- Case Study
- How to Get Started
- Program Contacts

Ameren Missouri BizSavers Basics

The Ameren MO BizSavers program provides cash incentives toward energy-efficient upgrades for Commercial & Industrial accounts.

The 2026 program marks the 18th year of providing energy efficiency incentives.

Ameren Missouri BizSavers Basics

- All projects require Pre-Approval.
Apply before you buy.
- Incentives paid after the project is completed:
 - Company Check
 - Company Bill Credit
 - Check to “Approved” Trade Ally
- Applications must be received with all paperwork submitted by 12/31/2026.

Minimum incentive amount

\$150

**All projects require
Pre-Approval**

Maximum incentive amount

\$2,000,000

per customer during current program cycle.

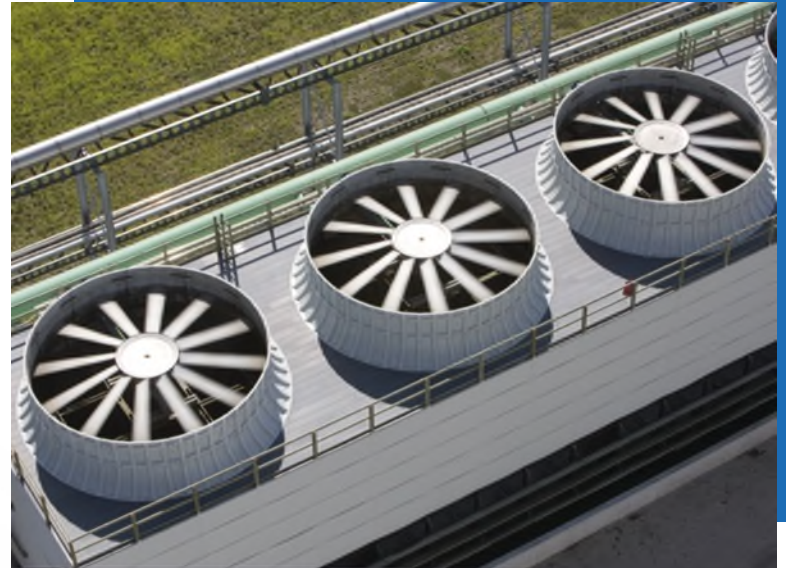

Ameren Missouri BizSavers Program Updates

The Ameren MO BizSavers program provides cash incentives toward energy-efficient upgrades for Commercial & Industrial accounts.

Lighting is no longer included in the Custom or Standard programs; however incentives are still available for lighting controls!

Lighting is also included in the Business Social Services (BSS) program.

Incentives continue for HVAC, refrigeration, energy management controls, and more!

