any amendments to the language in the Collective Agreement required as a result of the implementation of this Call-in process will require approval of the Labour/Management Cooperation Committee and will be subject to approval and ratification by the Parties' principals.

It is recognized that this Call-in process will be on a one year temporary basis to provide an opportunity for the College to assess whether the process meets the intended objectives.

The Call-in process will form a standing item on the agenda of the Labour/Management Cooperation Committee for the period of the Call-in process and will include discussion of any problems and their resolution, where possible.

 - Special Needs Educator
- 2) To be eligible, employees must:
 - a) hold a valid Early Childhood Educator, Infant and Toddler Educator, and/or Special Needs Educator certification issued by the BC ECE Registry;
 - b) be an ECE in good standing with the BC ECE Registry;
 - c) be a front-line ECE directly employed on a full or part-time/casual basis who spends 50% or more of their working time in direct care of children; and
 - d) sign a written consent form that confirms their knowledge, consent and authorization for Camosun College to provide their full name, ECE Registration #, ECE certificate expiry date, their wage, and total number of hours worked to the Province of BC.
- 3) Should the institution no longer be in receipt of the funding through this program, the program ceases, or should the employee no longer hold an eligible certification and/or be in good standing with the BC ECE Registry, then the ECE Wage Enhancement will also cease.

LETTER OF AGREEMENT #12 (continued)

This amendment is made on a without prejudice and precedent basis, and cannot be relied upon as an interpretation of the positions or the job evaluation process/system.

LAYOFF / RECALL POLICY

Decision Chart

At all times, except severance, employees retain the right to recall to their own job for two (2) years from the time the layoff occurs.

All employees affected by this policy retain the right to apply for any posting during the process.

APPENDIX “A”

LAYOFF / RECALL POLICY AND PROCEDURES

A – POLICY:

- A.1 This policy is created in accordance with the Collective Agreement between the College and CUPE Local 2081. In no case may this policy override a right or condition outlined within the Collective Agreement except by mutual agreement of the parties.
- A.2 Each layoff stands alone in the application of this policy and these procedures.
- A.3 This Policy & Procedures shall be reviewed at the request of either Party by the Labour/Management Cooperation Committee and shall not be changed except by mutual agreement between the parties.
- A.4 In accordance with Clause 15.01 of the Collective Agreement, "layoff includes an involuntary cessation of employment or a reduction in hours of work due to lack of work, lack of funding or a reduction or discontinuation of services, but does not include dismissal, suspension, leave of absence or resignation".
- A.5 In accordance with Clause 15.02 (a) of the Collective Agreement, "Both parties recognize that job security shall increase in proportion to length of service. Therefore, in the event of a layoff, employees shall be laid off in the reverse order of their bargaining-unit-wide seniority, PROVIDING that the retained employees are able to perform the available work".
- A.6 "Able to perform" means having the requisite education, skills, experience and ability to perform the major activities and responsibilities of the position which accumulate in whole numbers to at least 75% of the job as listed in order of importance within a JAJEC Questionnaire [section II (3)] or in the latest job description where no questionnaire exists. In deciding the "ability to perform" the supervisor of the vacant position shall be consulted about the requirements of the job.
- A.7 With as much notice as possible, the College, through the Human Resources Department, shall discuss with the Union any anticipated situations that may lead to employee layoffs.
- A.8 Where layoffs become necessary, the College and the Union shall attempt to keep any disruption to a minimum for the College and for employees.
- A.9 The Human Resources Department shall be responsible for the co-ordination and facilitation of all layoff procedures.
- A.10 An employee shall receive as much advance information as possible about a potential layoff. The Supervisor shall meet with the employee and a Union shop steward. This meeting does not constitute formal notice under Article 15.04 (a).
- A.11 Formal notification of a layoff and a written outline of the employee's options will be given to the employee by the Human Resources Department with the participation of a Union shop steward and the employee's supervisor.

APPENDIX “A” - Continued

- A.12 Employees who are to be laid off shall be advised, as part of their formal notification, of their four options under the terms of the Collective Agreement and this Policy and Procedures:
- (a) they may accept the layoff and retain internal and external recall rights to their laid off position according to the Layoff and Recall Policy & Procedures (this includes the ability to convert from the recall to severance option at a later date while on the external recall list awaiting re-employment); or
 - (b) they may accept a severance package on their initial layoff date and terminate their employment rights and benefits with the College; or
 - (c) they may accept the option to bump into another position (maintaining internal recall in accordance with Sections C.3 – C.8) and request the Labour/Management Cooperation Layoff Sub Committee to identify the appropriate position in accordance with #16 of this Procedure; or
 - (d) they may request that the Layoff Sub Committee investigate alternate employment opportunities for them within the College. Employees shall be entitled, at the conclusion of alternate employment opportunities, to exercise their rights under (a), (b) or (c) above or they may exercise their rights under Article 15.03 and Section C of this Policy. This includes the ability to convert from the recall to severance option at a later date while on the external recall list awaiting re-employment.
- A.13 A term employee's options include recall, bumping and alternate employment opportunities only to term positions. A term employee does not have a severance option.
- A.14 A recurring regular employee as defined in Article 1.02 (b) would have full entitlement to these options in the event that there is a reduction in regular scheduled working hours.
- A.15 The Layoff Sub Committee shall be comprised of regular membership of the Labour/Management Cooperation Committee plus one member from management and one from the Union. A quorum will consist of attendance of three members from each side.
- A.16 In defining alternate employment opportunities, the sub-committee shall consider both the employee's preferences for employment and the College's need to maintain efficiency and effectiveness.
- A.17 An alternate employment opportunity shall not normally be to a classification which is placed at a higher pay band, except as set out in the procedures.
- A.18 A regular employee may accept alternate employment in any position regardless of its employment status (regular, recurring regular, or term) or working hours (part-time or full-time).
- A.19 A regular employee who is placed into a term appointment as part of the alternate employment process shall retain all rights of their regular appointment status.
- A.20 An employee on layoff with recall rights when not holding any position with the College may, at their request, remain on any existing benefit plan, except disability and pension, during their layoff by paying the full premium for the benefit(s) monthly in advance.

