19 2. Notwithstanding any inconsistent provision of law to the contrary,
20 a school district setting aside such foundation aid pursuant to this
21 section may use such set-aside funds for: (a) any instructional or
22 instructional support costs associated with the operation of a magnet
23 school; or (b) any instructional or instructional support costs associ-
24 ated with implementation of an alternative approach to promote diversity
25 and/or enhancement of the instructional program and raising of standards
26 in elementary and secondary schools of school districts having substan-
27 tial concentrations of minority students.

28 3. The commissioner of education shall not be authorized to withhold
29 foundation aid from a school district that used such funds in accordance
30 with this paragraph, notwithstanding any inconsistency with a request
31 for proposals issued by such commissioner for the purpose of attendance
32 improvement and dropout prevention for the 2026--2027 school year, and
33 for any city school district in a city having a population of more than
34 one million, the set-aside for attendance improvement and dropout
35 prevention shall equal the amount set aside in the base year. For the
36 2026--2027 school year, it is further provided that any city school
37 district in a city having a population of more than one million shall
38 allocate at least one-third of any increase from base year levels in
39 funds set aside pursuant to the requirements of this section to communi-
40 ty-based organizations. Any increase required pursuant to this section
41 to community-based organizations must be in addition to allocations
42 provided to community-based organizations in the base year.

43 4. For the purpose of teacher support for the 2026--2027 school year:
44 for the city school district of the city of New York, sixty-two million

46 school district, one million seven hundred forty-one thousand dollars
47 (\$1,741,000); for the Rochester city school district, one million seven-
48 ty-six thousand dollars (\$1,076,000); for the Yonkers city school
49 district, one million one hundred forty-seven thousand dollars
50 (\$1,147,000); and for the Syracuse city school district, eight hundred
51 nine thousand dollars (\$809,000). All funds made available to a school
52 district pursuant to this section shall be distributed among teachers
53 including prekindergarten teachers and teachers of adult vocational and
54 academic subjects in accordance with this section and shall be in addi-
55 tion to salaries heretofore or hereafter negotiated or made available;
56 provided, however, that all funds distributed pursuant to this section

1 for the current year shall be deemed to incorporate all funds distrib-
2 uted pursuant to former subdivision 27 of section 3602 of the education
3 law for prior years. In school districts where the teachers are repres-
4 ented by certified or recognized employee organizations, all salary
5 increases funded pursuant to this section shall be determined by sepa-
6 rate collective negotiations conducted pursuant to the provisions and
7 procedures of article 14 of the civil service law, notwithstanding the
8 existence of a negotiated agreement between a school district and a
9 certified or recognized employee organization.

10 § 25. Support of public libraries. The moneys appropriated for the
11 support of public libraries by a chapter of the laws of 2026 enacting
12 the aid to localities budget shall be apportioned for the 2026--2027
13 state fiscal year in accordance with the provisions of sections 271,
14 272, 273, 282, 284, and 285 of the education law as amended by the
15 provisions of such chapter and the provisions of this section, provided
16 that library construction aid pursuant to section 273-a of the education
17 law shall not be payable from the appropriations for the support of
18 public libraries and provided further that no library, library system or
19 program, as defined by the commissioner of education, shall receive less
20 total system or program aid than it received for the year 2025--2026
21 except as a result of a reduction adjustment necessary to conform to the
22 appropriations for support of public libraries.

23 Notwithstanding any other provision of law to the contrary, the moneys
24 appropriated for the support of public libraries for the year 2026--2027
25 by a chapter of the laws of 2026 enacting the aid to localities budget
26 shall fulfill the state's obligation to provide such aid and, pursuant
27 to a plan developed by the commissioner of education and approved by the
28 director of the budget, the aid payable to libraries and library systems
29 pursuant to such appropriations shall be reduced proportionately to
30 assure that the total amount of aid payable does not exceed the total
31 appropriations for such purpose.

32 § 26. Severability. The provisions of this act shall be severable, and
33 if the application of any clause, sentence, paragraph, subdivision,
34 section or part of this act to any person or circumstance shall be
35 adjudged by any court of competent jurisdiction to be invalid, such
36 judgment shall not necessarily affect, impair or invalidate the applica-
37 tion of any such clause, sentence, paragraph, subdivision, section, or
38 part of this act or remainder thereof, as the case may be, to any other
39 person or circumstance, but shall be confined in its operation to the
40 clause, sentence, paragraph, subdivision, section or part thereof
41 directly involved in the controversy in which such judgment shall have
42 been rendered.

43 § 27. This act shall take effect immediately and shall be deemed to
44 have been in full force and effect on and after April 1, 2026; provided,
45 however, that:

46 1. Sections one, two, four, five, six, seven, eight, nine, twenty and
47 twenty-four of this act shall take effect July 1, 2026;

48 2. The amendments to chapter 756 of the laws of 1992 made by sections
49 fourteen and fifteen of this act shall not affect the repeal of such
50 chapter and shall be deemed repealed therewith;

51 3. The amendments to subdivision 14 of section 3641 of the education
52 law made by sections seventeen and eighteen of this act shall not affect
53 the expiration of such subdivision and shall be deemed to expire there-
54 with.

1 Section 1. Subdivision 3 of section 711 of the education law, as
2 amended by section 7 of part B of chapter 57 of the laws of 2007, is
3 amended to read as follows:

4 3. No school district shall be required to purchase or otherwise
5 acquire school library materials, the cost of which shall exceed an
6 amount equal to the library materials factor multiplied by the sum of
7 the public school district enrollment and the nonpublic school enroll-
8 ment in the base year as defined in subparagraphs two and three of para-
9 graph n of subdivision one of section thirty-six hundred two of this
10 chapter. For aid payable in the nineteen hundred ninety-eight--nineteen
11 hundred ninety-nine school year, the library materials factor shall be
12 four dollars. For aid payable in the two thousand seven--two thousand
13 eight school year [and thereafter] through the two thousand twenty-five-
14 -two thousand twenty-six school year, the library materials factor shall
15 be six dollars and twenty-five cents. For aid payable in the two thou-
16 sand twenty-six--two thousand twenty-seven school year and thereafter,
17 the library materials factor shall be eleven dollars and thirty-three
18 cents.