Energy Efficient Equipment Types

HVAC

VFDs and
Motor Controls

Water Heating

Refrigeration

Compressed Air

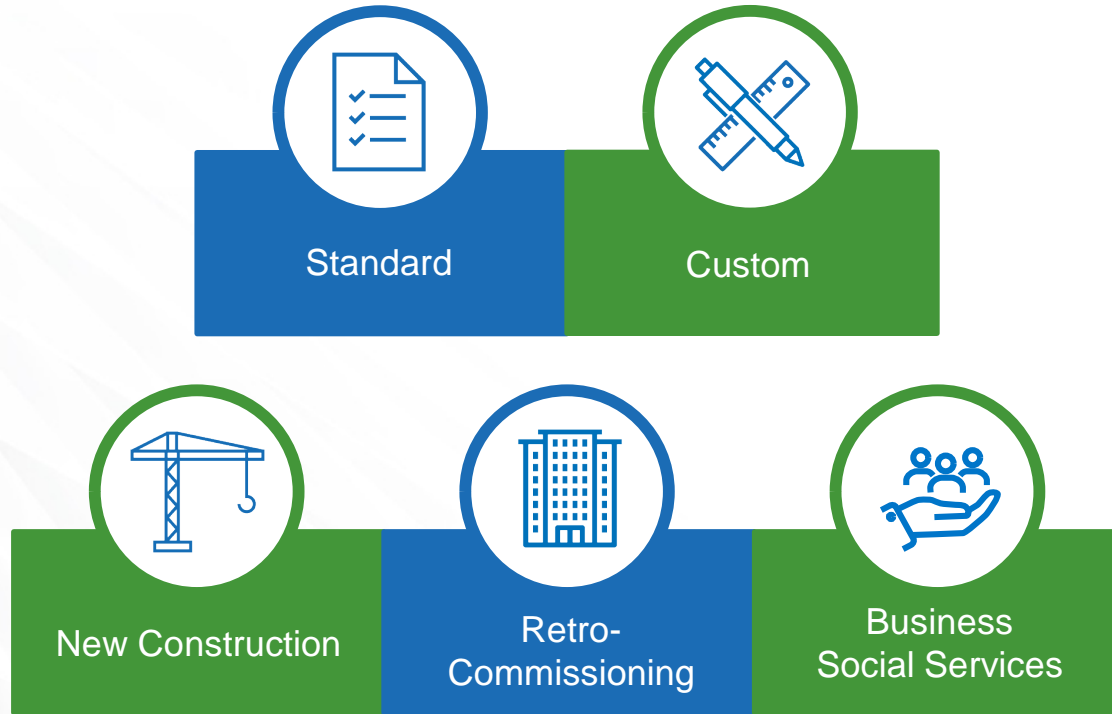

Cooking

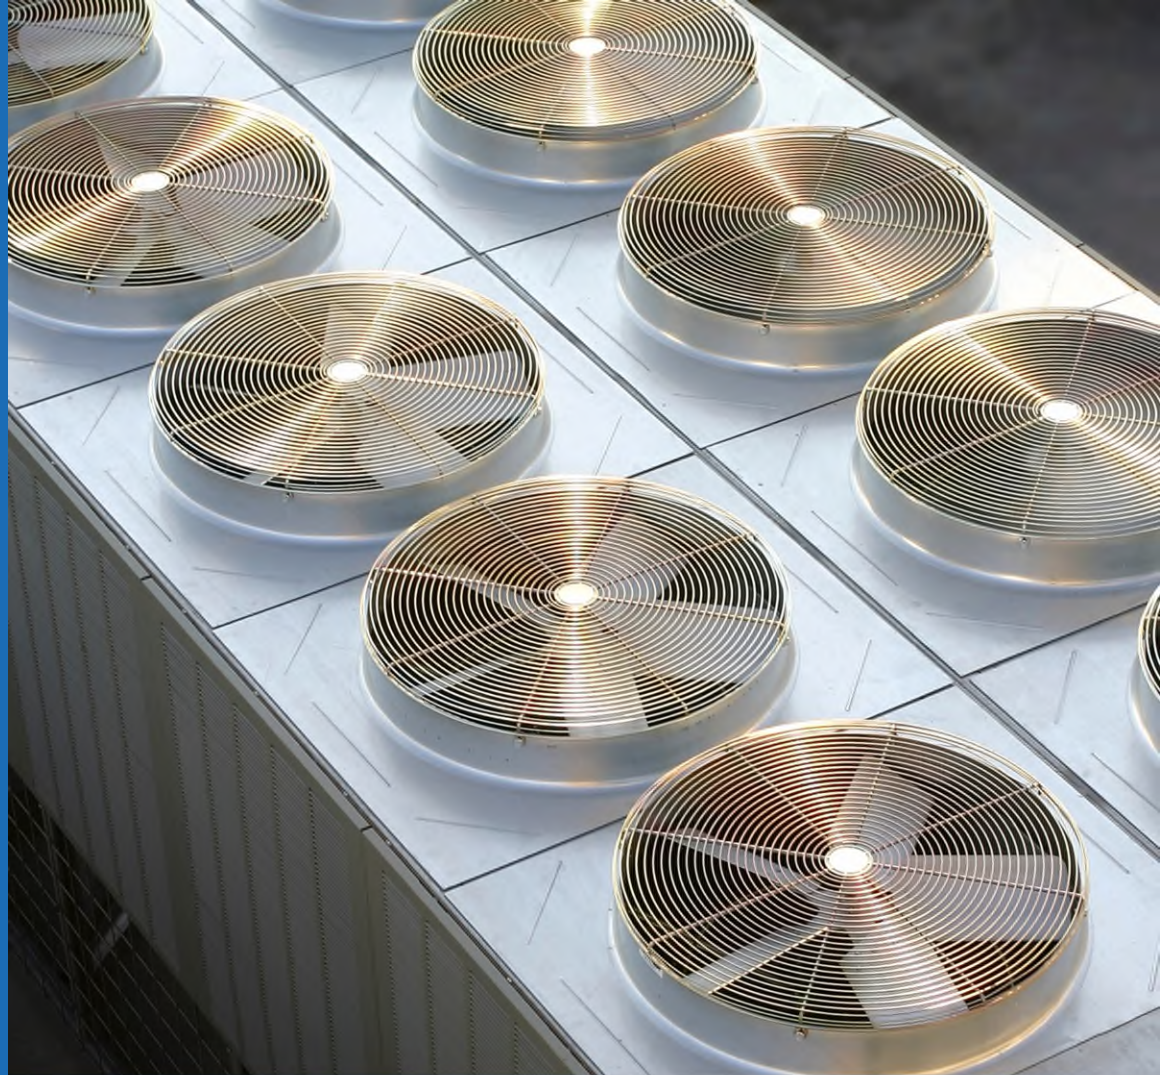

Motors

Ameren MO BizSavers Programs

All incentives are subject to Ameren Missouri BizSavers eligibility guidelines.

