- 14.5 An employee considered by the Employees' Association to be wrongfully or unjustly disciplined, suspended, or dismissed shall be entitled to recourse under Article 15, Grievance Procedure.

Article 15 Grievance Procedure & Arbitration

- 15.1 It is the intent of this Article to provide the parties with a procedure whereby differences and disputes as to the interpretation of any of the articles in this Agreement will be resolved without work stoppage.
- 15.2 A grievance is defined as any difference arising between the parties bound by this Agreement concerning the interpretation, application, operation, or any alleged violation of a provision of this Agreement, including any question as to whether any matter is arbitrable.
- 15.3 Every effort shall be made to resolve problems through informal channels before using the formal process. The affected employee must request a meeting with the appropriate supervisor in an attempt to discuss and resolve the issue before a grievance is initiated. Evidence of the use of this informal process shall be provided to the Union President and the Senior Human Resources Advisor.
- 15.4 All formal grievances filed on behalf of employees must be initiated by the Union.
- 15.5 Except where specifically provided by other provisions of this Agreement, all grievances will commence at Step One. Thereafter, the subsequent steps will be followed sequentially unless a grievance is resolved, withdrawn, or otherwise disposed of, or unless the parties otherwise specifically agree to handle a particular grievance in a different manner.

15.6 Step One

- 15.6.1 In the first step of the grievance procedure, the Shop Steward shall initiate a meeting, within ten (10) working days of the alleged violation, between the person who feels he/she has cause to grieve, and his/her immediate excluded supervisor. A decision shall be rendered within forty eight (48) hours.

A sincere effort shall be made to resolve the matter at this stage.

- 15.6.2 Step One will end in one of the following ways:
- the dispute is resolved between the Union and the appropriate supervisor,
 - the dispute is not resolved and the Union submits the grievance in writing to Step Two of the grievance procedure, or
 - the Union decides not to pursue the grievance any further.
- 15.6.3 In the event of a grievance involving the dismissal or suspension of an employee, Step One may be omitted, and the grievance will commence at

Step Two within ten (10) working days of the written notification to the employee of suspension or dismissal.

15.7 Step Two

- 15.7.1 Failing a satisfactory settlement at Step One, the Shop Steward will, within five (5) working days of the Step One decision, submit the alleged grievance in writing to the appropriate excluded supervisor, with a copy to the Senior Human Resources Advisor, identifying the Article, violation, and resolution sought. A decision is to be rendered in writing within ten (10) working days.

15.8 Step Three

- 15.8.1 Failing a satisfactory settlement at Step Two, the Union may initiate a meeting within five (5) working days of the Employer's Step Two response between the grievor, the Steward, and the Employer representatives. The Employer representatives must include the Senior Human Resources Advisor, and may include other senior administrators, excluded supervisors and/or Elders. A written decision is to be rendered by the Employer, within five (5) working days. The Union may also include at this meeting the FPSE representative.

15.9 Step Four (Mediation)

- 15.9.1 Failing a satisfactory settlement at Step Three, either party may notify the other party in writing within five (5) working days of the Employer's Step Three response, of its desire to submit the differences to mediation.
- 15.9.2 Within a further five (5) working days of the notice to proceed to mediation, the parties shall mutually agree upon an impartial mediator, or may request the appointment of a Settlement Officer by the Collective Agreement Arbitration Bureau.
- 15.9.3 The mediator shall begin proceedings within twenty-eight (28) days of being appointed.
- 15.9.4 The mediator shall endeavour to assist the parties to settle the grievance by mediation. The mediator shall not interpret the Collective Agreement, instruct the parties on action to take, or determine a decision on the alleged violation, unless the parties mutually agree to do so. The discussions in mediation are held "without prejudice" and cannot be disclosed.
- 15.9.5 If the parties are unable to settle the difference, either party may end mediation by written notice to the mediator and the other party.

- 15.9.6 Any expenses and compensation of the mediator shall be shared equally between the parties.

15.10 Step Five (Arbitration)

- 15.10.1 Failing satisfactory settlement at Step Four mediation, the grievance may be submitted within ten (10) days by either party to binding arbitration. The parties shall endeavour to agree on a sole arbitrator.
- 15.10.2 In the event that mutual agreement cannot be reached, either party may, upon five (5) working days written notice to the other party, request the Minister of Labour of the Province of British Columbia to appoint an arbitrator.
- 15.10.3 It is distinctly understood that an arbitrator is not vested with the power to change, modify, or alter any provisions of this Agreement. The arbitrator shall only have the authority to apply, or to determine compliance with, the provisions of this Agreement.
- 15.10.4 The decision arrived at by the arbitrator shall be final and binding on the parties.
- 15.10.5 Each party shall pay the expenses incurred in connection with preparation and presentation of its own case to the arbitrator. The parties shall share equally the expenses of the arbitrator.

15.11 Abandonment of Grievance

- 15.11.1 If an unresolved grievance is not advanced to the next stage within the specified time limits, the grievance shall be deemed to have been abandoned.

15.12 Policy Grievance

- 15.12.1 Should either the Employer or the Union have reason to grieve the actions of the other, or the provisions of this Collective Agreement, then they shall do so within 60 days of the alleged violation. The grievance shall be submitted as a Policy Grievance and the following initiating procedures shall be undertaken:

If the Union wishes to grieve then they will submit the grievance directly to the President, with a copy to the Senior Human Resources Advisor.

- If the Employer wishes to grieve then they will submit the grievance directly to the President of the Union, with a copy to the Chief Shop Steward.

