

INDIVIDUAL MEMBERSHIP BROCHURE

Thank you for your interest in joining the Government Relations Association (GRA), the leading global association dedicated to representing and championing the family of government relations professionals around the world, including those in lobbying, public policy, regulatory affairs, advocacy, campaigns, and fundraising.

Your investment in YOUR professional association supports critical programs that allow us the viability to be a go-to source to collectively increase access to government officials and issue experts, provide valuable networking opportunities among peers, informational events, educational and professional development opportunities, and exclusive access to resources and content to help you succeed in your career.
