Your Guide to

2026 EVENTS & OPPORTUNITIES

Membership
Drive

Events, Programs and Networking Tools
to consider for industry advantages

Where would you like to take your membership in 2026?

Who is your target audience: Remodelers, Custom Home Builders, Consumers? Would you like to attend formal events such as the Inaugural Holiday Banquet, City Official Luncheon, Industry Trade Show and Build My Future OKC? Do you prefer the more casual networking events such as a Golf Tournament, Casino Night or Pickleball? Consider this Event & Marketing Guide as an outline of how to add value to your membership and generate recognition for your company in front of your industry peers.

Our organization provides members an abundance of affordable opportunities for professional development and recognition. The COHBA Event & Opportunity Guide highlights the majority of events produced by your association throughout the course of the year.

All opportunities featured are accompanied by descriptions to give you a better idea of what the event/publication/seminar is all about. Each opportunity not only includes an investment amount, but also the recognition you can expect in return.

Getting the most from your membership also means getting involved. We invite you to consider joining a Committee or Council that will lead you to the important step of building relationships and potential leadership positions at local, state and national levels.

We hope that you look to 2026 with as much anticipation as we do. If you have questions regarding an opportunity published in this guide, please contact us at (405) 843-1508.
