

PCP ROADSHOW

Advancing the Industry, One Certified Professional at a Time

Bring SPFA's Professional Certification Program (PCP) to your city by hosting a PCP Roadshow event.

✓ **PCP Exam Prep Courses**

Pre-built presentations and study guides are designed to equip participants for their upcoming exams.

✓ **PCP Written Exams**

Online written exams, proctored to ensure integrity, assess an individual's knowledge and skills.

✓ **PCP Field Exams**

Over-the-shoulder exam assesses an individual's skills for SPF Master Installer certification.

Your Roadshow. Your Rules.

You Choose the Location

Host the Roadshow at your facility or a nearby event space.

You Set the Pricing

Offer free for participants or charge a fee.

(PCP enrollment and test fees are non-negotiable)

You Appoint the Instructor

Host an SPFA instructor or tap into your own pool of experts.

You Decide the Schedule

Leverage SPFA's pre-built PCP materials, with the flexibility to incorporate your company's training resources.

You're The Host. But You're Not Alone.

Partner with SPFA and gain access to a suite of powerful support resources designed to drive engagement and success. We provide comprehensive marketing assistance, including:

✓ **Co-Branded Promotional Materials**

Flyers, Emails, Social Media Content

✓ **Promotion on SPFA's Platforms**

SPFA Website, eNewsletter, and Social Media Channels

For seamless program delivery, access ready-to-use PCP presentation slides and study guides.

Need on-site assistance? SPFA staff can be available, and we'll even handle attendee registration!

(PCP Enrollment must be completed in advance)