APPENDIX “A” - Continued

- A.21 Communication and consultation with the employee, the current supervisor and prospective supervisors will occur throughout the process.

B – LAYOFF PROCEDURES:

- B.1 The College, usually through the Budget Development Committee, shall identify the specific staff positions that are being considered for reduction or elimination. The individual identified to receive layoff notice will be the most junior employee within the job description AND within a department or normal working cluster of departments where position transfers occur without postings. Campus location shall not be considered in identifying the most junior employee within the job description.
- B.2 With as much notice as possible, the Human Resources Department shall discuss the potential layoff(s) with a representative of CUPE Local 2081.
- B.3 A meeting with the employee potentially affected will be arranged by the supervisor and a Union shop steward to advise the employee of the possible layoff situation.
- B.4 When a layoff is confirmed to occur, the Human Resources Department and a Union shop steward shall meet with the employee affected and their supervisor or other departmental support person. At that meeting, the employee shall be advised of the confirmation of the layoff, the effective date and the options available to them. Such information will also be supplied in writing and shall constitute the formal notification of layoff.

The Layoff Sub Committee shall receive a copy of the layoff letter.

- B.5 The employee shall be given a period of seven calendar days in which to advise the Human Resources Department of their choice of option. If the employee wishes to exercise their right to alternate employment opportunities, the employee will be encouraged to immediately update the information contained within their personnel file to include current qualifications, skills, abilities and references.

Alternate Employment Opportunities:

- B.6 When an employee requests an alternate employment opportunity within the College, the Layoff Sub Committee shall be responsible for identifying such alternate employment opportunities. The process of identifying alternate employment opportunities will be initiated within seven calendar days of the employee's request.
- B.7 For each alternate placement opportunity, the Human Resources Department shall provide to the Committee:
- The most current resume of the employee to be relocated.
 - An up-to-date seniority list for CUPE Local 2081.
 - A list, in seniority order, of employees and their positions within each pay band.
 - A list of retirements expected to be occurring within the next twelve months.
 - A list of positions expected to be vacant within the next twelve months.

APPENDIX “A” - Continued

- Job descriptions and such other information as requested by the Committee.
- Employee's preference (if any) with respect to hours of work.

B.8 An alternate employment opportunity shall include consideration of the following actions:

- Waiving of the posting requirement for current vacancies.
- Building employment bridging through the use of vacancies, term positions and/or unpaid leaves of absence to place the employee in a future vacancy.

As well, the Layoff Sub Committee may canvas other employees who may wish to trade positions with the laid off employee during the alternate employment opportunity.

- B.9 When a regular employee is placed in an alternate employment opportunity, the employee shall have their wage, benefits, increments and right to wage increases protected in the pay band they were receiving at the time of layoff.
- B.10 Salary protection shall be for the basic pay band assigned to the layoff position only. Salary protection will not be extended to cover any stipends for teaching, B.C. stationary engineers certificate – 4th class, journeyman trades certificate, or pesticide certificate when that work is not actually being performed. Salary protection shall occur for a maximum of six months in a twelve month period, beginning with the first alternate opportunity placement.
- B.11 In identifying alternate employment opportunities, the Layoff Sub Committee shall review all vacancy opportunities for positions which the employee is "able to perform". Where a temporary or permanent placement in a vacancy is possible, the supervisor of the vacant position shall be consulted about the requirements of the job. Where the Committee agrees that the employee could be reasonably expected to perform the duties of the position after a basic orientation, the posting requirement for the position will be waived and the employee shall be placed in the position.
- B.12 Should either the employee or the supervisor identify, within the first four months of the alternate employment opportunity placement, in the same or lower pay band, that there are serious problems occurring in the ability to perform the work of the new position, the Layoff Sub Committee will cancel the placement and process an alternate employment opportunity if possible. When placement is in a higher pay band, a trial period as defined in Article 14.05 shall apply.
- B.13 When an alternate employment opportunity has been actioned, both the employee and the supervisor will be requested to provide feedback to the Layoff Sub Committee regarding the appropriateness of the placement and the effectiveness of the Policy.