STANDARD PROGRAM & RATES

Ameren Missouri BizSavers Commercial HVAC Incentives

Standard Program Pre-Approval required for all projects

- Packaged DX units; Air Source Heat Pumps.
- Chillers (air-cooled and water-cooled)
- Variable Frequency Drives
- Demand Control Ventilation
- Rooftop Unit Controllers
- High Volume/Low Speed Fans

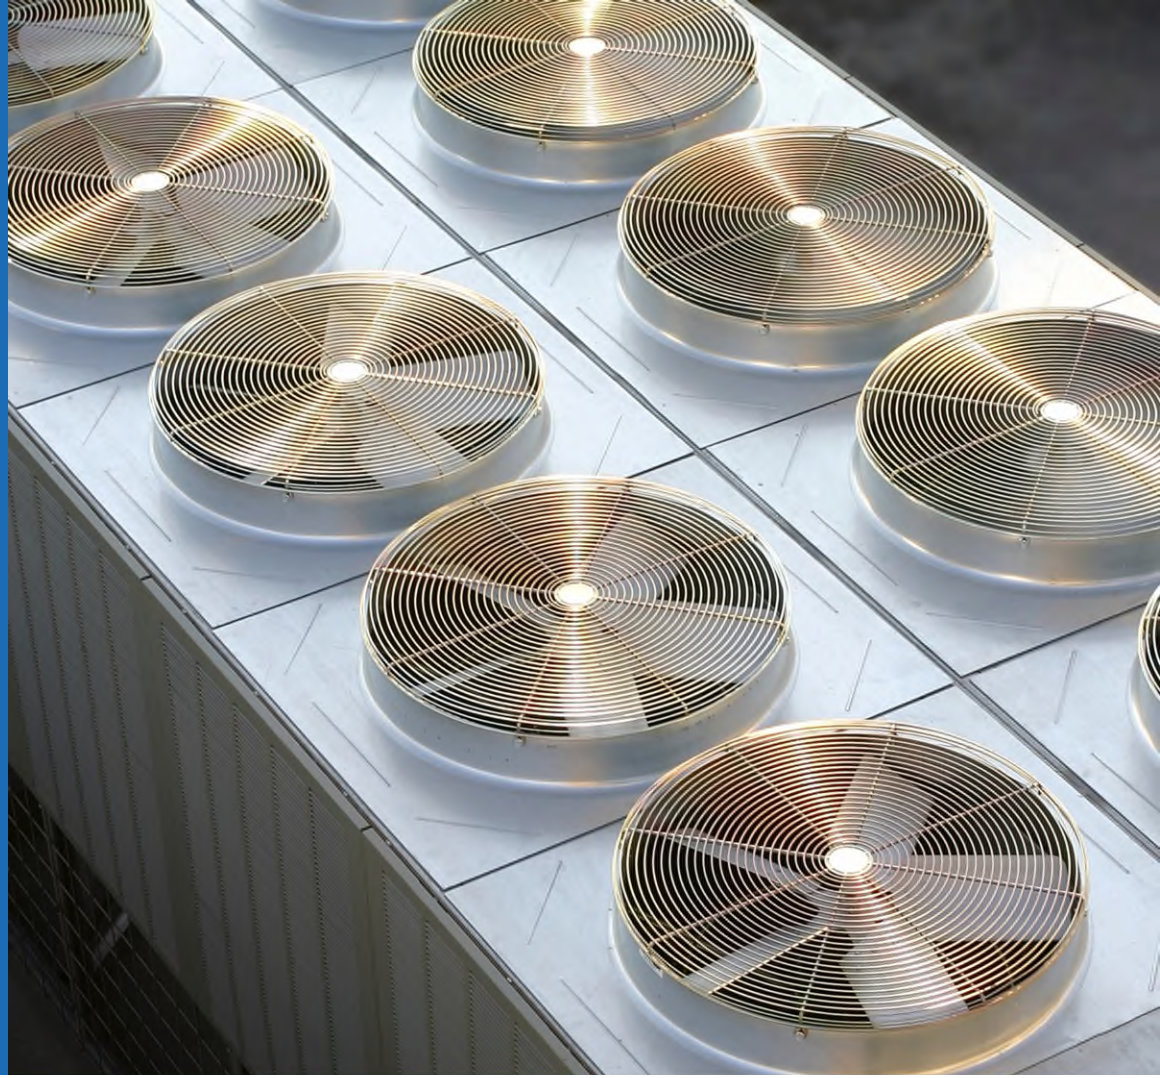

HVAC — Standard Incentives

Equipment	Incentives
Packaged DX, Split Systems, ASHP	\$10-\$214 per Ton
Air-Cooled & Water-Cooled Chiller	\$58-167 per Ton
VFDs on HVAC System Fans and Pumps	\$200-\$350 per HP
Demand Control Ventilation	\$0.18-\$0.57 per HP
Advanced RTU Controls	\$1500 per HP

