If the competition will be virtual, all contestants will be given the opportunity to withdraw their application for 2024 to ensure eligibility for future years.

Judging

- The entry form and application of each state entry will be coded upon receipt by AFBF. The applicant's name and state will not be revealed to the judges until judging is completed.
- Judging is based on the application sent to AFBF by the state Farm Bureau. An interview with the Top 10 finalists during the AFBF Annual Convention determines final scores and rank.
- A panel of qualified judges will select the national winners. The Top 10 competitors will be interviewed by the same judges who reviewed the written applications.
- Interviews will be up to 20 minutes in length and are intended to evaluate the competitor's command of the farm/ranch business and financials, familiarity of the contents of the application and appreciation for the value of Farm Bureau (see rubric). In addition to the 5 points allocated for the interview, judges may alter scores from other sections based on what they learn during the interview.
- During the interview process, only the named applicant(s) on the entry form is permitted into the interview, and the applicant(s) should refrain from using the name of his/her state or county, or any names that may bring about the recognition or identification of his/her state.