Bumping Options:

- B.14 Should the Layoff Sub Committee be unable to identify any alternate employment opportunities, the employee must choose one of the other identified options.
- B.15 When an employee chooses the severance option, the severance amount as calculated under Article 15.05 shall be reduced by the additional wages required to provide salary protection.

APPENDIX "A" - Continued

- B.16 In the following order, the Layoff Sub Committee shall identify the position(s) the employee is able to perform and the related pay band(s) that the employee will move to:
- (a) Wherever possible, a junior position in the same pay band with the same or greater hours.
 - (b) Where (a) is not possible, the following options will be considered in order to minimize the economic impact to the laid off employee:
 - A junior position in a higher pay band with the same or greater hours, when the employee has previously held the position and successfully completed a probationary or trial period therein.
 - A junior position in the same pay band with less hours.
 - A junior position in a lower pay band closest to the employee's pre-layoff pay band with the same or greater hours.
 - A junior position in a lower pay band closest to the employee's pre-layoff pay band with less hours.
- * A junior position will be the most junior position that satisfies the intent, not necessarily the junior position in the pay band.
- B.17 Where more than one position is feasible, but they are significantly different in nature, the Layoff Sub Committee shall consult with the employee prior to making the final decision.
- B.18 Where the bumping situation defined in #16 is to a position at the same or higher pay band as that currently received by the employee, the employee shall be placed at the pay step that is equal to the employee's current rate. If no rate is equal, the employee will be placed at the next pay step which is higher than the current rate.
- If the employee is placed at a pay step that is equal to their current rate, the employee shall receive credit for service in the step of the original pay band, towards their next increment.
- The employee shall maintain all rights to increments and any further salary increases.
- B.19 Where the bumping situation identified in #16 is to a position in a lower pay band, the employee will be placed in the pay band for the bumped position and at the salary step that would minimize the employee's loss in pay (excluding any stipends previously received). Only employees with five or more years of service with the College may be placed at Step E of the new pay band.
- B.20 By mutual agreement of the parties, Article 23.07 of the Collective Agreement is waived to provide:
- (a) That employees with five (5) or more years of service with the College may be placed at Step E of the new pay band.
 - (b) That employees shall receive credit for service in Step D towards their next increment, including Step E.

APPENDIX "A" - Continued

C – RECALL PROCEDURES:

C.1 The recall option exists for all employees, other than those who have chosen the severance option, for a two (2) year period.

C.2 Recall of employees shall be based on seniority provided that they are able to perform the available work.

Internal Recall:

C.3 When an employee has maintained employment with the College, either through the alternate employment opportunities or bumping options, that employee shall remain on an internal recall list and shall have the right of first refusal should their position (same classification, department, status and hours) be reinstated.

C.4 Employees on the internal recall list shall make all other job changes through the Collective Agreement's provisions for vacancy competitions.

C.5 An employee on the internal recall list who accepts a permanent placement, by virtue of alternate employment or bumping, forfeits any right to a severance payment.

C.7 An employee recalled to their former position shall be reinstated at the pay step that they were receiving at the time of layoff.

C.8 An employee who bumps to maintain employment and subsequently returns to their previous position, shall be entitled to credit for the time worked towards the next increment.

External Recall:

C.9 When an employee has not maintained employment with the College that employee shall be placed on the external recall list on the basis of seniority and shall have the right of first refusal for any alternate employment opportunity which the employee is "able to perform".

C.10 Able to perform is defined under Section A of this policy.

C.11 An employee on the external recall list may request the College to pay out the severance package at any time during the two (2) year period and at that point shall be deemed to have resigned.

C.12 An employee on the external recall list shall have the right to be recalled into a position of a higher pay band than that of their laid off position when that employee has previously been an incumbent of that position and has passed a probation or trial period in the position.

C.13 The Union agrees that postings for vacant positions may be waived in order to offer employment that will enable a laid off employee on the external recall list to return to the College.

C.14 The College will give priority to employees on the external recall list when casual and term assignments of less than three (3) months occur.

APPENDIX “A” - Continued

- C.15 After two (2) years on the external recall list, the employee shall be deemed terminated and the severance pay shall be paid.
- C.16 An employee recalled to other than their former position shall be appointed to the pay band and associated with that position and shall receive the pay step in accordance with Section B.18, B.19 and B.20 of this Policy.

General:

- C.17 An employee is not removed from the internal recall list until the expiry of twenty-four (24) months or reinstatement to their original position, whichever comes first.
- C.18 An employee is not removed from the external recall list until twenty-four accumulated months without employment or acceptance of a position with the same status (regular or term) as that held at the time of layoff.
- C.19 Acceptance of employment opportunities at the College that are not of the same status as that held at the time of layoff shall extend the period of recall rights by the length of such employment.
- C.20 No employee shall be removed from the recall lists for refusal to accept employment unless such employment offer was to the same position, status and hours as that from which the employee was laid off.
- C.21 The Labour/Management Cooperation Committee's Layoff Sub Committee shall identify the appropriate recall opportunities.
- C.22 Term employees shall only have the right of recall into term positions for the duration of the term of their appointment to the laid-off position.
