

# 2026 Excellence in the Healthcare Environment

## Submission Criteria for Individual Awards

### Distinguished Chapter Volunteer: Healthcare Provider

This award recognizes an outstanding volunteer within the AMFP Greater New York (GNY) Chapter who has demonstrated exceptional dedication, leadership, and impact in supporting the chapter's mission. The recipient is a healthcare provider who has actively contributed to the growth and success of the organization through volunteer efforts, innovative ideas, and professional expertise. Nominees must not have received this award within the past three years.

#### Criteria:

- Volunteer Commitment (1-5)
- Chapter Promotion & Advocacy (1-5)
- Initiative & Growth Contributions (1-5)
- Innovation & Idea Implementation (1-5)
- Expertise & Skills Contribution (1-5)
- Max Points: 25

### Distinguished Chapter Volunteer: Strategic Partner

This award honors a dedicated Strategic Partner who has made significant contributions to the AMFP Greater New York (GNY) Chapter through volunteerism, advocacy, and leadership. The recipient has played a key role in strengthening the chapter by promoting its mission, fostering initiatives, and leveraging their expertise to enhance the organization's impact. Nominees must not have received this award within the past three years.

#### Criteria:

- Volunteer Commitment (1-5)
- Chapter Promotion & Advocacy (1-5)
- Initiative & Growth Contributions (1-5)
- Innovation & Idea Implementation (1-5)
- Expertise & Skills Contribution (1-5)
- Max Points: 25

### Healthcare Provider: Outstanding Professional Achievement

This award recognizes an individual healthcare provider who has demonstrated exceptional professional excellence, leadership, and dedication in their field. The recipient has made a significant impact within their organization and the broader industry through their role, collaboration, and notable achievements. Nominees must not have received this award within the past three years.

#### Criteria:

- Roles & Responsibilities (1-5)
- Collaboration & Industry Engagement (1-5)
- Above & Beyond Contributions (1-5)
- Milestones & Accomplishments (1-5)
- Industry Impact & Leadership (1-5)
- Max Points: 25

### Emerging Leader in Healthcare

This award recognizes an outstanding early-career professional (within 10 years) who has demonstrated exceptional leadership, dedication, and impact within the healthcare industry. The recipient has achieved significant milestones, consistently exceeded expectations, and brings passion and expertise to their role, making meaningful contributions to their organization and the industry. The recipient of this award can be a healthcare provider or a strategic partner. Nominees must not have received this award within the past three years and be under 35 years of age.

#### Criteria:

- Professional Achievement (1-5)
- Going Above & Beyond (1-5)
- Collaboration & Leadership (1-5)
- Passion & Motivation (1-5)
- Skills & Expertise (1-5)
- Max Points: 25
