What is AMFP?

AMFP is a **community of peers fostering collaboration and innovation** while providing solutions to propel the industry forward. Our membership includes individuals in the healthcare industry. Healthcare End Users are full-time employees of a healthcare facility or system in the areas of planning, design, construction, real estate, operations, leadership, or facilities management. Whether you are a health system employee, a consultant, the senior vice president or early in your career, the programs and activities planned nationally and at the chapter level are just for you.

Message from our Sponsorship Chair:

Hello AMFP Members,

I hope this message finds you well. We are so excited to be getting AMFP Greater St. Louis Chapter off the ground! 2024 has been a year of planning and strategy, and we firmly believe that we are in a position as a chapter to make a statement as a top Healthcare Focused Professional Organization in the Greater St. Louis market.

In order to achieve our collective goals, AMFP Greater St. Louis is asking you to become supporters on a grassroots level. Please consider becoming an annual partner, through sponsorship, for our chapter and help us foster a community in our backyard that shares knowledge, resources, and best practices to enhance healthcare environments, improve patient outcomes, and become leaders in the healthcare market.

This past year, we have been blessed with the opportunity to collaborate with your own employees. The unwavering enthusiasm, industry knowledge, and vision they bring to this chapter are why AMFP Greater St. Louis is sure of our upcoming success. Please take a look at our partnership levels and benefits listed below. We appreciate your support.

Best Regards,
Henry Kinkel, AMFP Greater St. Louis Sponsorship Chair

OF MEDICAL FACILITY
PROFESSIONALS

Partnerships

Increase visibility within the medical facility community by being prominently featured in event materials, presentations, and networking sessions.

Why Partner?

Benefit from partnering by gaining access to knowledge sharing, innovative solutions, and networking opportunities while contributing to the advancement of the medical facilities field and showcasing your commitment to innovation and excellence in the healthcare built environment.

Connect with Decision-Makers

Showcase your expertise and services to a targeted audience of medical facility professionals with opportunities to engage directly with decision-makers to foster relationships. Through partnership, effectively communicate services, solutions, and innovations to individuals who are directly involved in designing, building, and maintaining the healthcare built environment.

Enhance Professional Development

Actively contribute to the growth and advancement of the healthcare industry by equipping individuals with enhanced professional development opportunities. By supporting initiatives like educational programs, your company can help elevate the overall knowledge and innovation within the healthcare industry.

Thought Leadership and Expertise Sharing

Share insights, innovations, best practices, and exchange ideas about the latest trends, challenges, and advancements in the industry. Further establish your firm as knowledgeable strategic partners in healthcare facilities, design, and construction that are dedicated to shaping the future of the industry.

Chapter & National Exposure

Demonstrate a commitment to the betterment of medical facilities and design through partnership, showcasing your dedication to improving healthcare environments nationally. Partnering with AMFP allows for increased visibility nationally, and on a chapter level.