15.12.2 The following process will apply:

- 15.12.2.1 A meeting with the parties concerned will occur within ten (10) working days of receipt of the grievance and a written response will be provided within a further ten (10) working days.
- 15.12.2.2 If the written response is not to the satisfaction of the aggrieved party, then the grievance may be advanced to Step Four (Mediation) or Step Five (Arbitration). Notice of intent to advance to arbitration will be in writing to the other party within fifteen (15) working days of the date of the written response.
- 15.12.2.3 Within a further thirty (30) working days of the notice to proceed to mediation or arbitration, the parties shall mutually agree upon a mediator or arbitrator, or may request the appointment of a Settlement Officer by the Collective Agreement Arbitration Bureau.
- 15.12.2.4 Each party shall pay the expenses incurred in connection with preparation and presentation of its own case to the arbitrator. The parties shall share equally the expenses of the arbitrator.

Employees wishing to apply for the vacancy shall submit a resume within the time period as described in the posting.

- 16.1.1 The job posting will contain the title for the position and a brief description of the duties, qualifications, skills, ability and experience required, as well as the salary. The posting will also indicate whether the position is continuing, or term, the resume review date, the expected start date, and any other pertinent information.
- 16.1.2 Qualified employees who are on a continuing appointment and who apply for a posted position may be granted an interview. The Employer will offer the position to the most suitable candidate so long as that person meets the qualifications required.

- 16.1.4 A posting is not required when:

1. An immediate need for a term employee is identified due to circumstances beyond the control of the Employer, and

- 16.2.4** Other representatives that may be invited to sit on the selection committee may include a senior administrator, and/or other employees who are familiar with the vacant position. An Elder may also sit on the selection committee as a non-voting participant. The selection process shall not be impeded as a result of the lack of availability of individuals on the selection committee.

- 16.2.5 All time involved in the selection process shall be without loss of pay. The Selection Committee shall interview applicants for the vacant position taking into consideration the qualifications and experience demanded by the advertisement. The Selection Committee shall make their recommendation to the President. The President, or the President's delegate, makes the final decision on whether to make a job offer. These decisions shall not be grieved by the Union. The Selection Committee shall ensure that all applications are treated in a fair and equitable manner.

Article 17 Probation

17.1 Probation Period

All employees appointed to a continuing position must satisfactorily complete a probationary period.

- 17.1.1 For faculty positions, both teaching and non teaching, the period will be the equivalent of working 12 months' full time. No faculty shall serve a probationary period greater than twenty four (24) calendar months.
- 17.1.2 The probationary period for support staff placed at Group 1, 2, or 3 on the support staff scale shall be the equivalent of full time work for six (6) months.

17.2 Probation Evaluation and Assessment

- 17.2.1 Employee performance shall be monitored during the course of the probation period. Employees may be terminated for unsuitability where the employee's performance has been measured against reasonable standards and the employee has been advised of these standards and the performance expectations.

- 17.2.2 Term employees may be subject to assessment during the course of their term and may be terminated if their performance is deemed unsuitable. Term employees' performance will be measured against the same standards of performance as continuing employees.

Article 18 Trial Periods

- 18.1 At any time during a continuing appointment, if there is cause for concern about an employee's performance as a result of unfavourable evaluation reports or other just cause, the employee may be placed on a trial period not exceeding six months for staff, and two teaching semesters for faculty.
- 18.2 At the time of notification of placement on a trial period, the Employer shall provide written notice to the employee of the performance issues, the length of the trial period, the trial period interim evaluation date (pursuant to Article 18.3) and identify performance expectations. As such, the employee and appropriate exempt supervisor shall develop a written plan of action outlining the steps needed to address the area(s) of concern and/or actions needed to remedy the situation. Such a plan must be in writing, signed by both the employee and Employer.
- 18.3 Half way through the trial period, the exempt supervisor shall conduct an evaluation with the employee to provide feedback on progress and an interim assessment.
- 18.4 Upon successful completion of the trial period, the employee shall return to a continuing appointment without term.
- 18.5 If the trial period is not completed successfully termination will occur as per Article 14, Discipline, Suspension, Dismissal. By mutual agreement between the employee and Employer, a second trial period (not exceeding the time allowed in the first trial period) is considered an appropriate alternative to termination.
- 18.6 There shall be no more than one (1) trial period in succession, except as provided for in 18.5 above.
- 18.7 There shall be no more than two (2) trial periods within any two (2) year period.

Article 19 Department Heads/Program Coordinators

- 19.1 The position of Department Head and Program Coordinator is defined as a faculty member who is given release time to perform departmental duties as defined by the Employer.
- 19.2 Department Head/Program Coordinator release will be posted and continuing faculty within the department may apply. An interview process with the Dean and department faculty will be held. The Department Head/Program Coordinator will be selected by mutual agreement between the department faculty and the Dean and shall serve at the pleasure of the Dean. The Employer has a preference for hiring and promoting suitably qualified Indigenous people into the position of Department Head/Program Coordinator. Where mutual agreement is not achieved, the Dean and department faculty may seek alternative Department Head/Program Coordinator representation within NVIT from continuing faculty. In the event that mutual agreement still cannot be achieved, the Employer reserves the right to assign the release.
- 19.3 Department Head/Program Coordinator release will normally be for a three (3) year term. Department Heads/Program Coordinator shall normally have no more than two (2) consecutive appointments. Upon expiry of the appointment, the Dean, together with the department, will engage in the process of selecting a new Department Head/Program Coordinator. Where possible, this process shall normally be completed by March 1 of the last year of the current Department Head/Program Coordinator's appointment to allow for a period of transition. The new Department Head/Program Coordinator will normally start on May 1.
- 19.4 Department Heads/Program Coordinators shall not receive additional compensation.
- 19.5 Faculty accepting an appointment as Department Head/Program Coordinator shall have up to a 50% release from their normal full time workload. This release may vary during the term of the appointment.