19 § 2. Subdivision 1 of section 3622-a of the education law, as added by
20 chapter 474 of the laws of 1996, is amended to read as follows:

21 1. Transportation of pupils to and from school once daily, including
22 children attending a universal pre-kindergarten program pursuant to
23 section thirty-six hundred two-e of this article, provided, however, in
24 no case shall there be any deduction made in determining aidable regular
25 transportation on the basis of bus mileage travelled in transporting
26 children as part of a regional or joint transportation system;

27 § 3. Paragraph a of subdivision 1 of section 3635 of the education
28 law, as amended by section 11 of part A of chapter 97 of the laws of
29 2011, is amended to read as follows:

30 a. Sufficient transportation facilities (including the operation and
31 maintenance of motor vehicles) shall be provided by the school district
32 for all the children residing within the school district to and from the
33 school they legally attend, who are in need of such transportation
34 because of the remoteness of the school to the child or for the
35 promotion of the best interest of such children. Such transportation
36 shall be provided for all children attending grades kindergarten through
37 eight who live more than two miles from the school which they legally
38 attend and for all children attending grades nine through twelve who
39 live more than three miles from the school which they legally attend and
40 shall be provided for each such child up to a distance of fifteen miles,
41 the distances in each case being measured by the nearest available route
42 from home to school. Such transportation may be provided to children
43 attending a universal pre-kindergarten program pursuant to section thir-
44 ty-six hundred two-e of this article. The cost of providing such trans-
45 portation between two or three miles, as the case may be, and fifteen
46 miles shall be considered for the purposes of this chapter to be a
47 charge upon the district and an ordinary contingent expense of the
48 district. Transportation for a lesser distance than two miles in the
49 case of children attending a universal pre-kindergarten program pursuant
50 to section thirty-six hundred two-e of this article or grades kindergar-
51 ten through eight or three miles in the case of children attending
52 grades nine through twelve and for a greater distance than fifteen miles
53 may be provided by the district with the approval of the qualified
54 voters, and, if provided, shall be offered equally to all children in
55 like circumstances residing in the district; provided, however, that

1 this requirement shall not apply to transportation offered pursuant to
2 section thirty-six hundred thirty-five-b of this article.

3 § 4. Paragraph e of subdivision 1 of section 3635 of the education
4 law, as amended by chapter 665 the laws of 1990, is amended to read as
5 follows:

6 e. In lieu of the transportation provided pursuant to the foregoing
7 provisions of this subdivision, a board of education may, at its
8 discretion, provide transportation to any child attending a universal
9 pre-kindergarten program pursuant to section thirty-six hundred two-e of
10 this article or grades kindergarten through eight between the school
11 such child legally attends and before-and/or-after-school child care
12 locations. For the purposes of this subdivision, a before-and/or-after-
13 school child care location shall mean a place, other than the child's
14 home, where care for less than twenty-four hours a day is provided on a
15 regular basis for a child who attends school within the school district,
16 provided that such place is situated within the school district. This
17 definition includes, but is not limited to, a variety of child care
18 services such as day care centers, family day care homes and in-home
19 care by non-relatives. Such transportation may be provided for children
20 attending a universal pre-kindergarten program pursuant to section thir-
21 ty-six hundred two-e of this article or grades kindergarten through
22 eight where the distance between the school they legally attend and
23 before-and/or-after-school child care locations is more than two miles,
24 and may be provided for up to a distance of fifteen miles, the distance
25 in each case being measured by the nearest available route from before-
26 and/or-after-school child care locations to the school they legally
27 attend, except that transportation for a lesser distance than two miles
28 or a greater distance than fifteen miles may be provided if transporta-
29 tion for such distances is provided to students between home and school.
30 Where a child receives transportation from a before-school child care
31 location to the school [he or she] such child legally attends, such
32 child shall be entitled to receive transportation from the school [he or
33 she] such child legally attends to [his or her] such child's home or to
34 an after-school child care location in accordance with this subdivision.
35 Where a child receives transportation from the school [he or she] such
36 child legally attends to an after-school child care location, such child
37 shall be entitled to receive transportation from home to the school [he
38 or she] such child legally attends in accordance with this subdivision.
39 Transportation may be provided to any child attending a universal pre-
40 kindergarten program pursuant to section thirty-six hundred two-e of
41 this article or grades kindergarten through eight between the school the
42 child legally attends and before-and/or-after-school child care
43 locations upon written request of the parent or legal guardian submitted
44 not later than the first day of April preceding the next school year,
45 provided, however, a parent or guardian of a child not residing in the
46 district on such date shall submit a written request within thirty days
47 after establishing residence in the district and provided further that
48 in order to be considered eligible for such transportation in the nine-
49 teen hundred eighty-seven--eighty-eight school year, such request must
50 be submitted by August first, nineteen hundred eighty-seven. The
51 provision of transportation to or from before-and/or-after-school child
52 care locations, if provided, shall be offered equally to all children in
53 like circumstances residing in the district, provided that a board of
54 education furnishing transportation pursuant to this paragraph may limit
55 the provision of such transportation to child care locations located
56 within the attendance zone of the school the child attends, and to child

1 day care centers and school age child care programs licensed or regis-
2 tered pursuant to section three hundred ninety of the social services
3 law located anywhere within the school district. The cost of providing
4 such transportation between two or three miles, as the case may be, and
5 fifteen miles shall be considered for the purposes of this chapter to be
6 a charge upon the district. Such substitute transportation expense shall
7 be eligible for state aid in accordance with [clause] subparagraph one
8 of paragraph b of subdivision seven of section thirty-six hundred two of
9 this [chapter] article. Nothing in this subdivision shall be construed
10 to impose a duty upon boards of education to provide transportation to
11 or from before-and/or-after-school child care locations. Nothing in this
12 subdivision shall be construed to authorize boards of education to
13 provide to any child transportation between a before-and/or-after-school
14 day care location and that child's home.

15 § 5. Paragraph g of subdivision 1 of section 3635 of the education law
16 is REPEALED.

17 § 6. Subdivision 2 of section 3635-b of the education law, as amended
18 by chapter 422 of the laws of 2004, is amended to read as follows:

19 2. A board of education or board of trustees is authorized to adopt a
20 resolution providing for pupil transportation in child safety zones,
21 where applicable, of a proposition to expend money for such transporta-
22 tion presented pursuant to the provisions of subdivision nineteen of
23 section two thousand twenty-one and section two thousand twenty-two of
24 this chapter. Such transportation may be provided without regard to like
25 circumstances based solely upon the fact that the pupil resides within
26 two miles, in the case of a pupil in a universal pre-kindergarten
27 program pursuant to section thirty-six hundred two-e of this article or
28 grade kindergarten through eight, and within three miles, in the case of
29 a pupil in grade nine through twelve, from the school such pupil legally
30 attends, notwithstanding the provisions of section thirty-six hundred
31 thirty-five of this [article] part. Such transportation may be provided
32 upon the determination by the board that a hazardous zone exists which
33 in the opinion of the board would be reasonably alleviated by the estab-
34 lishment of a child safety zone. For purposes of this section, child
35 safety zone means a designated area of a school district, including at
36 least one personal residence, within which children who reside at a
37 lesser distance from the school they legally attend than the minimum
38 transportation limit of the district will be provided transportation on
39 the basis that their most direct walking route to school will traverse a
40 hazardous zone.

