COLLECTIVE AGREEMENT

THIS AGREEMENT is effective July 1, 2022 to June 30, 2025 and entered into on August 9, 2023.

BETWEEN:

CAPILANO UNIVERSITY, in the Province of British Columbia,
(hereinafter called the “University” or the “University Board”)

OF THE FIRST PART

AND:

MoveUP (CANADIAN OFFICE AND PROFESSIONAL EMPLOYEES’
UNION, LOCAL 378),
(hereinafter called the “Union”)

OF THE SECOND PART

WHEREAS the University Board is an employer within the meaning of the
Labour Relations Code of British Columbia;

AND WHEREAS the Union is a Trade Union within the meaning of the said Act
and is the bargaining authority for that group of employees engaged as staff at Capilano
University and its various centres:

NOW THIS AGREEMENT WITNESSETH that the parties hereto agree each with
the other as follows:

Land Acknowledgement

As Parties to the Collective Agreement, we are committed to reconciliation and justice for Indigenous peoples. We acknowledge that the University is on the unceded, traditional and ancestral territories of the Skwxwú7mesh (Squamish), the sə́lilwətaʔl (Tsleil-Waututh), and the xʷməθkʷəy̓əm (Musqueam) nations at the North Vancouver campus, the shíshálh (Sechelt) nation at ká́lax-ay at the Sunshine Coast campus, as well as the lands of the Lílwat (Lil'wat) nation at the Ts'zil Learning Centre.

We recognize and deeply appreciate their historic connection to the University. We recognize the contributions of the Skwxwú7mesh (Squamish), the sə́lilwətaʔl (Tsleil-Waututh), the xʷməθkʷəy̓əm (Musqueam), the shíshálh (Sechelt), the Lílwat (Lil'wat) and other Indigenous peoples have made, both in shaping and strengthening these communities in particular, and our province and our country as a whole.

As settlers, this recognition of the contributions and historic importance of Indigenous people must also be clearly and overtly connected to our collective commitment to make the promise and the challenge of Truth and Reconciliation real in our communities.

ARTICLE 1 - PREAMBLE

1.01 PURPOSE OF AGREEMENT

The purpose of this Agreement is to set forth and establish the terms and conditions of employment so that efficient operations and harmonious relationships may be maintained between the University and the Union to the benefit of both Parties and the community they serve.

1.02 EXISTING LEGISLATION

The Parties recognize and agree that they cannot be obligated or bound by any term, condition or provision which would be contrary to any existing Federal or Provincial legislation. In the event that any term, condition, or provision, or part thereof, which is incorporated into this Agreement, whether by inadvertence, error, or misunderstanding, is in fact or in law contrary to such Federal or Provincial legislation, then such term, condition or provision or part thereof, is void and of no effect.

1.03 FUTURE LEGISLATION

In the event that future Federal or Provincial legislation makes invalid any provision of this Agreement, the remaining provisions shall remain in effect for the term of the Agreement. The University and the Union shall confer to settle upon a mutually agreeable provision to be substituted for the provision so altered or invalidated.

Should the parties not reach agreement within 45 working days, either party can make a referral to arbitration under article 7.08.

1.04 HUMAN RIGHTS

(a) Application

The Parties agree that the provisions of Section 8 of the Human Rights Code of British Columbia, RSBC 1996, Chapter 210, apply as though included in and forming part of this Agreement, and for the purposes of this Agreement personal life style, sexual orientation, physical disability unrelated to job performance, previous and current psychiatric treatment unrelated to job performance and number of dependants shall not constitute reasonable cause for the purposes of Sub Section 1 of the said Section 8.

(b) Unfair Labour Practices

The Parties acknowledge and agree to observe the prohibitions contained in the Unfair Labour Practices section of the Labour Relations Code of British Columbia.

1.05 NO OTHER AGREEMENT

(a) Sole Bargaining Agent

The University recognizes the Union as the sole bargaining agent for all employees covered by the Union's certification.

(b) No Other Agreement

The University agrees not to enter into any agreement with any employee or group of employees which conflicts with any of the terms or conditions of this Agreement or which provides for any terms or conditions of employment which are not expressly provided for by this Agreement, except where the Agreement expressly permits such individual agreement.