Article 20 Seniority

20.1 Continuing Employees

- 20.1.1 The seniority date for full time continuing employees will be established from their first day of hire as a continuing employee, commencing no earlier than May 22, 1998 and be calculated on the basis of completed years (12 months of full time). Part time continuing employees will be calculated pro rata. The seniority of continuing employees shall be based upon total duration of service within the bargaining unit, including vacations and approved paid leaves.

- 20.1.2 All full time continuing employees shall accrue seniority on the anniversary of their date of hire as a full time continuing employee. Part time continuing employees shall accrue seniority on the basis of number of months worked or equivalent at regular pay.
- 20.1.3 A continuing employee shall maintain and accrue seniority during absences due to occupational illness or accidents or injuries, provided that such an employee is receiving benefits from the Workers' Compensation Board as a result of such illnesses, accidents, or injuries.

20.2 Term Employees

- 20.2.1 Term employees shall accrue seniority as term employees for purposes of layoff and recall as described in Article 21.
- 20.2.2 Calculation of Seniority for Term Employees:
- 20.2.2.1 Term faculty employees accrue seniority based on the number of courses taught (not their section value).
- 20.2.2.2 Term staff employees and non teaching faculty accrue seniority based on the number of completed months worked at regular pay.
- 20.2.3 When a term employee is appointed to a continuing position, their seniority earned to date shall be lost, and they will begin to accrue seniority as a continuing employee from their date of appointment.
- Loss of seniority will occur as a result of any of the following:
- Voluntary resignation,
 - Termination,
 - Discharged for just and reasonable cause, and
 - Loss of recall rights as per Article 21, Layoff and Recall

20.3 Expertise in a Department/Program/Discipline

- 20.3.1 If it becomes necessary to reduce the number of continuing employees in one or more departments/disciplines/program areas, the principle of seniority will be one of the determining factors.
- 20.3.2 In the event a continuing employee in a department/discipline/ program has been identified for layoff, they may displace an employee with less seniority within their area of expertise providing the employee exercising the right has equal or greater qualifications to perform the work of the employee with less seniority. The employee must give written notice within

ten (10) working days of receipt of the layoff notice, of an intention to displace a specific employee with less seniority.

- 20.3.3 If an employee will be laid off, the Employer will notify the Union at least thirty (30) days prior to the date that notice in Article 21.5 must be given. The Employer may, at its sole discretion, choose to inform the employee during this time, but may not inform the employee before notification to the Union. The parties shall meet and consider all options, in an attempt to avoid the lay off. Some of those options may be, but shall not be limited to, cross functional area appointments.

At the same time as an employee is given layoff notice, an updated seniority list will be provided to the Union.

- 20.3.4 Notwithstanding the above, the Employer reserves the right to favour persons of Indigenous ancestry.
- 20.3.5 If employees change jobs either from a job within the bargaining unit to an excluded position, or from an excluded position to a job in the bargaining unit, their total accumulated seniority shall be maintained.

20.4 Seniority List

The Employer will maintain a seniority list and update it annually in January by posting on the bulletin board and emailing to the Union.

Article 21 Lay-Off

- 21.1 Layoff means an involuntary loss of employment that affects employees as a result of, but not limited to, decreased or insufficient enrolment, elimination of or a reduction of programs, courses, and activities, and/or a shortage of funds.
- 21.2 Where such event(s) occur, the Employer may consider it necessary to reduce the number of employees through layoff.
- 21.3 Given that the Employer maintains the right to favour persons of Indigenous ancestry, seniority is one of the deciding factors governing layoffs and recall after layoff.

21.4 Faculty Layoff

- 21.4.1 If it becomes necessary to reduce the number of faculty employees in one (1) or more departments/disciplines/program areas, the sequence of layoff within each of the functional areas shall be as follows:

- 1) Term and casual faculty employees (Non Indigenous) with less than or equal to six months' seniority.
- 2) Term and casual faculty employees (Indigenous) with less than or equal to six months' seniority.
- 3) Term and casual faculty employees (Non Indigenous) with more than six months' and less than two years' seniority.
- 4) Term and casual faculty employees (Indigenous) with more than six months' and less than two years' seniority.
- 5) Term and casual faculty employees (Indigenous and Non Indigenous) with two or more years' seniority based on seniority date.
- 6) Probationary continuing faculty employees.
- 7) Continuing faculty employees (Non Indigenous with less than or equal to six months' seniority).
- 8) Continuing faculty employees (Indigenous with less than or equal to six months' seniority).
- 9) Continuing faculty employees (Non Indigenous with more than six months' and less than two years' seniority).
- 10) Continuing faculty employees (Indigenous with more than six months' and less than two years' seniority).
- 11) Continuing faculty employees (Indigenous and Non Indigenous) with two or more year's seniority based on seniority date.

21.4.2 Any references or personnel records pertaining to a continuing faculty who has been laid off under the above Article shall clearly point out the reasons for the layoff.

21.5 Notice

In the event of layoff, a minimum of three (3) months' written notice shall be given to the continuing faculty employee. Term employees will be given two weeks notice or as dictated in their employment agreement.

21.6 Severance

21.6.1 In the event of a pending layoff, the Employer may negotiate a severance package with the employee.

21.6.2 In order to receive severance, the continuing faculty employee must not be employed in a different position within the Institute, and they must elect not to have their names placed on the recall list.