41 § 7. Paragraph a of subdivision 3 of section 3623-a of the education
42 law, as added by chapter 474 of the laws of 1996, is amended to read as
43 follows:

44 a. The transportation operating expense for any school district
45 furnishing transportation for pupils attending a school within such
46 district shall be reduced by any moneys received for transportation,
47 provided that universal pre-kindergarten program grants awarded pursuant
48 to section thirty-six hundred two-e of this article shall not be consid-
49 ered moneys received for transportation.

50 § 8. Subdivision 1 of section 3602 of the education law is amended by
51 adding a new paragraph kk to read as follows:

52 kk. "Homeless and foster count" shall mean the product of twelve
53 hundredths (0.12) multiplied by the sum of the three-year average of
54 students experiencing homelessness plus the product of the three-year
55 average of foster students, where:

1 (1) "students experiencing homelessness" shall be equal to the undu-
2 plicated count of students who lack a fixed, regular, and adequate
3 nighttime residence, including a student who is sharing the housing of
4 other persons due to a loss of housing, economic hardship, or similar
5 reason; living in motels, hotels, trailer parks or camping grounds due
6 to the lack of alternative adequate accommodations; abandoned in hospi-
7 tals; or a migratory child, as defined by the commissioner, who quali-
8 fies as homeless under any of the above provisions; or has a primary
9 nighttime location that is a supervised publicly or privately operated
10 shelter designed to provide temporary living accommodations including,
11 but not limited to, shelters operated or approved by the state or local
12 department of social services, and residential programs for runaway and
13 homeless youth established pursuant to article nineteen-H of the execu-
14 tive law or a public or private place not designed for, or ordinarily
15 used as, a regular sleeping accommodation for human beings, including a
16 car, park, public space, abandoned building, substandard housing, bus,
17 train station, or similar setting. Homeless students does not include
18 children in foster care placements or who are receiving educational
19 services pursuant to subdivision four, five, six, six-a, or seven of
20 section thirty-two hundred two of this chapter or pursuant to article
21 eighty-one, eighty-five, eighty-seven or eighty-eight of this chapter;

22 (2) the "three-year average of students experiencing homelessness"
23 shall be equal to the quotient of (i) the unduplicated count of students
24 experiencing homelessness for the school year prior to the base year,
25 plus such number for the school year two years prior to the base year,
26 plus such number for the school year three years prior to the base year,
27 divided by (ii) three, rounded to the nearest whole number;

28 (3) "foster students" shall be equal to the unduplicated count of
29 students in twenty-four-hour substitute care for children placed away
30 from their parents and for whom the agency under title IV-E of the
31 Social Security Act has placement and care responsibility. This shall
32 include, but is not limited to, placements in foster family homes,
33 foster homes of relatives, group homes, emergency shelters, residential
34 facilities, child care institutions, and pre-adoptive homes. A child is
35 in foster care in accordance with this definition regardless of whether
36 or not the foster care facility is licensed and payments are made by the
37 state, tribal, or local agency for the care of the child, whether
38 adoption subsidy payments are being made prior to the finalization of an
39 adoption, or whether there is federal matching of any payments that are
40 made; and

41 (4) the "three-year average of foster students" shall be equal to the
42 quotient of (i) the unduplicated count of foster students for the school
43 year prior to the base year, plus such number for the school year two
44 years prior to the base year, plus such number for the school year three
45 years prior to the base year, divided by (ii) three, rounded to the
46 nearest whole number.

47 § 9. Paragraph s of subdivision 1 of section 3602 of the education
48 law, as amended by section 4-a of part A of chapter 56 of the laws of
49 2025, is amended to read as follows:

50 s. "Extraordinary needs count" shall mean the sum of (i) the product
51 of the English language learner count multiplied by the ELL weight,
52 [plus,] (ii) the poverty count [and], (iii) the homeless and foster
53 count, plus (iv) the sparsity count, provided that the 'ELL weight'
54 shall be five tenths (0.50) for the two thousand twenty-four--two thou-
55 sand twenty-five school year and prior, [and shall be equal to] fifty-
56 three hundredths (0.53) in the two thousand twenty-five--two thousand

1 twenty-six school year, and six tenths (0.6) in the two thousand twen-
2 ty-six--two thousand twenty-seven school year and thereafter.

3 § 10. Subparagraph 2 of paragraph g of subdivision 3 of section 3602
4 of the education law, as amended by section 8 of part A of chapter 56 of
5 the laws of 2025, is amended to read as follows:

6 (2) a value computed by subtracting from one the product obtained by
7 multiplying the combined wealth ratio by sixty-four hundredths (0.64)
8 through the two thousand twenty-five--two thousand twenty-six school
9 year and for the two thousand twenty-six--two thousand twenty-seven
10 school year and thereafter, a value computed by subtracting from one the
11 product obtained when multiplying the combined wealth ratio by fifty-six
12 hundredths (0.56), provided however, that for the purpose of computing
13 the state sharing ratio for total foundation aid, the tier two value
14 shall be computed by subtracting from one the product obtained when
15 multiplying the combined wealth ratio by six hundred sixteen thousandths
16 (0.616) and such values shall be computed using the combined wealth
17 ratio for total foundation aid in place of the combined wealth ratio; or

18 § 11. Subparagraph 4 of paragraph g of subdivision 3 of section 3602
19 of the education law, as amended by section 13 of part B of chapter 57
20 of the laws of 2008, is amended to read as follows:

21 (4) a value computed by subtracting from fifty-one hundredths the
22 product obtained by multiplying the combined wealth ratio by twenty-two
23 hundredths, and, for an apportionment for pupil transportation pursuant
24 to subdivision seven of this section, high need school districts, as
25 determined pursuant to clause (c) of subparagraph two of paragraph c of
26 subdivision six of this section for the school aid computer listing
27 produced by the commissioner in support of the enacted budget for the
28 two thousand seven--two thousand eight school year and entitled
29 "SA0708", such values shall be multiplied by one hundred ten percent;
30 provided, however, that for the purpose of computing the state sharing
31 ratio for total foundation aid, the tier four value shall be computed by
32 subtracting from fifty-one hundredths the product obtained by multiply-
33 ing the combined wealth ratio by one hundred seventy-three thousandths
34 and such values shall be computed using the combined wealth ratio for
35 total foundation aid in place of the combined wealth ratio, and, for
36 high need school districts, as determined pursuant to clause (c) of
37 subparagraph two of paragraph c of subdivision six of this section for
38 the school aid computer listing produced by the commissioner in support
39 of the enacted budget for the two thousand seven--two thousand eight