1.06 CORRESPONDENCE

The Parties recognize and agree that unless specifically indicated to the contrary, all notifications and correspondence directed to the Union office shall be addressed to the Union, and those directed to the University shall be addressed to the Vice President, Human Resources.

1.07 HEADINGS

The headings and sub-headings used in this Agreement are inserted for convenience and reference purposes only and shall not be used as an aid to interpretation.

ARTICLE 2 - UNION RECOGNITION AND NEGOTIATION

2.01 BARGAINING UNIT DEFINED

The bargaining unit is as in the Certification issued by the Labour Relations Board of British Columbia on December 17, 1974, as amended on March 31, 1983, November 18, 1986, and on February 20, 2009.

2.02 MANAGEMENT RIGHTS

(a) Rights of University

The Union recognizes and agrees that except as specifically abridged, delegated, granted or modified by this Agreement, all of the rights, powers and authority the University had prior to the signing of this Agreement are retained solely and exclusively by the University, and remain without limitation within the rights of management, which rights are not subject to the grievance procedure or arbitration.

(b) Affairs and Facilities

Without limiting the generality of the foregoing, the University reserves the sole and exclusive right to operate and manage its affairs and facilities in all respects as it sees fit, including the right to hire, discipline or discharge for just and sufficient cause, and to make and alter from time to time rules and regulations to be observed by the employees, except that this right shall not supersede any other express provisions of this Agreement.

(c) Fair and Reasonable

The University agrees that, in the exercise of its rights as set out above, it must act in a fair and reasonable manner.

2.03 NEW POSITIONS

(a) Notification of Union

When the University creates any new position during the term of this Agreement, except those positions included in another Union's certification, or instructional administrators to whom faculty report, the Union shall be notified immediately and, at the request of either party, the parties will meet to discuss whether or not the position is covered by the Union's certification. In the event of disagreement, the Labour Relations Board will be asked to decide the issue, if referred by either party.

(b) Disagreement

In any event, if the Parties cannot agree within five (5) days of the notice of the new position, the University may fill the position in which case it shall establish an interim salary group, and shall extend to any employee appointed, the same terms and conditions applicable as if the Union Certification covered the position, pending the agreement of the Parties or a decision of the Labour Relations Board.

2.04 SALARY FOR NEW POSITIONS

Where the Parties agree or the Labour Relations Board decides that a new position is included within the unit, a salary grouping for the position will be discussed. If the Parties cannot agree within five (5) days of the decision that the new position is included within the unit, on a salary grouping applicable to the position, the University may establish a salary group for it temporarily and the grievance procedure shall apply and the issue may proceed to final and binding arbitration if necessary.

ARTICLE 3 - UNION SECURITY

3.01 EMPLOYEES AT DATE OF CERTIFICATION

All persons within the certification of the Union as of December 17, 1974 who were members of the Union on or before that date shall remain members of the Union as a condition of continuing employment.

3.02 NEW EMPLOYEES

As a condition of employment, all new employees shall become Union members immediately upon their date of hire and shall remain Union members for the duration of their employment.

3.03 CHANGES IN STATUS

At the time an employee is hired or when their status is subsequently changed, the University agrees to notify the union with a copy of their Offer Letter.

ARTICLE 4 - UNION RIGHTS AND ACTIVITY

4.01 NOTICE OF ABSENCE FROM WORKPLACE

Whenever possible, an employee exercising any right arising under Article 4 shall advise their supervisor of any absence from their workplace. When undertaking union duties, union stewards will not interrupt the work of other union employees without the approval of the appropriate administrator.

4.02 RECOGNITION OF UNION REPRESENTATIVES

The University shall recognize the Union Stewards, members of the Union Grievance Committee, and all persons authorized to act on behalf of the Union, in accordance with the Union Constitution.

4.03 CONTACTING AT WORK

The authorized representatives of the Union shall have the right to contact employees at work on matters respecting this Agreement and its administration. The supervisor and/or Administrator of the department being entered for the purpose of contacting employees shall be advised by the Union representatives of the time of their entry and exit whenever possible.

