## Plans for 2026

In 2026, we plan to have Designed Gardens again place and maintain flowerpots on Main Street during the Summer season. The Chamber is funding and managing public restroom maintenance in North Conway Village. We are planning another Santa visit. A design committee is looking to bring improved Christmas lighting and decorations to the Village. We are evaluating/evolving the New Year's promotion and fireworks. A fundraising campaign to bring year-round flags to village utility poles has been discussed. We will be reaching out for additional feedback and collaboration. All MWV Chamber Members who pay NCVA dues will be featured in a special North Conway Village directory in the new VisitMWV.com
