INVEST IN YOUR EMPLOYEES

# BANCF APPRENTICESHIP PROGRAM

Building a skilled workforce today is the key to your business's success tomorrow. That's why the Builders Association of North Central Florida (BANCf) proudly sponsors the BANCf Apprenticeship Program. Our program helps trade businesses recruit, train, and retain skilled workers across various trades through an innovative, employer-driven, "earn as you learn" model. Apprentices receive on-the-job training paired with classroom instruction, allowing them to earn wages while mastering essential trade skills. This approach not only prepares your business for future growth but also boosts your bottom line.

## BENEFITS OF APPRENTICESHIP

- Attracting and retaining employees
- Developing highly skilled employees
- Reducing turnover
- Higher productivity
- Diverse workforce
- Positive impact on your bottom line

## TRADES WE OFFER:

**ELECTRICAL**

**HEATING &  
AIR CONDITIONING**

**PLUMBING**

**CARPENTRY**

**BUILDING  
MAINTENANCE**

# READY TO START?

## Here is what you need to know:

### PROGRAM INFORMATION:

#### QUALIFICATIONS:

Apprentices must be at least 18 years of age and work for a BANCf member who is a participating employer in the program.

#### CURRICULUM:

The curriculum for HVAC, plumbing, and carpentry trades is the National Center for Construction Education & Research (NCCER), Mike Holt Enterprises for the electrical trade, and Home Builders Institute (HBI) for Building Maintenance.

#### ON-THE-JOB TRAINING AND CLASSROOM INSTRUCTION:

Electrical, HVAC, and plumbing is 4 years, and the apprentices receive 8,000 hours of on-the-job training and 600 hours of in-class instruction. For carpentry and building maintenance, the program is 2 years with 4,000 hours on-the-job training and 300 hours of in-class instruction. All classes are held at Santa Fe College two nights a week during the fall and spring semesters.

### TO PARTICIPATE

#### BANCf MEMBERSHIP:

You must be a member of BANCf and remain one for the entirety of the apprentice's enrollment in the program. The starting price for an annual membership is \$775.

#### COST:

The tuition per apprentice is \$400 per school year and must be paid by the employer. The only costs that an Apprentice can incur are the required textbooks. This is mandated by the State of Florida.

#### REGISTRATION FOR PROGRAM:

Registration is held once a year from June 1st through July 26th. This is for both new and returning apprentices.
