

LEADERSHIP RANCHO CORDOVA CLASS XIX PRESENTS

ROOTED IN COMMUNITY

BENEFITTING THE RANCHO CORDOVA FOOD LOCKER COMMUNITY FOOD HUB

ABOUT THE PROJECT

Rooted in Community is an initiative and class project presented by **Leadership Rancho Cordova Class XIX**, benefitting the **Rancho Cordova Food Locker Community Food Hub**.

Through this initiative, Leadership Rancho Cordova Class XIX will initiate Phase I of the Community Food Hub's community garden, laying the groundwork for future growth. Phase I includes the **installation of irrigation and the planting of 6 semi-dwarf fruit trees**, establishing a welcoming and sustainable orchard space that symbolizes growth, nourishment, and long-term community investment.

This foundational orchard will enhance the Community Food Hub's environment, provide fresh fruit, and serve as a lasting reminder of what can flourish when the community comes together.

ABOUT THE RANCHO CORDOVA FOOD LOCKER COMMUNITY FOOD HUB

Established in 1987, the Rancho Cordova Food Locker (RCFL) has provided emergency food assistance to families, seniors, and individuals in our community for decades. Through food distribution and community partnerships, the Community Food Hub provides essential nourishment while fostering dignity, stability, and hope.

As the need has grown, so has the vision. The Rancho Cordova Community Food Hub, the first of its kind in our area, is redefining food distribution as an experience built on dignity, respect, and empowerment. Guests will have the ability to shop in a grocery store-style marketplace, selecting fresh produce and staples that meet their household needs and cultural preferences.

Through food distribution, community partnerships, and supportive services, the Rancho Cordova Food Locker Community Food Hub provides essential nourishment while fostering dignity, stability, and hope.