- 21.6.3 The amount of severance pay shall be calculated on the basis of the employee's normal rate of pay at the end of the layoff notice period and according to the number of completed years of service as follows:

<u>Service</u>	<u>Severance Pay</u>
1 year	2 weeks
2 years	4 weeks
3 years	6 weeks
4 years	8 weeks
5 years	10 weeks
6 years	12 weeks
7 years	14 weeks
8 years	16 weeks
9 years	18 weeks
10 years	20 weeks
11 years	22 weeks
12 years	24 weeks
13 years or more	26 weeks

- 21.6.4 If the employee elects to take severance pay, he or she thereby waives all other rights, claims or entitlements, and severs his or her relationship with the Employer.
- 21.6.5 Where layoffs are necessary in emergency circumstances, the advance notice provisions are not applicable. In such cases, continuing employees will receive payment in lieu of notice equal to the payment for the appropriate notice time. Payment in lieu of notice will be three months for those accepting the notice, or will be five days for those electing the severance option.

21.7 Faculty Recall

- 21.7.1 Faculty employees shall remain on the recall list for one (1) year from date of layoff. If the Employer determines that the number of continuing or term faculty employees will be increased in a specific department/discipline/program, it shall recall in the reverse order of layoff (i.e. last out, first back) to those employees who were previously employed in this area and who had been laid off within the previous year. If no one is available who meets the above conditions, a short-listing and interview opportunity will be provided to those employees who are fully qualified in this area and who had been laid off within the last year.
- 21.7.2 Employees are required to notify the Employer of their current address and telephone number to maintain their status on the recall list.

- 21.7.3 No new continuing or term employees shall be hired until employees on the recall list with the minimum qualifications have been given first right of refusal. Term employees are not entitled to be recalled to continuing positions.
- 21.7.4 Upon being notified of the anticipated vacancy, the recalled employee has fourteen (14) calendar days in which to accept the position. If the employee fails to notify the Senior Human Resources Advisor in writing within the fourteen days, the employee will have been deemed to have refused the offered position.

21.8 Staff Layoff

- 21.8.1 Staff employees shall receive notice of layoff or pay in lieu of notice, in accordance with the Employment Standards Act.
- 21.8.2 If it becomes necessary to reduce the number of staff employees, the sequence of layoff shall be as follows:
- 1) Term and casual employees (Non Indigenous) with less than or equal to six months' seniority.
 - 2) Term and casual employees (Indigenous) with less than or equal to six months' seniority.
 - 3) Term and casual employees (Non Indigenous) with more than six months' and less than two years' seniority.
 - 4) Term and casual employees (Indigenous) with more than six months' and less than two years' seniority.
 - 5) Term and casual employees (Indigenous and Non Indigenous) with two or more years' seniority based on seniority date.
 - 6) Probationary continuing employees.
 - 7) Continuing employees (Non Indigenous) with less than or equal to six months' seniority.
 - 8) Continuing employees (Indigenous) with less than or equal to six months' seniority.
 - 9) Continuing employees (Non Indigenous) with more than six months' and up to two years' seniority.
 - 10) Continuing employees (Indigenous) with more than six months' and up to two years' seniority.
 - 11) Continuing employees (Indigenous and Non Indigenous) with two or more years' seniority based on seniority date.

- 21.8.3 Any references or personnel records pertaining to a continuing staff employee who has been laid off under the above Article shall clearly point out the reasons for the layoff.

21.9 Staff Recall

- 21.9.1 Staff employees shall remain on the recall list for six months from date of layoff. Recall shall occur in reverse order of layoff, provided the employee has the minimum qualifications to perform the duties of the vacant position. Term employees are not entitled to be recalled to continuing positions.
- 21.9.2 Employees are required to notify the Employer of their current address and telephone number to maintain their status on the recall list.
- 21.9.3 Staff employees may refuse recall to work if given less than one week to report to work.
- 21.9.4 Upon being notified of an anticipated vacancy, the recalled employee will have 14 calendar days in which to accept the position. If the employee fails to notify the Senior Human Resources Advisor in writing within the fourteen days of being notified, the employee will have been deemed to have refused the offered position.

21.10 Registry of Laid Off Employees

This article is subject to the Employer's continued right to exercise a preference for hiring Indigenous employees.

21.10.1 Electronic Posting of Available Positions

On behalf of the Parties, the PSEA will maintain a system-wide electronic Registry of job postings and the necessary supporting database.

- (a) The Employer is encouraged to use the Registry for the posting of all available positions.

- (c) Length of Listing: An employee listed on the Registry may continue to be listed until the earlier of:
 - (i) recall or re-appointment to equivalent employment at the institution from which the person was laid off or was not re-appointed;

- (e) Employees Not Eligible

Employees are not eligible for listing on the Registry if they have:

 - (i) had their employment terminated for just and reasonable cause;
 - (ii) accepted early retirement, or
 - (iii) voluntarily resigned their employment.

21.10.3 Applying for Available Positions

- (a) It is the responsibility of employees listed on the Registry to enquire about and apply for available work as listed on the Electronic Posting of Available Positions.
- (b) Employees applying for a posted position in the manner prescribed by the posting institution must tell the institution at the time of application that they are a registrant on the Registry.

21.10.4 Rights for Registrants

(a) Entitlement for Interview

Registrants applying for job postings at institutions who meet the hiring criteria as set by the Selection Committee at the hiring institution will be short-listed and will be interviewed. In the event that more than five (5) qualified registrants apply, the institution shall interview the five (5) most qualified registrants.

The application of this language is subject to the provisions of the collective agreement in effect at the receiving institution.