Additional Standard Incentives

Equipment	Incentives
VSD Air Compressors	\$107-120 per HP
Kitchen Hood DCV	\$450 per HP
High Volume Low Speed Fans	\$700-\$2,200 per fan
Energy Star Hot Food Holding Cabinets	\$75-\$530 per cabinet
Energy Star Steam Cookers	\$900-\$1,200 per cooker

CUSTOM PROGRAM & RATES

Custom Incentive Program

For energy saving projects that do not fall under a specific Standard Incentive, Custom Incentives are available.

These projects also require pre-approval before equipment purchase or installation.

Custom incentives must have a minimum 12-month simple payback and meet the program's benefit cost test.

Custom Incentives are calculated based on the projected annual energy reduction.

Ameren Missouri BizSavers Commercial Custom Incentives

Custom Program

- Process Chillers
- Refrigeration Systems
- Compressed Air
- Lighting Controls
- Other Process Equipment
- Energy Management System Controls
- **PLUS** other cost-effective energy efficiency upgrades

Custom Incentives

12¢ to 35¢

per kWh of projected
annual energy savings

- *Qualifying energy saving measures not identified as Standard Incentives.*

Custom Incentives

Equipment	Incentive Per Unit
Cooling	35¢
Building Shell	24¢
HVAC	29¢
Cooking	15¢
Water Heating	15¢
Facility – Grow Conditioning	16¢
Lighting Controls	16¢
Compressed Air	13¢
Miscellaneous	12¢
Motors	12¢
Process	12¢
Refrigeration	12¢

Case Study: St Louis Symphony Orchestra

Challenge: \$140M expansion and renovation, preserving Powell Hall's architectural grandeur while improving comfort, performance conditions and long-term sustainability.

Solution: Working with the BizSavers team to integrate energy efficiency and sustainability into every aspect of the renovation from advanced lighting systems to improved air quality.

Results: With BizSavers help, SLSO integrated energy efficiency measures and received a substantial incentive while also on track to save \$175,000 in annual energy costs and 1.89 million kWh of electricity annually.

"We're grateful to partner with Ameren Missouri's BizSavers program to realize energy savings at the new Jack C. Taylor Music Center. By investing in energy efficiency solutions for the 100-year-old Powell Hall and its newly opened expansion, the program allows the SLSO to redirect more resources to sharing the life-affirming power of music throughout our community."

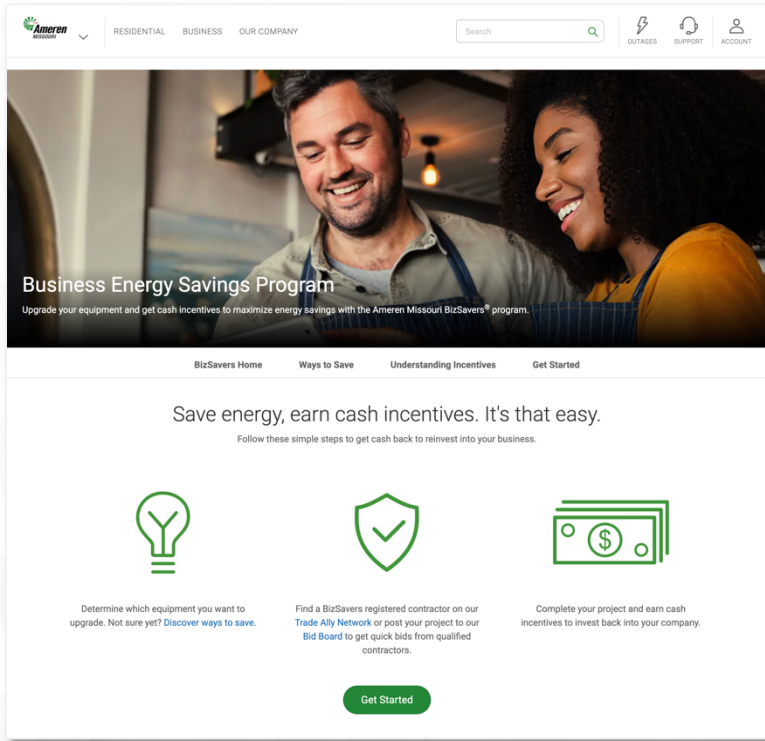

- Marie-Hélène Bernard, President and CEO of the SLSO.

RESOURCES & HOW TO GET STARTED

Ameren Missouri BizSavers Program Website

AmerenMissouri.com/Bizsavers

- Search the Trade Ally Directory
- Check out Success Stories and Video Testimonials of past BizSavers Projects
- Review or Download:
