Rockport & Fulton are located along the Texas Tropical Trail and are a significant stop along the Great Texas Coastal Birding Trail. Noted as an artists' colony, the twin communities are nestled among the wind swept oaks of the Live Oak Peninsula and are home to over 20,000 acres of wild wetlands and secluded bays. Rockport is home to Texas' first Blue Wave Beach and the sparkling waters of the Gulf of Mexico are just minutes away. Mild temperatures year 'round range from an average mid 60s October through March and from the mid 70s to 90s during the summer.

Rockport Beach Voted #1 in the state of Texas by USA Today readers, this beach proudly flies the "Blue Wave" Flag, signifying it as nationally certified by the Washington D.C. Clean Beaches Council. Two beachfront indoor climate-controlled pavilions for special events, covered picnic cabanas, each with a BBQ grill; beach playground areas; two sand volleyball courts; four public boat launches; a fish cleaning stand; a bath-house; a walking trail; a bird sanctuary; an 800' fishing pier; and plenty of boating and fishing space. 361-729-6661