49 inhabitants, and/or the chancellor in a city school district in a city
50 having a population of one million or more, on or after July first, two
51 thousand, any school district shall compute aid under the provisions of
52 this subdivision using the sum of the high-need supplemental building
53 aid ratio, if any, computed pursuant to clause (c) of this subparagraph
54 and the greater of (i) the building aid ratio computed for use in the
55 current year; or (ii) a building aid ratio equal to the difference of
56 the aid ratio that was used or that would have been used to compute an

1 apportionment pursuant to this subdivision in the nineteen hundred nine-
2 ty-nine--two thousand school year as such aid ratio is computed by the
3 commissioner based on data on file with the department on or before July
4 first of the third school year following the school year in which aid is
5 first payable, less one-tenth; or (iii) for all such school building
6 projects approved by the voters of the school district or by the board
7 of education of a city school district in a city with more than one
8 hundred twenty-five thousand inhabitants, and/or the chancellor in a
9 city school district in a city having a population of one million or

15 in a city with more than one hundred twenty-five thousand inhabitants,
16 and/or the chancellor in a city school district in a city having a popu-

18 ratio is less than eighty-five hundredths in such school year, and for
19 all such school building projects approved by the voters of the school
20 district or by the board of education of a city school district in a
21 city with more than one hundred twenty-five thousand inhabitants, and/or
22 the chancellor in a city school district in a city having a population
23 of one million or more, on or after July first, two thousand five and on
24 or before June thirtieth, two thousand eight, for any school district
25 for which the pupil wealth ratio was greater than two and five-tenths in
26 the two thousand--two thousand one school year and for which the alter-
27 nate pupil wealth ratio was less than eighty-five hundredths in the two
28 thousand--two thousand one school year or for a city school district in
29 a city with more than one hundred twenty-five thousand inhabitants as of
30 the two thousand twenty federal decennial census, the additional build-
31 ing aid ratio; provided that, school districts who are eligible for aid
32 under paragraph f of subdivision fourteen of this section may compute
33 aid under the provisions of this subdivision using the difference of the

46 city having a population of one million or more, on or after July first,
47 two thousand five, high need school districts, as defined pursuant to
48 regulations of the commissioner, may compute aid under the provisions of
49 this subdivision using the high-need supplemental building aid ratio,
50 which shall be the lesser of (A) the product, computed to three decimals
51 without rounding, of the greater of the building aid ratios computed
52 pursuant to subclauses i, ii and iii of clause (b) of this subparagraph
53 multiplied by five percent through the two thousand twenty-five--two
54 thousand twenty-six school year and ten percent for aid payable in the
55 two thousand twenty-six--two thousand twenty-seven school year and ther-
56 eafter, or (B) the positive remainder of ninety-eight one-hundredths

36 program plan and the reason adjustments were made;

37 (iii) how the school district or charter school maintained consistent
38 access for participating students to non-core academic instruction;

24 851 of the laws of 1983 and subdivision 3 as amended by chapter 83 of
25 the laws of 1995, is amended to read as follows:

26 § 97-v. New York state [musical instrument revolving] music grant
27 fund. 1. There is hereby established in the custody of the state comp-
28 troller and the commissioner of taxation and finance, a special fund to
29 be known as the "New York state [musical instrument revolving] music
30 grant fund".

31 2. The fund shall consist of all monies appropriated for its purpose,
32 all monies transferred to such fund pursuant to law and all monies
33 required by the provisions of this section or any other law to be paid
34 into or credited to this fund, including all monies received by the fund

37 hundred thousand dollars. Monies in the fund shall be kept separate and
38 shall not be commingled with any other monies otherwise appropriated or
39 received except as hereby provided.

40 3. Monies of the fund, when allocated, shall be available to the New

48 ments and other related property and equipment, which have been approved
49 pursuant to guidelines established by the council. Such monies shall
50 also be available for administrative costs of the council pursuant to
51 approval by the director of the budget. [Notwithstanding any other
52 inconsistent provisions of this chapter, should the council determine
53 that there is a compelling need for the loan, lease or purchase of prop-
54 erty or equipment other than musical instruments by not-for-profit

1 symphony orchestras and/or other not-for-profit musical entities incor-
2 porated in the state and organized for the purpose of the presentation
3 of performing arts for the benefit of the public, and upon approval of
4 the director of the budget, the council may assist such organization in
5 acquiring such equipment in accordance with guidelines established by
6 the council. The council shall contract with one or more not-for-profit
7 entities which shall distribute such monies, however, in no case shall
8 monies of the fund be distributed nor shall a contract to distribute
9 such monies be approved unless the fund shall have sufficient monies to
10 effectuate all such approved distributions and contracts.

12 shall not be approved or effected if such purchases, leases or loans are
13 eligible for financing from any other state assistance program.] For
14 purposes of this section, "schools" shall mean public school districts
15 and boards of cooperative educational services.

16 4. [The state council on the arts shall establish guidelines necessary
17 to administer the fund. Guidelines shall include, but not be limited to:
18 qualifications and conditions for assistance, which may require public
19 service performances, terms of lease or installment sale payments and
20 finance charges on installment sales at rates of interest which,

22 per cent per annum nor more than ten per cent per annum, provisions for
23 insurance of the instrument or other equipment, provisions for necessary
24 security agreement arrangements, and any other terms and conditions the

39 the council. All contracts must be approved by the state council on the
40 arts and the comptroller prior to the distribution of any monies there-
41 under. Such contracts shall assure that the not-for-profit entity or
42 entities retain title to the instrument or equipment until the
43 provisions and intent of this section are satisfied.

44 6. Notwithstanding any other provisions of law, should a default in
45 payment of monies for the purchase or lease of an instrument or other
46 equipment occur, the council shall so notify the comptroller and the
47 attorney general who shall take such steps as may be necessary. The
48 not-for-profit entity or entities, after such notification is made,
49 shall take steps to effect repossession regardless of whether any note,
50 memorandum, instrument or other writing has been recorded or regardless
51 of whether any other person has notice of such possessory rights to the
52 instrument or equipment. Any contract between the not-for-profit agency
53 or agencies and a not-for-profit symphony orchestra or other musical
54 entity authorized by this article, shall assure the right and provide
55 guarantees for such repossession. Subsequent to the taking of possession
56 of the instrument or equipment, the comptroller or not-for-profit agency

1 or agencies may offer the same for sale at public auction to the highest
2 bidder pursuant to guidelines established by the comptroller.

3 7. The comptroller is authorized to deduct the difference between the
4 purchaser's or lessee's outstanding obligation at the time of the
5 auction provided for in subdivision five of this section, and the amount
6 realized from that auction, after deductions for all necessary and prop-
7 er costs of the auction are made, from any other grant or other assist-
8 ance approved by the council on the arts for that purchaser. The differ-
9 ence deducted by the comptroller and the net amount realized from the
10 auction shall be deposited in the New York state musical instrument
11 revolving fund.