(b) Entitlements for Successful Applicants

- (v) Recall and Repayment: An employee hired from the Registry who is recalled by an institution and returns to work at that institution will repay relocation costs received from the institution that hired them in accordance with its relocation policies and practices for the position for which the registrant was hired.

21.11 Targeted Labour Adjustment

21.11.1 Employer Commitments

It is agreed that the Employer will make every reasonable attempt to minimize the impact of funding shortfalls and reductions on the work force.

It is incumbent upon institutions to communicate effectively with their employees and the Unions representing those employees as soon as the impact of any funding reduction or shortfall or profile change has been assessed.

If a work force reduction is necessary, the Union-Management Committee will canvas employees in a targeted area or other areas over a fourteen (14) day period, or such longer time as the Union-Management Committee agrees, to find volunteer solutions that provide as many viable options as possible and minimize potential layoffs. Subject to any agreement that the Union-Management Committee may make to extend the period of a canvass, such canvasses shall take place either:

- prior to the issuance of lay-off notice to employees under the local agreement, or
- by no later than fourteen (14) calendar days following the annual deadline for notice of non-renewal or layoff where a local provision provides for such a deadline, whichever date is later.

The Union shall be provided with a copy of each final plan for employee labour adjustment.

21.11.2 Menu of Labour Adjustment Strategies

Where a work force reduction is necessary, the following labour adjustment strategies will be considered, as applicable.

21.11.2.1 Labour Adjustment Strategies: Workplace Organization

Subject to the institution's operational considerations, excluding the availability of funding, the following menu of work place organization labour adjustment strategies will be offered by institutions to minimize layoffs and at the appropriate time in the employee reduction process set out in the local provisions:

- (a) Job sharing.
- (b) Reduced hours of work through partial leaves.

- (c) Transfers to other areas within the bargaining unit subject to available work and to meeting qualifications, with minimal training required where such training can be scheduled within the employee's professional development and other non-instructional time.
- (d) Unpaid leaves of absence for use to seek alternate employment, retirement adjustment, retraining, etc.
- (e) Workload averaging that does not incur a net increase in compensation cost.

22.11.2.2 Labour Adjustment Strategies: Employee Transition

Subject to the institution's operational considerations, including the availability of funding, the following menu of employee transition labour adjustment strategies will be offered by institutions to minimize layoffs and at the appropriate time in the employee reduction process set out in the local provisions:

- (a) Paid leaves of absence for use to seek alternate employment, retirement adjustment, retraining, etc.
- (b) Severance with up to twelve (12) months' severance payment for an employee other than the employee(s) identified for layoff. Such severance shall be calculated by applying the local agreement severance provisions to the employee who is being offered severance. If the employee elects to take severance pay under this Article, they thereby waives all other rights, claims, or entitlements, and severs their relationship with the institution.
- (c) Workload averaging that does incur a net increase in compensation
- (d) Purchasing past pensionable service. If permissible the Employer will match a minimum of three (3) years' contributions to the College Pension Plan where an employee opts for early retirement.
- (e) Early retirement incentives pursuant to local collective agreements.
- (f) Retraining.

- (g) Continuation of health and welfare benefits.
- (h) Combination and variations of the above or other employee transition alternatives.

21.11.3 Layoffs May Occur

Once strategies other than layoff have been explored, the Employer may proceed, if need be, to layoffs pursuant to Article 21 of this collective agreement and the system-wide Electronic Registry of Laid off Employees will be available.

21.11.4 No Stacking of Entitlements

While various options may be considered and offered, there will be no stacking of entitlements.

21.12 Education Technology / Distributed Learning

21.12.2 In developing and offering distributed learning programs and courses, the employer will plan in collaboration with the department or functional area and the employee(s) who will develop and/or deliver the program or course. For the purposes of this Article, departments or functional areas are defined as the operational or administrative sub-division of an institution within which an employee is appointed and assigned workload and may include geographic limitations.

21.12.3 Subject to mutual agreement, the local parties may develop criteria for the determination of the appropriate release time for the development, delivery and revision of distributed learning programs or courses. To the extent that they contain provisions that address release time and workload for the development, delivery and revision of distributed learning programs or courses, local letters of understanding shall apply.

21.12.4 The employer will provide the necessary technological and human resources for employees assigned to develop and deliver the program and courses.

21.12.5 The employer will provide the necessary and appropriate training in the use of relevant educational technology for employees assigned to deliver distributed learning programs and courses.

Article 22 Workload/Hours of Work

22.1 Work Week

The work week for full time continuing support staff and non teaching faculty shall normally be five (5) seven-hour (7-hr) days, thirty-five (35) hours per week.

22.2 Meal Periods

Staff employees working greater than five hours and less than full time shall be entitled to a half-hour unpaid meal break. Staff employees working full time shall be entitled to a one hour unpaid meal break. If, as a result of an emergency, the employee is required to stay at his or her work station for the meal period, then the employee's work day shall be inclusive of that meal period.

22.3 Flexible Work Schedule

The Employer supports a flexible work schedule that minimizes the amount of overtime pay. Employees are encouraged to bank time at a 1:1 ratio in the rare circumstance where they may be asked to work above the normal work schedule.

22.4 Faculty Presence on Campus

The parties agree that the NVIT community is enhanced through the presence of and participation by full time instructional faculty. Hence, full time instructional faculty will be encouraged by the parties to maintain a significant presence on campus.

22.5 Overtime

All overtime must be authorized in advance by the Senior Human Resources Advisor, recorded on a time sheet, approved by the staff employee's immediate supervisor, and submitted to payroll. Overtime that is not approved through this process will not be honoured.