4.04 TIME OFF FOR UNION BUSINESS AND ACTIVITIES

The Union and the University will co-operate to see that suitable arrangements are made to have an employee's regular duties covered in a reasonable manner so as to avoid interfering with the operating requirements. When undertaking union duties, union stewards will not interrupt the work of other union employees without the approval of the appropriate Administrator. Requests for leaves of absence without loss of seniority for the following activities shall not be unreasonably withheld:

(a) Without Pay - Conventions

without pay to a reasonable number of representatives of the Union to attend conventions of the Union and bodies to which the Union is affiliated when requested in writing by the Union naming the employees for whom the request applies;

(e) With Pay - Steward Duties

with pay to named Stewards to perform duties necessary for the administration of this Agreement;

(f) With Pay - Grievance

with pay to employees called to appear as a party or as a witness in a grievance hearing or at an arbitration;

(g) With Pay - Union Grievance Committee

with pay for up to three members of the Union Grievance Committee when such formally meets pursuant to Article 7;

(h) Without Pay - Union Position

without pay to an employee to hold a position with the Union or its affiliates. Time spent with the Union will be considered as service with the University and the employee will continue to accrue seniority with the University during such period. At the commencement of the leave, an employee will advise the University whether or not they wish to participate in the University Benefit Plans. It is understood that participation is subject to approval of the carrier of the Plan. At the Union's request, the University will act as paymaster during the leave period and the Union will reimburse the University for the cost of such salary and benefits premiums. If the duration of the leave exceeds 8 months, the University may fill the position and the person so chosen shall be considered as having temporary full-time or temporary part-time status notwithstanding the categorization otherwise applicable under Article 9.

4.05 UNIVERSITY AND UNION SHALL ACQUAINT NEW EMPLOYEES

(a) Agreement in Effect

The University agrees to acquaint new employees with the fact that an Agreement is in effect, with the conditions of employment set out in the Articles dealing with Union Security and Check-off of Union Dues.

(b) Union Steward to Acquaint

A Union Steward shall interview each new employee within regular working hours, without loss of pay to Steward or employee, for the purposes of acquainting the new employee with the benefits and duties of Union membership and to provide the employee with a copy of the Collective Agreement. The length of the interview shall be kept to a reasonable time (e.g. one-half hour to an hour).

4.06 RIGHT TO REFUSE TO CROSS PICKET LINES

(a) Dispute

Failure to cross a legally constituted picket line which arises out of a labour dispute under the Labour Relations Code of British Columbia shall not be considered a violation of this Agreement nor grounds for disciplinary action.

(b) Pay

Employees should not expect to receive pay for work not performed in exercising any right given by the clause.

4.07 UNION GENERAL MEETING

The University shall allow employees a two hour break without pay once every month so that they may attend the Union general meeting. The Union general meeting shall be scheduled at the same time as one of the University meeting block periods.

4.08 USE OF UNIVERSITY ROOMS

The University shall allow the Union to book University rooms through the regular booking procedures of the University, for meetings of Union Committees, the General Membership, and other such meetings.

4.09 UNION OFFICE SPACE

The University will provide a location for a Union office subject to the availability of space to first meet priority institutional requirements as determined by the University. The University will provide appropriate notice to and consultation with the Union regarding any change to the office location.

4.10 APPLICATION TO OVERTIME PREMIUM

Time expended by an employee for the purpose of Articles 4.03, 4.04, 4.05 and 4.07 shall not be used for the purpose of computing any overtime or premium entitlement contained in this Agreement.

This designation shall be placed at the bottom of the last page of any such document.

4.12 INFORMATION TO BE ROUTINELY PROVIDED TO THE UNION

Once every month the University shall provide to the Union a list of employees within the bargaining unit setting out the employees':

- address
- telephone number
- payroll number

this provision is in addition to the University's obligations under Articles 9.09(c) and 25.04.

Once every four (4) months the University shall provide the Union with a list of employees within the bargaining unit setting out their seniority in terms of hours worked.

4.13 UNION COMMUNICATIONS AND VOTING

- (a) The University agrees that the Union shall have the right to use the University's email to communicate with the employees in the bargaining

unit. Employees shall have the right to use the University's email to communicate with the Union. Both the Union and the employees shall at all times adhere to the University's policies regarding email usage. Failure to do so will cause this provision to come to an end. The University's policies can be found on its website.