12 8.] Nothing contained herein shall prevent the council from receiving
13 grants, gifts or bequests for the purposes of the fund as defined in
14 this section and depositing them into the fund according to law.

15 [9. The state council on the arts shall provide by September first of
16 each year, to the governor, the temporary president of the senate, the
17 speaker of the assembly, the chairman of the senate finance committee
18 and the chairman of the assembly ways and means committee, a report
19 containing guidelines and amendments established by the state council on
20 the arts and a complete financial statement including, but not limited
21 to, monies allocated, collected, transferred or otherwise paid or cred-
22 ited to the fund. A projected schedule of disbursements, receipts and
23 needs of the fund for the next fiscal year shall be included in each
24 report. In addition, any amendments to the guidelines shall be provided
25 to the above listed individuals within thirty days of their establish-
26 ment by the state council on the arts.

27 10.] 6. No monies shall be payable from this fund, except on the audit

48 agency shall issue not more than three checklists per application. An
49 application for a certificate of eligibility and reasonable cost shall
50 be denied when the local housing agency does not have a sufficient basis
51 to issue a certificate of eligibility and reasonable cost after the
52 timely response of an applicant to the third checklist concerning such
53 application. After the local housing agency has denied an application
54 for the reason described in the preceding sentence, such agency shall
55 permit no further applications for the same eligible construction.

25 regulating rents, or any state or local law relating to harassment of
26 tenants or unlawful eviction, to have, within the five years prior to
27 the completion date, harassed or unlawfully evicted tenants, until and
28 unless the finding is reversed on appeal.

29 (C) Notwithstanding the provisions of any general, special, or local
30 law to the contrary, the corporation counsel or other legal represen-
31 tative of a city having a population of one million or more or the
32 district attorney of any county located in a city with a population of
33 one million or more, may institute an action or proceeding in any court
34 of competent jurisdiction that may be appropriate or necessary to deter-

46 applicant to remediate such violations and may impose a penalty in an
47 amount set forth in rules, regulations, and guidance documents if the
48 applicant fails to clear the violation.

49 (e) Additional requirements for an eligible rental building other than
50 one owned and operated by a limited-profit housing company. In addition
51 to all other conditions of eligibility for rehabilitation program bene-
52 fits set forth in this subdivision, an eligible rental building, other
53 than one owned and operated by a limited-profit housing company, shall
54 also comply with all provisions of this paragraph. Notwithstanding the
55 foregoing, an eligible rental building that is the recipient of substan-

2 provisions of subparagraph two of this paragraph.

3 (1) Notwithstanding any provision of rent regulation to the contrary,
4 any market rental unit within such eligible rental building subject to
5 rent regulation as of the filing date of the application for a certifi-

7 within such eligible rental building shall be subject to rent regulation
8 until such unit first becomes vacant after the expiration of the
9 restriction period at which time such unit, unless it would be subject
10 to rent regulation for reasons other than the provisions of this subdi-

14 (2) Additional requirements for an eligible rental building that is
15 not a recipient of substantial governmental assistance.

16 (A) Not less than fifty percent of the dwelling units in such eligible
17 rental building shall be designated as affordable rental units.

18 (B) The owner of such eligible rental building shall ensure that no
19 affordable rental unit is held off the market for a period that is long-

21 (C) The owner of such eligible rental building shall waive the
22 collection of any major capital improvement rent increase granted by the
23 New York state division of housing and community renewal pursuant to
24 rent regulation that is attributable to eligible construction for which
25 such eligible rental building receives rehabilitation program benefits,
26 and shall file a declaration with the New York state division of housing
27 and community renewal providing such waiver. The local housing agency
28 shall not require an owner to file such waiver until the application for
29 rehabilitation program benefits has been approved.

30 (D) An affordable rental unit shall not be rented on a temporary,
31 transient or short-term basis. Every lease and renewal thereof for an
32 affordable rental unit shall be for a term of one or two years, at the

56 contained in such eligible rental building; and

1 (D) terminate or revoke any rehabilitation program benefits in accord-
2 ance with paragraph (p) of this subdivision.

3 (f) Compliance with applicable law. Rehabilitation program benefits
4 shall not be allowed for any eligible building unless and until such
5 eligible building complies with all applicable provisions of law. Reha-
6 bilitation program benefits shall not be allowed if the local housing
7 agency determines that eligible construction was not carried out in
8 conformity with all applicable provisions of law.

9 (g) Tenant notification. Notwithstanding any provision of this section
10 to the contrary, no rehabilitation program benefits shall be granted for
11 any eligible construction with a commencement date on or after the

32 (4) Provides proof of the notice required under paragraph (g) of this
33 subdivision. Such form shall be filed prior to the commencement date. If
34 the scope of such work or the estimated cost thereof changes materially,
35 such applicant shall file a revised notice of intent. An applicant who
36 fails to comply with the requirements of this subdivision shall be
37 subject to a penalty not to exceed one hundred percent of the filing fee
38 otherwise payable pursuant to subparagraph three of paragraph (d) of
39 this subdivision.

40 (i) Implementation of rehabilitation program benefits. Upon issuance
41 of a certificate of eligibility and reasonable cost and payment of
42 outstanding fees, the local housing agency shall be authorized to trans-

2 real property tax assessment; or

3 (2) real estate taxes or water and sewer charges due at any time
4 during the authorized term of such benefits remain unpaid for one year
5 after the same are due and payable.

6 (k) Additional limitations on eligibility. (1) Rehabilitation program
7 benefits shall not be allowed for any eligible building receiving tax
8 exemption or abatement concurrently for rehabilitation or new
9 construction under any other provision of state or local law or ordi-
10 nance, including any other subdivision of this section, with the excep-
11 tion of any eligible construction to an eligible building receiving a
12 tax exemption or abatement under the provisions of the private housing
13 finance law;

14 (2) Rehabilitation program benefits shall not be allowed for any item

30 (1) Re-inspection penalty. If the local housing agency cannot verify
31 the eligible construction claimed by an applicant upon the first
32 inspection by the local housing agency of the eligible building, such
33 applicant shall be required to pay ten times the actual cost of any
34 additional inspection needed to verify such eligible construction.

35 (m) Strict liability for inaccurate applications. If the local housing
36 agency determines that an application for a certificate of eligibility
37 and reasonable cost contains a material misstatement of fact or omission
38 of fact, the local housing agency may reject such application and bar
39 the submission of any other application pursuant to this subdivision
40 with respect to such eligible building for a period not to exceed three
41 years. An applicant shall not be relieved from liability under this
42 paragraph because it submitted its application under a mistaken belief
43 of fact. Furthermore, any person or entity that files more than six
44 applications containing such a material misstatement of fact or omission
45 of fact within any twelve-month period shall be barred from submitting
46 any new application for rehabilitation program benefits on behalf of any
47 eligible building for a period not to exceed five years.