22.6 Overtime Rates

One and one-half times the regular rate for the first three hours in excess of seven hours in a day, or first seven hours in excess of 35 hours in a week.

Two times the regular rate for hours worked in excess of ten hours in a day or 42 hours in a week.

This overtime may be taken as pay or banked as time to be taken at a time mutually agreed to.

22.7 Instructional Faculty (Continuing and Term)

It is recognized that faculty responsibilities may vary with respect to daily and weekly hours of work, depending on the nature of the course, and student needs. The normal work load for continuing and term full time faculty shall be subject to the following, unless mutually agreed to by the employee and Employer:

- 22.7.1 The normal teaching duties assigned to a full time continuing or term instructor shall be eight (8) sections or equivalent, with no more than the equivalent of 6 preps per academic year. The Academic Year is defined as May 1st to April 30th for the purposes of this article. If that assignment cannot be provided to a full time continuing or term instructor, then the maximum assignment shall be 7 sections, with 7 preps, or equivalent per academic year.

Notwithstanding Article 22.7.8 Overload and the above, upon discussion with the relevant department the Employer may, with the employee's agreement, assign to the employee a workload of 8 sections and 7 preps or 8 sections and 8 preps during an Academic year. In recognition of a workload that exceeds the normal provisions of this Agreement, the employee will be paid the term rate.

- 22.7.2 In the case of an employee who has an assignment of 8 sections, an overload is not considered unless an employee works nine (9) sections or more.
- 22.7.3 In the case of an employee who has an assignment of 7 sections, as per 22.7.1 above, an overload is not considered unless an employee works eight (8) sections or more.

- 22.7.4 Instructional faculty shall not normally be required to have more than seven (7) class contact hours in any one (1) instructional day, and the length of the instructional day shall not normally exceed twelve (12) hours.
- 22.7.5 Class size is calculated whereas an instructor will not be assigned an average of more than one hundred thirty (130) students (registrants) per week in a lecture format averaged over the academic year. In the event the scheduled course is a non regular number of lecture hours per week, the calculation will be prorated. Notwithstanding, individual instructors have the option of allowing additional students into their class.
- 22.7.6 Faculty shall post and be available in their offices for student consultation, 1.5 hours per week per course, which is the equivalent of six (6) hours a week for a full time load. The hours shall be posted and maintained for the whole term.
- 22.7.7 In the event of a pending layoff of a continuing full time faculty member for whom a full workload is no longer available, the parties agree to meet to identify opportunities, including the scheduling of Community Education (CE) courses, to determine how the Employer will load that faculty member with CE sections in order to prevent layoff.

The parties agree that the utilization of CE work to prevent layoff is subject to:

- CE having a contractual arrangement to deliver courses, and
- the employee being qualified, and
- courses are scheduled to commence at least 30 days from notice of layoff.

The maximum number of non bargaining unit courses that can be utilized under this article is four (4) per academic year and will be subject to Article 22.10. No more than one half of an employee's workload can be loaded through this article. This article will not be applied when an entire program is no longer offered. Should the instructor refuse the appointment of CE courses, layoff will proceed as per Article 21.

22.7.8 Overload

- 22.7.8.1 If a member of the faculty responds to a posting by the Employer and is successful, the faculty member shall be paid the term rate. This overload may be taken as pay or banked as time to be taken at a time mutually agreed to.
- 22.7.8.2 A Continuing Employee who works an overload in a given year shall receive no less than either:

- a) The pro-rata salary for the overload based on the Provincial Salary Scale or the secondary scale on which the employee is placed; or,
- b) A reduction of workload in a subsequent year that is commensurate with the amount of the overload.

22.7.8.3 Sections assigned to a faculty member under this article will not normally exceed two (2) in an academic year.

22.7.9 Substitutions

22.7.9.1 The Employer may request a substitute for another faculty employee who is temporarily absent.

22.7.9.2 When such substitution takes place over a period of one (1) calendar week or more, the faculty member shall be compensated at their regular hourly rate for each scheduled contact hour.

22.8 Workload Modification

Upon the recommendation of the departments, and with the approval of the Dean, and subject to available resources, instructors may have a portion of their normal teaching load per semester reassigned to various tasks, including but not limited to, curriculum development, and teaching courses new to the NVIT curriculum. Such reassignments must be in writing and a copy must be provided to the Union and the Department Head.

Faculty employees are encouraged to apply for research grants. Faculty employees who receive research grants that are beneficial to the Employer may request release time to complete the funded work. The use of research grants to provide this release time will be determined in consultation with the employee, relevant Dean, and the Senior Human Resources Advisor. Subject to the Employer's operational requirements this release time shall not be unreasonably withheld. Release time will be funded at replacement cost which will normally include salary, benefits and cost of recruitment of the individual who is carrying out the duties of the individual replaced.

Grants that are awarded directly to NVIT will be administered by the Employer.

22.9 Faculty Duties

In addition to instructional duties, a teaching faculty employee's duties may include, but are not necessarily limited to, the following:

Taking into consideration requests from faculty, the needs of the Employer, the Dean will consider qualifications and ability, seniority, and the opportunities for recruitment, prior to determining the teaching assignments. The decision of the Dean is final, and is not subject to the grievance procedure. Human Resources will normally issue teaching assignment letters to continuing faculty by May 15th of each year.

The Parties are committed to providing a working and learning environment that allows for full and free participation of all members of the institutional community. Harassment undermines these objectives and violates the fundamental rights, personal dignity and integrity of individuals or groups of individuals. Harassment is a serious offence that may be cause for disciplinary sanctions including, where appropriate, dismissal or expulsion.