- (b) It is agreed that the Union shall have the right to place ballot boxes in the workplaces of the University for the purposes of conducting Union elections, referenda, polling or collective agreement votes.

ARTICLE 5 - CHECK-OFF OF UNION FEES AND DUES

5.01 AUTHORIZATION

As a condition of employment, all employees on hire shall be required to sign an authorization (Appendix "A") for deduction of Union dues from their wage or salary. A copy of the completed authorization shall be sent to the Treasurer of the Union.

5.03 COLLECTION AND FORWARDING OF DUES

The University shall forward the collected dues by cheque together with a list of employees' names and identification numbers, monthly and year-to-date amounts deducted to the Treasurer of the Union within five (5) working days after the last day of each month in which the dues are collected.

5.04 NOTIFICATION

The Union shall advise the University in writing of all dues required by the Union and of any changes which occur in connection with such dues.

5.05 INDEMNITY

The Union shall indemnify the University and hold it harmless against any and all suits, claims, demands and liabilities that shall arise out of, or by reason of any action taken or not taken by the University for the purposes of complying with any provision of this Article.

5.06 REVOCATION

The Union agrees that, should any employee revoke their assignment, the University must forthwith cease to make deductions. Upon written instruction by the Union, the University agrees that, where an existing employee revokes their authorization, the employee's appointment shall be terminated forthwith. The University will provide the Union with a copy of any revocation of authorization received. Termination under this provision will not constitute a layoff under Article 12.

5.07 YEAR-END SUMMARY

Except by reason of circumstances beyond the control of the University, by January 31st each year the University shall supply to the Union a list of total deductions on behalf of the Union made for each employee during the previous year.

5.08 RECORD OF UNION DEDUCTIONS (T4 SLIPS)

The University shall supply each employee, without charge, with a record for income tax purposes indicating the amount of applicable deductions the University has paid to the Union on behalf of the employee in the previous calendar year. Absent exceptional circumstances, such record shall be provided to each employee prior to March 1 of the succeeding calendar year.

ARTICLE 6 - UNIVERSITY - UNION RELATIONS

6.01 REPRESENTATIONS

No employee or group of employees shall act as Union representatives on University committees, to which the Union may be entitled to send representatives, without proper authorization of the Union.

6.03 ACCESS TO UNIVERSITY PREMISES

(b) Space

In order to facilitate the orderly, as well as the confidential, investigation of specific grievances, the University shall make available to Union Representatives or Stewards temporary use of an office or similar facility.

6.04 INFORMATION

The University agrees to provide the Union with all available non-confidential information relating to employees as may be required by the Union for collective bargaining purposes. The Union recognizes that certain information is confidential to the University and Government at specific periods of time, during which such information may not be released to the Union. The University shall provide the Union with such information if and when it becomes available.

6.05 UNION - UNIVERSITY RELATIONS

The Union and the University recognize the mutual value of ongoing joint discussions in matters pertaining to working conditions, employment, employee classifications, services, and labour relations.

(a) Joint Standing Committee

There shall be established a Joint Standing Committee composed of the Vice President, People, Culture and Diversity of the University or designate(s) and

the President of the Union or designate(s) and one additional member appointed by each Party. Decisions of the Joint Standing Committee must be unanimous.

(b) Meetings

The Committee shall meet at the call of either party at a mutually agreeable time and place. Unless otherwise agreed, the quorum for Joint Standing Committee meeting shall be two (2) University representatives and two (2) Union representatives. The University and Union will make every effort to ensure two (2) people will be available for any meeting.

Such prohibited discriminatory behaviour is defined as any discrimination on the basis of race, national or ethnic origin, colour, citizenship, place of residence, age, sex, sexual preference or orientation, marital status, family status, number of dependants, pregnancy or childbirth, physical or mental disability where the disability does not render the employee incapable of fulfilling their employment duties and obligations, conviction for which a pardon has been granted, political or religious affiliation or beliefs, or membership or activity in any trade union.