48 (n) False statements. Any person who shall knowingly and willfully
49 make any false statement or omission as to any material matter in any
50 application for a certificate of eligibility and reasonable cost shall
51 be guilty of an offense punishable by a fine of not more than five
52 hundred dollars, or imprisonment for not more than ninety days, or both.

53 (o) Investigatory authority. The local housing agency may require such
54 certifications and consents necessary to access records, including other
55 tax records, as may be deemed appropriate to enforce the eligibility
56 requirements of this subdivision. For purposes of determining and certi-

1 fyng eligibility for rehabilitation program benefits and the reasonable
2 cost of any eligible construction, the local housing agency shall be
3 authorized to:

4 (1) administer oaths to and take the testimony of any person, includ-
5 ing, but not limited to, the owner of such eligible building;

6 (2) issue subpoenas requiring the attendance of such persons and the
7 production of any bills, books, papers or other documents as it may deem
8 necessary;

9 (3) make preliminary estimates of the maximum reasonable cost of such
10 eligible construction;

11 (4) establish maximum allowable costs of specified units, fixtures or
12 work in such eligible construction;

13 (5) require the submission of plans and specifications of such eligi-

15 (6) require physical access to inspect the eligible building; and

16 (7) on an annual basis, require the submission of leases for any
17 dwelling unit in a building granted a certificate of eligibility and
18 reasonable cost.

19 (p) Termination or revocation. Failure to comply with the provisions
20 of this subdivision, any rules, regulations, and guidance documents
21 promulgated thereunder, or any mutual company regulatory agreement or
22 mutual redevelopment company regulatory agreement entered into there-
23 under, may result in termination or revocation of any rehabilitation
24 program benefits retroactive to the commencement thereof. Such termi-
25 nation or revocation shall not exempt such eligible building from
26 continued compliance with the requirements of this subdivision, such
27 rules, regulations, and guidance documents, and such mutual company
28 regulatory agreement or mutual redevelopment company regulatory agree-
29 ment.

30 (q) Criminal liability for unauthorized uses. In the event that any
31 recipient of rehabilitation program benefits uses any dwelling unit in
32 such eligible building in violation of the requirements of any rules and
33 regulations promulgated pursuant to this subdivision, such recipient
34 shall be guilty of an unclassified misdemeanor punishable by a fine in
35 an amount equivalent to double the value of the gain of such recipient
36 from such unlawful use or imprisonment for not more than ninety days, or
37 both.

38 (r) Private right of action. Any prospective, present, or former
39 tenant of an eligible rental building may sue to enforce the require-
40 ments and prohibitions of this subdivision, or any rules and regulations
41 promulgated thereunder, in the supreme court of New York. Any such indi-
42 vidual harmed by reason of a violation of such requirements and prohibi-
43 tions may sue therefor in the supreme court of New York on behalf of
44 themselves, and shall recover threefold the damages sustained and the
45 cost of the suit, including a reasonable attorney's fee. The local hous-
46 ing agency may use any court decision under this paragraph that is
47 adverse to the owner of an eligible building as the basis for further
48 enforcement action. Notwithstanding any other provision of law, an
49 action by a tenant of an eligible rental building under this paragraph
50 shall be commenced within six years from the date of the latest
51 violation.

52 (s) Appointment of receiver. In addition to the remedies for non-com-
53 pliance provided for in subparagraph five of paragraph (e) of this
54 subdivision, the local housing agency may make application for the
55 appointment of a receiver in accordance with the procedures contained in
56 applicable rules, regulations, and guidance documents of the local hous-

1 ing agency. Any receiver appointed pursuant to this paragraph shall be
2 authorized, in addition to any other powers conferred by law, to effect
3 compliance with the provisions of this subdivision and rules, regu-
4 lations, and guidance documents of the local housing agency. Any expend-
5 itures incurred by the receiver to effect such compliance shall consti-
6 tute a debt of the owner and a lien upon the property, and upon the
7 rents and income thereof, in accordance with the procedures contained in
8 such rules, regulations, and guidance documents. The local housing agen-
9 cy in its discretion may provide funds to be expended by the receiver,
10 and such funds shall constitute a debt recoverable from the owner in
11 accordance with applicable local laws or ordinances.

12 (t) Reporting. No later than two years after the effective date of
13 this subdivision, and annually thereafter, the local housing agency, in
14 consultation with the department of finance, shall submit to the mayor
15 and the speaker of the council and post on its website a report on the
16 actions by the local housing agency in the preceding fiscal year related
17 to rehabilitation program benefits. Such report shall include, but not
18 be limited to:

19 (1) The total amount of the rehabilitation program benefits approved
20 for each eligible building, the number of eligible buildings in each
21 community district, neighborhood tabulation area, council district, New

23 building classification, in accordance with section three hundred two of
24 the New York city building code, of each such eligible building, the

26 of qualifying rental units in each such eligible building; and

27 (2) The number of eligible buildings whose rehabilitation program
28 benefits were terminated or revoked and the number of eligible buildings
29 against which actions were taken, pursuant to clauses (A), (B) and (C)
30 of subparagraph five of paragraph (e) of this subdivision, to address
31 noncompliance with the provisions of such subdivision, and the street
32 address of each such eligible building.

33 (u) Updates to the certified reasonable cost schedule. When updating
34 the certified reasonable cost schedule, the local housing agency shall
35 consider the factors such agency deems relevant, such as the require-
36 ments imposed on eligible buildings by local law, including, but not
37 limited to, articles three hundred two, three hundred twenty and three
38 hundred twenty-one of chapter three of title twenty-eight of the admin-
39 istrative code of the city of New York, and the effects of inflation on
40 such costs since the prior date the certified reasonable cost schedule
41 was updated. The local housing agency shall publish the certified
42 reasonable cost schedule on its website.

43 § 2. This act shall take effect immediately.

1 9. The comptroller may enter into such contracts as it deems necessary
2 and proper for the implementation of the program.

3 § 1255. Program requirements; first home savings account. 1. First
4 home savings accounts established pursuant to the provisions of this
5 article shall be governed by the provisions of this section.

6 2. A first home savings account may be opened by any person who
7 desires to save money for the payment of the qualified first home
8 purchase expenses of the account owner or designated beneficiary. An
9 account owner may designate another person as successor owner of the
10 account in the event of the death of the original account owner. Such
11 person who opens an account or any successor owner shall be considered
12 the account owner.

