The California Fuels & Convenience Alliance is the collective voice of the fuels and convenience industry. The hardworking business owners that represent CFCA are the cornerstone of every community, our state's transportation, and our neighborhoods' fuel and food needs.

Day At The Capitol

CFCA's Day At The Capitol provides our members the opportunity to meet with California's lawmakers and discuss the issues affecting their businesses, while educating them on our industry. Every year, the state legislature brings forward myriad issues that directly impact the fuels and convenience industry. While CFCA's government relations team represents our industry in discussing these issues, our members make a dramatic impact, as the individuals behind the businesses. This personalization is vital to our lobbying efforts and allows our member to meet their elected officials in a facilitated setting to help lawmakers understand the impacts their laws will have. Each year, members from across the state travel to Sacramento for this event dedicated to meetings with lawmakers and their offices. This annual meeting plays a vital role in CFCA's government relations efforts.

CA Energy Symposium

The CA Energy Symposium is a two-day event bringing together leaders from diverse industries that shape California's economy. This pivotal gathering offers a platform for meaningful discussions with California representatives and senators, focusing on critical issues such as working to protect jobs, fuel access, and economic resilience.

CFCA Summit

Formerly the Pacific Fuels and Convenience Summit (PFCS), the CFCA Summit is the state's largest fuels and convenience conference, bringing hundreds of businesses from across the country to California for an engaging, comprehensive, three-day event offering multiple network opportunities with businesses across our industry. This event provides access to exclusive educational sessions led by business professionals and industry experts, and an opportunity to meet with vendors from fueling infrastructure providers, major product distributors, and convenience storefront providers. With over 1,500 attendees annually, representing hundreds of businesses, opportunities for brand meetings and hospitalities, CFCA Summit is California's largest collaborative working environment with business-strengthening benefits for the petroleum and convenience store industry.

Webinars

CFCA's Webinar Series offers our members an exclusive opportunity to hear from industry leaders and experts on the latest issues facing their businesses. These events are free for all CFCA members and held monthly covering a wide array of topics and issues. With the help of CFCA's preferred vendors and trusted subject matter experts, we have helped members navigate complex employment and human resources regulations, provided guidance on insurance and retirement services, offered special opportunities to learn about alternative fuels, such as hydrogen, biofuels, and even educated our members on electric vehicle charging. If it impacts our industry, there is an opportunity for a CFCA webinar. These opportunities to present to our membership are only available to CFCA members and partners.

CIOMA Memorial Scholarship Fund

Originally established with contributions made by industry friends in memory of Ron Ahlport, Fred Bertetta Sr., and Jim Divine, the CIOMA Memorial Scholarship Fund provides financial assistance to help children and employees of CFCA members further their education and professional development.

The CIOMA Memorial Scholarship Fund provides scholarship awards to deserving students attending college or vocational programs at any accredited postsecondary institution. It is publicly supported by generous contributions from CFCA members, their communities, and those who share an interest or affiliation with the fuel distributor and convenience store industries.

How Retargeting Works

Key Benefits

- **Brand-Safe Network:**
Access over 50,000 trusted websites.
- **Increased Engagement:**
Studies show users who see a marketer’s display ad are 84% more likely to engage with the brand.
- **Targeted ROI:**
Tailor your messaging to reach only qualified, high-intent audiences, maximizing the effectiveness of every dollar spent.

Advertising Options

- **Site Retargeting:** Target members and prospects who have already visited CFCA’s website.
- **Search Retargeting:** Engage audiences based on specific search activity across the web.
- **Contextual Targeting:** Reach audiences based on relevant keywords and categories viewed on web pages.
- **Addressable Geo-Fencing:** Target specific business or household addresses.
- **Event Targeting:** Engage event-goers and prospects with dynamic retargeting.
- **Audience Segmentation:** Tap into demographic and psychographic traits for precise targeting.