(c) Definition of Sexual Harassment

Sexual harassment is comment or conduct of a sexual nature, including sexual advances, requests for sexual favours, suggestive comments or gestures, or physical contact, including assault, when any one of the following occurs:

- (i) the conduct is engaged in, or the comment is made by, a person who knows, or ought reasonably to know, that the conduct or comment is unwanted or unwelcome;

- (ii) the conduct or comment has the effect of creating an intimidating, hostile or offensive environment, and may include the expression of sexist attitudes, language and behaviour;
- (iii) the conduct or comment exploits the fiduciary relationship between students and employees of the University;
- (iv) the conduct or comment is accompanied by a reward, or the express or implied promise of a reward, for compliance;
- (v) the conduct or comment is accompanied by reprisal, or an express or implied threat of reprisal, for refusal to comply;
- (vi) the conduct or comment is accompanied by the actual denial of opportunity, or the express or implied threat of the denial of opportunity, for failure to comply.

(d) Complaints

An employee who believes that they have a complaint of sexual harassment or personal harassment is encouraged to make a direct request of the respondent that the offensive behaviour or actions cease. If the request is unsuccessful, or if it is considered inappropriate, or uncomfortable to make such a request, the complainant may seek the confidential advice of the Union or Human Resources.

- (i) An employee may initiate a grievance under this clause at any step of the grievance procedure or the procedures set out in the Discrimination, Bullying and Harassment Policy. Grievances under this clause will be handled with all possible confidentiality and dispatch. An employee who commences a complaint under the Capilano University Harassment Policy and Procedures document shall not forfeit their entitlement to pursue a complaint through the grievance procedure under the Collective Agreement.
- (ii) If the alleged offender is an employee covered by the Union's certification, they shall be entitled to notice, as soon as possible, of the substance of the personal and/or sexual harassment complaint made against them.
- (iii) During any investigation and/or grievance procedure, the University agrees to monitor the working environment of individuals involved to protect their rights pursuant to Article 29.12 (a).
- (iv) The university agrees to share all investigative findings from the grievance process subject to the approval of the complainant, and relevant redaction where applicable.

(e) Personal Harassment

The Union will incorporate the definition of Personal Harassment developed by the Personal Harassment Committee at the University into the Collective Agreement, replacing the documents signed January 29, 1993, provided the Union membership at Capilano University ratify the replacement definition by a two-thirds majority, at a Union membership meeting.

29.17

LIE DETECTOR TESTS

APPENDIX B

CLASS SPECIFICATION INFORMATION AND CRITERIA

(Reference Article 26 of the Agreement)

An integral part of the Classification Plan is the Class Specification. It acts as a guide in determining the nature and scope of work assigned to an employee. It assists in determining the type of employee needed to perform certain functions within a department or section. The Class Specification provides an employee with the requirements and qualifications of a position so that they may prepare themselves accordingly.

The Class Specification includes a Class Title, a statement of the distinguishing features of work of the class, a list of examples of work performed, a section in which are listed those knowledges, abilities and skills which are needed by the applicant or incumbent for successful performance of the work, and a statement of required training and experience for a new appointee, which would ordinarily provide a person with the necessary qualifications. The class specification may also include areas relating to: decisions required; supervision received; effect of errors, contacts; supervision of other employees; physical demands; and working conditions. Each specification must be considered as a whole for the purpose of describing and defining a class, or for allocating a position to a class. Although each section has its special uses, an adequate understanding of the class can be gained only by considering all parts together.

The Distinguishing Features of Work section provides a description of the salient features which distinguish the class from other classes of work. This is an evaluation of the class in terms of the elements of difficulty and responsibility involved in the work. As such, it serves to establish the level of the class and is one of the sections most heavily relied upon in allocating positions to the class.

The section setting forth the Examples of Work Performed is intended to enable the reader to obtain a more complete picture of the actual work performed in positions in the class. The list is descriptive and is not intended to limit administrative authorities in the assignment of duties and responsibilities to the position. It does not describe all the work performed. It merely serves to illustrate the typical portions of work.