13 (a) An application for such account shall be in the form prescribed by
14 the program and contain the following:

15 (i) the name, address and social security number or employer identifi-

26 5. An account owner may withdraw all or part of the balance from an

31 6. (a) An account owner may change the designated beneficiary of an
32 account in accordance with procedures established by the memorandum of
33 understanding pursuant to the provisions of section twelve hundred

35 (b) An account owner may transfer all or a portion of an account to
36 another first home savings account.

37 (c) Changes in designated beneficiaries and transfers under this

40 maximum account balance.

41 7. The program shall provide separate accounting for each designated
42 beneficiary.

43 8. No account owner or designated beneficiary of any account shall be

48 in an account shall be of no force and effect.

49 10. The comptroller shall promulgate rules or regulations to prevent
50 contributions on behalf of a designated beneficiary in excess of an
51 amount that would cause the aggregate account balance for all accounts
52 for a designated beneficiary to exceed a maximum account balance, as
53 established from time to time by the comptroller.

54 11. Contributions to a first home savings account shall be limited to
55 one hundred thousand dollars per account. This amount shall not take

2 account.

3 12. In the event that an individual makes a nonqualified withdrawal of
4 monies from the first home savings account such individual shall have
5 the entire account taxed, including any interest, as though it was

9 beneficiary does not use the qualified residential housing as a primary
10 residence for a period of not less than two years after the purchase of
11 such housing, the account owner shall have the entire account taxed,
12 including any interest, as though it was ordinary income at the account
13 owner's federal tax rate in the tax years the monies were withdrawn and
14 incur an additional ten percent state penalty on the amount of earnings.
15 For purposes of this article, the two year period shall begin at the

18 drawal from a first home savings account.

19 13. Withdrawals from the account during a period of less than twelve
20 months from the date such account was created shall be considered a
21 nonqualified withdrawal.

22 14. Penalties may be waived by the commissioner if the individual can
23 show proof that the reason the individual did not use the qualified
24 residential housing as a primary residence for a period of two years or
25 more after the purchase or construction was due to either:

26 (a) an employment relocation outside the state and such relocation
27 required the individual to become a resident of another state;

28 (b) an unforeseeable emergency;

31 For purposes of this subdivision, an "unforeseeable emergency" shall
32 mean a severe financial hardship resulting from illness, accident or

34 resulting in circumstances beyond their control. The circumstances that
35 constitute an unforeseeable financial emergency will depend on the facts
36 of each case, however, withdrawal of account funds may not be made,
37 without penalty, to the extent that such hardship is or may be relieved
38 by either:

39 (i) reimbursement or compensation by insurance or otherwise; or

40 (ii) liquidation of the individual's assets to the extent the liqui-
41 dation of such assets would not itself cause severe financial hardship.

42 15. The commissioner and the comptroller are directed to promulgate
43 all rules and regulations necessary to implement the provisions of this
44 subdivision and are hereby directed to establish, supervise and regulate
45 first home savings accounts authorized to be created by this section.

46 16. (a) If there is any distribution from a first home savings account
47 to any individual or for the benefit of any individual during a calendar

50 distributee to the extent required by federal law or regulation.

51 (b) Statements shall be provided to each account owner at least once
52 each year within sixty days after the end of the twelve month period to
53 which they relate. The statement shall identify the contributions made
54 during a preceding twelve month period, the total contributions made to
55 the account through the end of the period, the value of the account at
56 the end of such period, distributions made during such period and any

1 other information that the comptroller shall require to be reported to
2 the account owner.

3 (c) Statements and information relating to accounts shall be prepared

20 distributions from accounts; and

21 (g) all other rights and obligations pursuant to first home savings
22 agreements, and any other terms, conditions, and provisions deemed
23 necessary and appropriate by the terms of the memorandum of understand-
24 ing entered into pursuant to section twelve hundred fifty-three of this
25 article.

26 19. First home savings agreements shall be subject to section four-
27 teen-c of the banking law and the "truth-in-savings" regulations promul-
28 gated thereunder.

29 20. Nothing in this article or in any first home savings agreement
30 entered into pursuant to this article shall be construed as a guarantee
31 by the state that the account owner or designated beneficiary will qual-
32 ify for the purchase of a home.

33 21. To establish that an account owner or designated beneficiary is a
34 first time home buyer, the individual shall complete a form promulgated
35 by the comptroller certifying, under the penalties of perjury, that such
36 individual is a first time home buyer.

37 22. An individual must not intend to use any portion of the real prop-

39 business, or as a vacation home or as an investment, except as an owner
40 occupied multiple dwelling with no more than two rental units.

41 23. Monies withdrawn from first home savings accounts and any interest
42 which has accrued shall not be considered as taxable income to the
43 account owner for state personal income taxation purposes, so long as
44 the monies are applied for the purchase or construction of a qualified

46 the account.

47 § 1256. Program limitations; first home savings account. 1. Nothing in

1 (d) guarantee that amounts saved pursuant to the program will be
2 sufficient to cover the down payment or closing costs pursuant to the

4 2. (a) Nothing in this article shall create or be construed to create
5 any obligation of the comptroller, the state, or any agency or instru-
6 mentality of the state to guarantee for the benefit of the account owner
7 or designated beneficiary with respect to:

8 (i) the rate of interest or other return on any account; and

9 (ii) the payment of interest or other return on any account.

10 (b) The comptroller by rule or regulation shall provide that every
11 contract, application, deposit slip or other similar document that may
12 be used in connection with a contribution to an account clearly indicate
13 that the account is not insured by the state and neither the principal
14 deposited nor the investment return is guaranteed by the state.

29 section twelve hundred fifty-two of such law; or

30 (III) transfers described in paragraph (b) of subdivision six of
31 section twelve hundred fifty-five of such law.

32 (ii) Excess distributions shall be deemed attributable to deductible
33 contributions to the extent the amount of any such excess distribution,
34 when added to all previous excess distributions from the account,
35 exceeds the aggregate of all nondeductible contributions to the account.

36 § 3. Subsection (c) of section 612 of the tax law is amended by adding
37 two new paragraphs 48 and 49 to read as follows:

38 (48) Contributions made during the taxable year by an account owner to
39 a first home savings account established under the New York state first

15 MOBILE AND MANUFACTURED HOME REPLACEMENT PROGRAM

16 Section 1300. Statement of legislative findings and purpose.

17 1301. Definitions.

18 1302. Mobile and manufactured home replacement contracts.

19 § 1300. Statement of legislative findings and purpose. The legislature
20 hereby finds and declares that there exists in New York state a serious
21 need to eliminate older, dilapidated mobile and manufactured homes and
22 replace them with new manufactured, modular or site-built homes. Older
23 mobile or manufactured home units with rusted, leaking metal roofs,
24 metal-framed windows with interior take-out storms, and metal siding,
25 are just some of the examples of those that most need replacement. No
26 matter the amount of rehabilitation investment, the end result is unsat-
27 isfactory in terms of longevity, energy efficiency and affordability.
28 The legislature therefore finds that the state should establish a
29 program to fund the replacement of mobile or manufactured homes with new
30 affordable and energy efficient manufactured, modular or site-built
31 homes.

