

This year, we are highlighting the theme “**Growing From the Ground Up!**” – recognizing that the strength of the Grange begins in our local communities, where members come together to serve, lead, and make a difference.

Throughout April, we invite Grangers everywhere to participate in **#GroundUp Monday**. Each Monday, we will share a prompt encouraging members, Granges, and leaders to tell their story and highlight the work happening in their communities.

From community service and agriculture to youth leadership and partnerships, the Grange continues to grow stronger because of the work happening at the local level.

The images below will be posted at 9am EDT on our social media (Facebook & LinkedIn) with the prompt beside it. Granges and Grange members are encouraged to share their answers in the comments or by sharing the post to their own pages.

Image	Prompt
	<p>What is your Grange doing this month to serve the people in your community?</p>

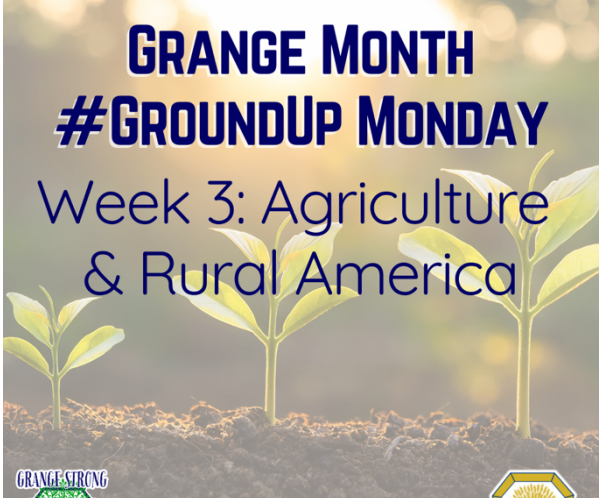

GRANGE MONTH
#GROUNDUP MONDAY
Week 2: Leadership

GRANGE-STRONG

**GROWING FROM THE
GROUND UP**

How is your Grange helping to grow leadership or welcome new members this month?