The Requirements of Work section lists those knowledges, skills and abilities which are necessary for successful performance of the work of the class. These are written in terms that are requirements of an applicant before appointment. The levels of knowledge used in this section are expressed in five broad degrees; they include: some knowledge, working knowledge, considerable knowledge, thorough knowledge and extensive knowledge. As a guide for interpreting the Specifications, definitions for these terms are listed:

Extensive knowledge implies the most advanced degree of knowledge necessary for complete mastery and understanding of the subject.

Thorough knowledge implies almost complete coverage of the subject matter area. For successful performance of the work sufficient comprehension of the subject matter is necessary to solve unusual as well as commonplace problems.

Considerable knowledge implies sufficient acquaintance with the subject to perform the work with little direct supervision and a journeyman comprehension of normal work situations.

Working knowledge implies an awareness of the subject sufficient to work effectively in a limited range of work situations.

Some knowledge implies familiarity with the elementary principles and terminology of the subject matter.

Skills refer to and are limited to manual skills.

Abilities refer to the capacities making possible the application of knowledge and skills to work situations.

Requirements such as honesty, integrity, initiative and sobriety are implied for all positions.

In some specifications a statement of necessary special requirements is included. This is done only when statutory or other legal requirements establish a definite minimum qualification such as possession of a license or registration certificate before appointment.

Conception of the Class Specification

It must be emphasized that each specification must be considered as a whole for the purpose of describing and defining a class. Although each section has its special usages, an adequate conception can be gained only by consideration of all the sections in relation to each other.

Flexibility of the Classification Plan

In order to serve its purpose as an administrative tool in developing the Human Resources Program, the Classification Plan is not intended to be rigid or binding to future changes in organization, individual positions or functions. The Classification Plan is an analysis and description of the work presently performed in the University. Because organization, positions and functions are constantly changing, the Classification Plan must also be changed to keep abreast of the requirements of the University. Unless it is made a perpetual inventory by creating, abolishing and changing classes as required, it will be out of date and will be a hindrance rather than an aid to effective Human Resources administration. In addition to day-to-day adjustments, periodic audits of the whole plan are essential for maintaining good relationships and preventing accumulation of discrepancies.

APPENDIX H

BETWEEN:

CAPILANO UNIVERSITY (the “UNIVERSITY”)

AND:

**MoveUP (CANADIAN OFFICE AND PROFESSIONAL EMPLOYEES’
UNION, LOCAL 378) (the “UNION”)**

Re: Support Staff Innovation Fund

Capilano University agrees to establish a Support Staff Innovation Fund to encourage specific transportation initiatives and address recruitment and retention issues. The amount of the fund will be:

Effective July 1, 2022: \$130,000 plus a one-time adjustment of \$57,427 for a total of \$187,427
Effective July 1, 2023: \$151,864 annually

Funds not allocated within a calendar year will be carried over for one year only.

SPECIFIC INITIATIVES

A. GREEN TRANSIT INITIATIVES

(i) TRANSPORTATION SUBSIDY

As part of its efforts to reduce its carbon footprint, the University shall provide to regular employees who commute to and from work by public transit, a transportation incentive of fifty (\$50.00) dollars per month toward a monthly transit pass.

In order to receive the transportation subsidy employees shall, on a quarterly basis, submit a copy of their transit payment receipts (ie. Compass Pass payment receipt) through the normal expense reporting process. Payment will be issued quarterly.

(ii) CARPOOLING PILOT PROJECT

To encourage carpooling as a transportation option to employees, the parties have agreed to participate in a carpooling pilot project.

The University will provide 10 spaces for MoveUp members who carpool. Employees who carpool do not have to pay for parking. As the pilot progresses, this number will be reviewed to determine the necessity of increasing spaces to a maximum of 20.

Carpools must consist of at least 2 MoveUp members who arrive on campus together, in one vehicle, park in the designated carpool area, and exit the vehicle together. As per current regulations around carpooling, if the registered drivers listed for the carpool do not exit the car together upon parking, the driver will lose their carpooling privileges for the remainder of the pilot project. The application

form and further terms and conditions can be found on the University's Frontlines web site under "Carpool Terms & Conditions".

The project will be extended year to year subject to continued 80% utilization.