The Employer has a responsibility under the *BC's Human Rights Code* to prevent harassment and to provide procedures to handle complaints, to resolve problems and to remedy situations where harassment occurs.

The Employer will offer educational and training programs designed to prevent harassment and to support the administration of the institutional policies and to ensure that all members of the institutional community are aware of their responsibility with respect to the policy. The Parties agree that attendance is required and will take place during compensated work time.

27.3 Definitions

- 27.3.1 Harassment is a form of discrimination that adversely affects the recipient on one or more of the prohibited grounds under the *BC Human Rights Code* [R.S.B.C. 1996 c.210].

Harassment as defined above is behaviour or the effect of behaviour, whether direct or indirect, which meets one of the following conditions:

- (a) is abusive or demeaning;
- (b) would be viewed by a reasonable person experiencing the behaviour or effect of the behaviour, as an interference with her/his participation in an institutional related activity;
- (c) creates a poisoned environment.

As of this date, the grounds protected against discrimination by *BC's Human Rights Code* [R.S.B.C. 1996 c.210] are age, race, colour, ancestry, place of origin, political belief, religion, marital status, family status, physical or mental disability, sex, sexual orientation and, in the case of employment, unrelated criminal convictions race, colour, ancestry, place of origin, political belief, religion, marital status, family status, physical or mental disability, sex, sexual orientation, gender identity or expression, or age of that person or because that person has been convicted of a criminal or summary conviction offence that is unrelated to the employment or to the intended employment of that person.

- 27.3.2 Sexual Harassment is behaviour of a sexual nature by a person who knows or ought reasonably to know that the behaviour is unwanted or unwelcome; and
- (a) which interferes with another person's participation in an institution related activity; or
 - (b) leads to or implies employment, or academically-related consequences for the person harassed; or
 - (c) which creates a poisoned environment.

27.4 Procedures

27.4.1 Local Informal Processes

The Parties agree that where mutually agreeable, they may first attempt to use policies or processes to resolve complaints of harassment and sexual harassment prior to accessing the following procedures in Article 27.4.3 Mediation and 27.4.4 Investigation.

27.4.2 Right to Legal Counsel

The Union is the exclusive bargaining agent for the bargaining unit employee and as such has the exclusive right to represent the employee in all matters pertaining to their terms and conditions of employment, including matters that may lead to discipline by the Employer. An individual

bargaining unit employee has no right to be represented by legal counsel during an Article 27 investigation involving an allegation of harassment.

27.4.3 Mediation

When a complaint is received by the Employer involving an individual covered by this collective agreement, whether as a complainant or respondent, the Parties will initiate a mediation procedure. The mediation process is the recommended avenue of resolution.

Consensual mediation will require the agreement of the complainant and the respondent to use the following process:

- (a) the local Parties will discuss the nature of the complaint and agree upon who will conduct the mediation;
- (b) the mediation process and resolution will be kept strictly confidential by all participants;
- (c) where a resolution is reached, the complainant and the respondent must agree in writing to the resolution and the matter will then be considered concluded;
- (d) no record of the mediation except the written agreed resolution will be placed on an employee's file. The written resolution will be removed from the employee's file after twelve (12) months unless there has been a subsequent complaint of harassment against the employee within the twelve (12) month period.

27.4.4 Investigation

Where either the complainant or respondent does not agree to mediation, or no resolution is reached during the mediation, the complaint will be referred to an investigator selected from a list of investigators agreed upon by the local Parties.

An investigator will be appointed within ten (10) working days of referral.

The referral should, where possible, include a written statement from the complainant and the respondent which succinctly outlines the issue(s) in dispute. The referral should be assembled by the Institution and forwarded to the Investigator with a copy sent to the Union.

The appointment of an investigator does not preclude an investigator from mediating the dispute where possible up to the time of submission of the Investigator's report to the local Parties pursuant to Article 27.4.5 (a) below.

Any complaint of harassment will be kept confidential except as is necessary to investigate and resolve the issue. Investigators will stress the confidentiality of the investigation with the person(s) interviewed.

27.4.5 Terms of Reference of the Investigator

- (a) The purpose of the investigator will be to ascertain facts.

- (b) All persons quoted in the investigation will be named by code determined by the Investigator to preserve confidentiality.
- (c) The report of the Investigator will be given, in confidence, to the Union(s) and the Employer. It is the responsibility of the Employer to forward a copy of the report to the complainant and the respondent. The Employer will state, in a covering letter, that the report is confidential. The report should refer to individuals involved by code only. However, a reference key will be provided to the Employer and the Union(s) for internal use. This practice should be repeated at any subsequent arbitral proceeding.
- (d) The report will not be introduced as evidence or have standing in any arbitration, or other legal procedure. This does not preclude the Parties from reaching an Agreed Statement of Fact based upon facts in the report in preparation for an arbitral proceeding.
- (e) Reliance on Report of Third-Party Investigator

Despite 27.4.3 (d), the Employer is entitled to rely on the fact of mediation or the report of a third party investigator as evidence that may mitigate liability in a proceeding that follows receipt of the third party investigator's report.

The Employer is entitled to rely on the investigator's report as evidence that it acted in good faith in any disciplinary action that it undertook following receipt of the third-party investigator's report where the issue of good faith is raised by a grievor or the Union.
- (f) The investigator will not be compellable as a witness in any arbitration or other legal procedure which may result from the investigation.
- (g) The investigator will conclude her/his work within twenty (20) days of appointment and will render a report within a further ten (10) days. These timelines may be extended if deemed appropriate by the Parties. If requested by the investigator, the Employer will provide meeting space and contact information about persons to be interviewed.
- (h) The investigator may, as part of her/his report, make recommendations for resolution of the complaint.
- (i) The investigator's report will not be placed on an employee's file.

27.5 Findings

- 27.5.1 The Employer will make a written determination based upon the facts and recommendation, if any, within ten (10) working days of the receipt of the Investigator's report. If necessary, this timeline may be extended by mutual agreement between the local Parties.
- 27.5.2 The determination will:
 - (a) state the action(s), if any, to be taken or required by the Employer;
 - (b) include, where appropriate, a statement of exoneration.

27.6 Rights of the Parties

Should a complainant file a complaint under the provisions of the *Human Rights Code*, it is understood that the *Human Rights Code* complaint will be set aside until such time as the procedures under this Article have been completed.

Where an allegation includes both complaints under the *Human Rights Code* and a personal harassment complaint, the local Parties may agree to have the Investigator investigate all of the complaints, in order to relieve against expense and duality of process.

27.6.1 The above noted procedure does not restrict:

- (a) The Employer's right to take disciplinary action;
- (b) The Union's right to grieve such disciplinary action or to grieve an alleged violation of this Article.

27.6.2 The report of the investigator may be used in the development of an Agreed Statement of Fact for an arbitral proceeding.

27.7 False Complaints, Breaches of Confidentiality and Retaliatory Action

Frivolous, vexatious or malicious complaints of harassment or breaches of the confidentiality provisions of this clause or retaliation in respect of a complaint may result in discipline.

Should retaliation be alleged following the filing of a complaint, an Investigator may deal with that allegation and make a finding.

27.8 Local Discussion

The Parties will meet as necessary to facilitate the administration and other aspects of the application of this Article. The Parties may refer any differences over the administration or application of this Article to an arbitrator for resolution.

Article 28 Personal Harassment

28.1 For the purposes of this Article, personal harassment includes:

- physical threat, intimidation, or assault,

28.3 Employees are encouraged to process complaints using traditional Indigenous methods of conflict resolution. Alternatively, an employee may follow the process

of mediation and/or investigation as set out in Article 27.4.3 and 27.4.4 excluding the option of proceeding to third party arbitration.

- 28.4 Where a person who is the subject of the complaint is the management representative at any step of the grievance procedure then the Union will present the grievance to the President, or in the case of the subject being the President, a nominee of the Board Chair.

WHEREAS THE PARTIES TO THIS COLLECTIVE AGREEMENT:

Agree on the value and benefit of Indigenizing this collective agreement and, NVIT; and
Recognize the mutual value of ongoing joint discussions in a culturally safe environment through an Indigenization focussed committee; and,

Agree on the need to identify and explore ongoing opportunities to advance Indigenization at NVIT; and

Agree to establish a Joint Committee to begin the work of Indigenizing this collective agreement and NVIT.

PURPOSE

Develop recommendations to advance Indigenization of this Collective Agreement and at NVIT.

MANDATE

In recognition that the participants on the joint committee will bring with them their own unique perspective, experience and expertise, the Parties anticipate that the Joint Committee will establish its own Terms of Reference.

COMPOSITION

The intention of the Parties is to ensure that the joint committee is open, inclusive and transparent welcoming participation from Elders, employees, learners, board members, local chiefs and members of the broader NVIT community.

The co-chairs of the current NVIT Indigenization Committee will be invited to actively participate in the Joint Committee.

Notwithstanding the above, the core of the Joint Committee shall comprise three (3) representatives appointed by the Employer and three (3) representatives appointed by the Union. Ideally, a minimum of one (1) of the representatives of the Union and a minimum of one (1) representative of the Employer will have been members of their respective negotiating committees.

The committee will be Employer-Union co-chaired with the Union co-chair chosen by the Union representatives and the Employer co-chair chosen by the Employer representatives.

MEETINGS

The Joint Committee will meet at its discretion but no less than once per quarter, or more frequently at the request of the co-chairs. The first meeting of the committee will be held within six (6) weeks of ratification of the tentative settlement.

To allow for broad participation, meetings will be held during work hours.

RECOMMENDATIONS

Recommendations must be submitted to the Parties – ie. Employer and Union, no later than January 4, 2022 or a date that is mutually agreed upon by the core representatives.

With the understanding that the Indigenization of the collective agreement is in the best interests of both Parties, recommendations from the Joint Committee accepted by both Parties will be included in the Employer's and Union's set of bargaining proposals for the renewal of the 2019-2022 collective agreement.

The Joint Committee does not have the authority to bind the Employer or Union to any recommendations.

PRACTICAL INITIATIVES

The Parties agree that to the extent possible, an Indigenization lens will be applied to their interactions.

Appendix 4 – Dental Plan

The nine (9) month limitation applies to 1) polishing, 2) the application of fluoride, and 3) the recall itself. The nine (9) month limitation does not apply to scaling; any current scaling limits in dental contracts apply.

The process for an individual faculty employee to have his/her teeth cleaned more frequently than every nine (9) months as provided by Article 9.2.1 (d) is as follows:

- Faculty employee visits dentist as usual
- Dentist advises that the faculty employee has gum disease or other dental problem which requires cleaning more frequently than every nine (9) months
- Dentist fills in the usual claim form, but in addition notes that the faculty employee has gum disease or specifies the other dental problem that requires more frequent cleaning
- Faculty employee or dentist submits the form to the Insurance Carrier as normal
- The Insurance Carrier determines if the reasons set out by the dentist fit within the approved reasons under the dental plan for having teeth cleaned more frequently than every nine (9) months

The Employer's approval of the more frequent cleaning is not required.