32 § 1301. Definitions. For the purposes of this article the following
33 terms shall have the following meanings:

35 lished in section forty-five-a of this chapter.

36 2. "Dilapidated" shall mean a housing unit that does not provide safe
37 and adequate shelter, and in its present condition endangers the health,
38 safety or well-being of the occupants. Such a housing unit shall have
39 one or more critical defects, or a combination of intermediate defects
40 in sufficient number or extent to require considerable repair or
41 rebuilding. Such defects may involve original construction, or they may

43 to the structure.

44 3. "Eligible applicant" shall mean a unit of local government or a
45 not-for-profit corporation in existence for a period of one or more
46 years prior to application, which is, or will be at the time of award,
47 incorporated under the not-for-profit corporation law and has substan-
48 tial experience in affordable housing.

49 4. "Eligible property" shall mean a mobile or manufactured home that
50 is the primary residence of a homeowner with a total household income
51 that does not exceed eighty percent of area median income for the county

1 in which a project is located as calculated by the United States depart-
2 ment of housing and urban development.

3 5. "Manufactured home" shall have the same meaning as is set forth for
4 such term in subdivision seven of section six hundred one of the execu-
5 tive law.

6 6. "Mobile and manufactured home replacement program" or "program"
7 shall mean a proposal by an eligible applicant for the replacement of a
8 dilapidated mobile or manufactured home with a new manufactured, modular
9 or site-built home. All replacement homes shall be energy star rated for
10 energy efficiency.

11 7. "Modular home" shall have the same meaning as is set forth for such
12 term in paragraph thirty-three of subdivision (b) of section eleven
13 hundred one of the tax law.

14 8. "Site-built home" shall mean a structure built on-site using build-
15 ing materials delivered to the site, even if some of such materials were
16 manufactured, produced or assembled off-site such as, by way of example
17 and not by way of limitation, concrete blocks, windows, door units, wall
18 or roof panels, trusses and dormers.

19 § 1302. Mobile and manufactured home replacement contracts. 1. Grants.
20 Within the limit of funds available in the mobile and manufactured home
21 replacement program, the corporation is hereby authorized to enter into
22 contracts with eligible applicants to provide grants, which shall be
23 used to establish programs to provide assistance to eligible property
24 owners to replace dilapidated mobile or manufactured homes in the state.

25 2. Program criteria. The corporation shall develop procedures, crite-
26 ria and requirements related to the application and award of projects
27 pursuant to this section which shall include: eligibility, market
28 demand, feasibility and funding criteria; the funding determination
29 process; supervision and evaluation of contracting applicants; report-
30 ing, budgeting and record-keeping requirements; provisions for modifica-
31 tion and termination of contracts; and such other matters not inconsis-
32 ent with the purposes and provisions of this article as the corporation
33 shall deem necessary or appropriate.

34 3. Contract limitations. The total contract pursuant to any one eligi-
35 ble applicant in a specified region shall not exceed seven hundred fifty
36 thousand dollars and the contract shall provide for completion of the
37 program within a reasonable period, as specified therein, which shall
38 not in any event exceed four years from commencement of the program.
39 Upon request, the corporation may extend the term of the contract for up
40 to an additional one year period for good cause shown by the eligible
41 applicant.

42 4. Planning and administrative costs. The corporation shall authorize
43 the eligible applicant to spend ten percent of the contract amount for
44 approved planning and administrative costs associated with administering
45 the program.

46 5. The corporation shall require that, in order to receive a grant
47 pursuant to this article, the eligible property owner shall have no
48 liens on the land after closing the grant other than the new home
49 financing and currently existing mortgage or mortgages, and all property
50 taxes and insurances must be current.

51 6. Assistance. Financial assistance to eligible property owners shall
52 be one hundred percent grants in the form of deferred payment loans
53 (hereinafter referred to in this subdivision as "DPL"). A ten year
54 declining balance lien using a security instrument as required by the
55 corporation, will be utilized for replacement projects. No interest or
56 payments will be required on the DPL unless the property is sold or

1 transferred before the regulatory term expires. In such cases funds will
 2 be recaptured from the proceeds of the sale of the home, on a declining
 3 balance basis, unless an income-eligible immediate family member accepts
 4 ownership of, and resides in the new replacement home for the remainder
 5 of the regulatory term. In addition the mobile and manufactured home
 6 replacement program established by this article shall: (a) provide funds
 7 for relocation assistance to homeowners who are unable to voluntarily
 8 relocate during the demolition and construction phases of the project;
 9 and (b) provide funding for the costs of demolishing and disposing of
 10 the dilapidated home.

11 7. Homeownership training. The eligible property owner must agree to
 12 attend an approved homeownership training program for post-purchase,
 13 credit/budget, and home maintenance counseling as part of the applica-
 14 tion process.

15 8. Funding criteria. The total payment pursuant to any one grant
 16 contract shall not exceed two hundred thousand dollars and the contract
 17 shall provide for completion of the program within a reasonable period,
 18 as specified therein, not to exceed four years.

19 9. Funding and annual report. The corporation in its sole discretion
 20 shall authorize all funding decisions and make all award announcements.
 21 The corporation shall, on or before December thirty-first in each year
 22 submit a report to the legislature on the implementation of this arti-
 23 cle. Such report shall include, but not be limited to, for each award
 24 made to a grantee under this article: a description of such award;
 25 contract amount and cumulative total; and such other information as the
 26 corporation deems pertinent.

27 § 2. This act shall take effect immediately.

53 conditions and limitations in this section and in sections two hundred
54 five and two hundred six of this article. Successive periods of disabil-
55 ity or family leave caused by the same or related injury or sickness or

1 qualifying event shall be deemed a single period of disability or family
2 leave only if separated by less than three months.

3 2. (a) The weekly benefit for family leave that occurs (i) on or after

23 benefit for any year, the superintendent of financial services shall
24 consider: (1) the current cost to employees of the family leave benefit
25 and any expected change in the cost after the benefit increase; (2) the
26 current number of insurers issuing insurance policies with a family
27 leave benefit and any expected change in the number of insurers issuing
28 such policies after the benefit increase; (3) the impact of the benefit
29 increase on employers' business and the overall stability of the program
30 to the extent that information is readily available; (4) the impact of
31 the benefit increase on the financial stability of the disability and
32 family leave insurance market and carriers; and (5) any additional
33 factors that the superintendent of financial services deems relevant. If
34 the superintendent of financial services delays the increase in the
