

Annual Report

2024

JANUARY – DECEMBER 2024

Championing the business interests of 716 members through collaboration and the development of strategic partnerships to maximize membership value and promote member businesses and community through organizational excellence.

A LETTER FROM THE PRESIDENT

David Key, President & CEO

Greater Sedona Chamber of Commerce & Tourism Bureau

Dear members,

I am incredibly honored to introduce myself as the new President & CEO of the Greater Sedona Chamber of Commerce & Tourism Bureau. First and foremost, I'd like to say thank you to the Board of Directors for the time and effort they put into their search and selection process. Stepping into this role is both a privilege and an exciting opportunity to build on the remarkable work our board, staff and members have accomplished over the years.

With a deep passion for entrepreneurship and workforce development, I am committed to working alongside our talented team, dedicated board and valued partners to continue to drive our mission forward. I believe our work

can improve the economic prosperity of the business owners and residents of Sedona, the Village of Oak Creek and the Verde Valley. I look forward to creating internship and mentorship opportunities for the youth, distributing tools and resources to fuel the growth of our local businesses and creating innovative solutions to address some of our greatest challenges.

As I step into this new chapter, my focus will be listening and learning from you—our members. I am here to advocate for our community, amplify your voice and ensure your needs are known at the city, county and state level. The value of our Greater Sedona Chamber of Commerce is not transactional; it's transformational. At the end of the day, the true value is not what we can give you—it's about what we can create together.

We look forward to supporting your continued success and we hope you join us in building the future.

Sincerely,

David Key

2025 BOARD OF DIRECTORS

Thank You for Your Leadership and Commitment to Sedona!

FINANCES AT A GLANCE

The Chamber demonstrated solid financial performance, generating \$1.52 million in revenue against \$1.54 million in expenses. Revenue growth was driven by increased membership dues, expanded website advertising income, and enhanced support from the Greater Sedona Business Improvement District. In a continued strategic partnership, the City of Sedona and the Chamber maintained their 80/20 cost-sharing arrangement for the Visitor Center operations.

Official Visitor Center

The GSCC&TB's official Visitor Center serves potential visitors, current visitors already in Sedona and residents. The Visitor Center staff and volunteers serve as destination experts—greeting guests and offering insights into Sedona's depth and breadth of amenities to ensure a memorable visit—and to encourage increased spending and length of stay.

The role of the Visitor Center is vital to helping manage the footprint of Sedona's 3 million-plus visitors per year and strives to provide the best visitor experience to ensure that visitors spend more time and dollars in our community while leaving minimal environmental impacts.

GREATER SEDONA CHAMBER OF COMMERCE

In the Community, For the Community

Since 1949, the Greater Sedona Chamber has served as the catalyst for sustainable prosperity in our red rock community. Through strategic advocacy and innovative partnerships, we nurture a business environment that balances economic vitality with environmental stewardship. Our network of over 716 local businesses and entrepreneurs powers the authentic experiences that define Sedona, creating opportunities for everyone who calls this extraordinary place home.

2024 STRATEGIC PRIORITIES

Unify the Voice of Local Business
Ensure Chamber Financial Stability
Boosting Our Community and Your Business

Nonprofit Leadership Roundtable

CHAMBER PARTNER SERVICES

The Greater Sedona Chamber empowers our member businesses and their workforce through strategic professional development, high-impact networking events and targeted promotional campaigns. We advocate for policies that protect our environment while strengthening our economy, ensuring Sedona remains a world-class destination and an exceptional place to do business. Through regional partnerships and collaborative initiatives, we amplify the voice of our business community and enhance quality of life throughout the Sedona Verde Valley area.

A KEY 2024 ACCOMPLISHMENT

Announcing the Launch of the Greater Sedona Business Improvement District

Establishment & Purpose

In 2024, we established the Greater Sedona Business Improvement District (GSBID), a collaborative effort among local businesses to enhance economic vitality and visitor experience in the Sedona area. As the managing organization, we oversee the collection and strategic deployment of GSBID funds for services that individual businesses couldn't efficiently provide independently.

How the GSBID Works

The GSBID operates through special assessments paid by member businesses, creating a dedicated funding stream that represents a significant portion of Chamber revenue reinvested directly into the district. We oversee budgets and operations for clear, transparent management.

Services & Impact

The GSBID focuses primarily on collective marketing and promotion for member businesses, designed to increase visitor awareness, extend stays, and drive customer traffic. Services include coordinated advertising campaigns, enhanced visitor information, district-wide promotional events, and business development support.

Financial Value

Through economies of scale and coordinated efforts, the GSBID delivers marketing reach and impact unattainable for individual businesses. Members receive comprehensive destination marketing, increased visitor traffic, and strengthened positioning in the competitive tourism marketplace.