B. LABOUR MARKET ADJUSTMENT COMMITTEE

The parties recognize the value of developing positive recruitment and retention practices within the University. As such, the Parties agree to establish a Joint Committee consisting of up to two (2) representatives from the Union and up to two (2) representatives from the Employer to review positions with difficulties in recruitment and/or retention and recommend strategies to eliminate these difficulties.

Recommendations shall be made to the Associate VP Human Resources and the MoveUP Business Representative for final review and agreement before implementation.

Positions may be eligible for additional labour market adjustments by mutual agreement if:

- There is a demonstrated recruitment or retention issue that can be objectively determined, and;
- There is an objective concern for the retention of incumbents who are being underpaid in contrast to appropriate market comparators, and;
- Any other eligibility requirements the parties may mutually agree to as necessary.

Labour market adjustments may include, but will not be limited to, the following:

- Annual Stipend (paid bi-weekly)
- Salary adjustments to match market reference points for similar positions within the sector

Either party may initiate a meeting of the committee.

APPENDIX N - EXCLUSIONS

It is agreed that the following positions are excluded from the bargaining unit. The University may add positions to, or delete positions from, this list. If the Union does not agree with changes to the list it may ask the Labour Relations Board to review the changes and make a final determination of the bargaining unit status of the positions in question.

The Parties agree to establish a joint committee for the purpose of reviewing the collective agreement and identifying opportunities for change that would:

- enhance equity, diversity and inclusion at the University
- enhance reconciliation efforts with the University’s Indigenous communities and decolonize practices within the University
- identify and eliminate barriers to equal participation for equity-seeking groups and Indigenous community members.

The joint committee shall be comprised of 3 representatives appointed by each Party of which at least one member appointed by each Party shall identify as a member of an Indigenous community (failing which, the committee shall seek consultation from a member of an Indigenous community).

The joint committee shall develop its own terms of reference, procedures and meeting frequency.

The joint committee, by consensus, shall develop a joint recommendation(s) which shall be brought forward to the Parties prior to the commencement of the next round of bargaining. Adoption of the joint recommendation(s), in whole or part, by way of amendments to the collective agreement, shall only be made by mutual agreement of the Parties.

NEW LOU #13 re Article 25.07

BETWEEN:

CAPILANO UNIVERSITY (the “UNIVERSITY”)

AND:

MoveUP (CANADIAN OFFICE AND PROFESSIONAL EMPLOYEES’
UNION, LOCAL 378) (the “UNION”)

During the course of 2022 negotiations, both parties made proposals that would amend the appointment process and specifically the relative priority of candidates. The Employer proposed a process that would give priority to the most qualified candidate (among qualified candidates). The Union proposed a process that would enable internal candidates, who may not meet the appointment qualifications, an opportunity to accept the appointment for career development purposes.

The Parties have agreed to amend the process, pursuant to the provisions below, but on a trial basis only. Therefore, Article 25.07.1 below is valid and replaces Article 25.07(a) in the collective agreement for the period beginning on the date of ratification and ending on the date either party provides written notice to bargain for the next round of negotiations (the “Expiry Date”).

Prior to the Expiry Date, the parties agree to meet to discuss the impact of Article 25.07.1 below. The parties may agree to extend the application of 25.07.1 beyond the Expiry Date and/or amend Article 25.07(a) of the collective agreement. If the parties do not agree to extend or amend, Article 25.07.1 shall cease to apply on the Expiry Date and Article 25.07(a) shall re-apply.

For the purposes of the meeting referenced above and to facilitate an informed discussion between the parties therein, upon request of the Union, the Employer will share a summary of candidate interviews along with related assessment materials.

The Employer shall provide notice to the Union whenever at least two internal candidates are in competition for a position that may trigger the new 25.07.1 (a.1) and the Union may request that a steward be present, solely in the role of observer, in the interviews of those candidates for that position.

ARTICLE 25 – APPOINTMENTS

25.07.1 APPOINTMENTS

(a) Required Knowledge, Skills and Abilities

Among those candidates who have the required knowledge, skills and abilities, the most qualified internal or external candidate shall be offered the appointment. Where the University determines that two or more candidates are equally qualified, the candidate with the greater seniority

shall be offered the appointment. (Note: external candidates have zero seniority.)

