Get ready for an inspiring and action-packed 2026 Summit on Tuesday, May 19, 2026. This year's gathering brings together leaders, innovators, and community partners from across the state to explore the future of healthcare, data exchange, and whole person care.

The day will include engaging discussions and dynamic sessions on the evolving Arizona health ecosystem, statewide priorities, and innovative approaches to improving outcomes. Throughout the day, attendees will connect with organizations driving meaningful change, participate in deep-dive breakout sessions, and celebrate outstanding contributions across the community.

From big-picture vision to practical strategies, the 2026 Summit is designed to inform, inspire, and strengthen the partnerships that move whole-person health forward.

Location:

Desert Willow Conference Center
4340 East Cotton Center Blvd.
Phoenix, AZ 85040

Questions:

Please email events@contexture.org

What you'll learn:

- Innovation in care delivery