(a.1) Where no candidate has the required knowledge, skills and abilities, an internal applicant will be offered the appointment, provided:

- they have a demonstrated aptitude for the position;
- they could meet the required knowledge, skills and abilities within a reasonable on-the job training period

If there are multiple internal applicants in this circumstance whose overall candidacy is relatively equal, the candidate with the greater seniority will be offered the appointment.

Re: Wellness Spending Account

The parties agree that in order to assist in the enhancement of the health and wellness of employees, a Wellness Spending Account (WSA) shall be provided to eligible employees, defined as: all Regular employees (Full-Time and Part-Time) with an employment status of twenty (20) or more hours per week.

Effective on the date of ratification or July 1, 2023, whichever is later, each eligible employee shall be allocated an individual WSA account of \$300. This account shall be replenished to \$300 on January 1, 2025 and each anniversary thereafter.

The WSA will be subject to Canada Revenue Agency rules and requirements for taxable benefits.

Employees shall be permitted to use their WSA towards health & wellness initiatives, such as:

- Membership and/or admission to fitness facilities;
- Textbooks and/or related media on health and/or wellness related topics;
- Smoking cessation, weight loss or addictions programs;
- Classes/courses for health/wellness enhancement or for personal or professional development
- Fitness Instruction/ Personal Trainers
- Wellness Activities and Lessons (including, but not limited to Art classes, Music lessons, Pre-natal classes, language and sign language classes, etc.)
- Ski Passes, Parks Canada Passes, Passes for other outdoor activities

It is understood the WSA shall not be used for the purchase of physical items (such as fitness equipment). However, for physical items directly related to a health & wellness initiative otherwise approved, employees may on an exceptional basis make a special request for approval.

To promote employee wellness this benefit is to be used during the calendar year in which it is earned.

Employees must submit receipt(s) for purchases made within the applicable calendar year for approval of reimbursement, pursuant to the process to be established by the Employer. Reimbursement shall be processed on a quarterly basis.

If an employee has unused WSA funds when they leave the employ of Capilano University, that unused allowance is forfeited.

Re: Cost of Living Adjustment

Definitions

“General Wage Increase” or “GWI” means the overall general wage increase expressed as a percentage.

“Cost of Living Adjustment” or “COLA” means a percentage-based general wage increase adjustment provided in accordance with this LOU#15. COLA is an upward adjustment applied to and folded into all wage rates.

The “annualized average of BC CPI over twelve months” (AABC CPI) means the *Latest 12-month Average Index % Change* reported by BC Stats in March for British Columbia for the twelve months starting at the beginning of March in the preceding year and concluding at the end of the following February.

The “Latest 12-month Average Index”, as defined by BC Stats, is a 12-month moving average of the BC consumer price indexes of the most recent 12 months. This figure is calculated by averaging index levels over the applicable 12 months.

The *Latest 12-month Average Index % Change* is reported publicly by BC Stats in the monthly BC Stats *Consumer Price Index Highlights* report. The BC Stats *Consumer Price Index Highlights* report released in mid-March will contain the applicable figure for the 12-months concluding at the end of February. The percentage change reported by BC Stats that will form the basis for determining any COLA increase is calculated to one decimal point. For reference purposes only, the annualized average of BC CPI over twelve months from March 1, 2021 to February 28, 2022 was 3.4%.

COLA

The COLA will be applied as applicable to the GWI effective on the first pay period after April 1, 2023 and April 1, 2024. The COLA will be calculated by determining the difference between the AABC CPI and the annual general wage increase to the maximum COLA prescribed that year in Wage Schedule – Grids.

April 2023

If the 2023 AABC CPI exceeds the April 2023 GWI of 5.5%, then, on the first pay period after April 1, 2023 the April 2023 GWI will be adjusted upwards to reflect a COLA equal to the difference between the April 2023 GWI and the 2023 AABC CPI up to a maximum of 1.25%.

April 2024

If the 2024 AABC CPI exceeds the April 2024 GWI of 2.0%, then, on the first pay period after April 1, 2024 the April 2024 GWI will be adjusted upwards to reflect a COLA equal to the difference between the April 2024 GWI and the 2024 AABC CPI up to a maximum of 1.00%.
