Education:

- Education Update
 - Mr. Craig Greathouse
 - June 18th ASHE Training
 - i. Sponsors (Tami)
- Future Education Session Ideas.
 - Goal: Get a list of possible education topics and presenters to education chair.

WSSHE Scholarships:

Mac McKenzie Scholarship Fund

The scholarship is open to members wishing to further their education. There are **six (6) \$750 education scholarships** available each academic year, running from September through August. **No due date for scholarship applications, open until the awarded amounts are reached.**

Pete Peterson Scholarship Fund

The purpose of the Scholarship Fund will be to assist WSSHE Full Members to be able to attend conferences and educational meetings that they might not be able to due to financial restrictions. At the beginning of the year the Chapter Board shall meet and decide the amount of the funds, the number of awards to be given, and the individual amount of each award. The Board will then make the announcement of the chapter membership of the funding that will be available and the procedures for applying.

Priority of Awarding the Scholarship:

1. Awards shall be given on a first come first served basis
2. The PPSF Board will set the guidelines for the due dates of applications and the awarding criteria. Full members can use the enclosed application form to submit their requests.
3. The PPSF Board will approve/disapprove all requests at the regular PPSF Board meeting following the receipt of the requests.

Questions from Chuck?:

1. Eric shared how much he appreciated WSSHE after helping Texas Hospital staff start up new facility and their lack of available helpful resources and not being involved with local Texas chapter at that time?

Eastern Chapter Meeting – Minutes

June 4th, 2021

Host-Ryan Fancher

Virtual Meeting

10am-10:50 pm

11:00AM

Education Session: Dr. Steven Call

A Model for Benchmarking and Forecasting Hospitals' Facility Operating Expenses

Dr. Steven A. Call Assistant Professor in the School of Design + Construction at Washington State University. Dr. Call completed his PhD in Construction Management at Arizona State University, his Master of Science degree in Real Estate from Florida International University, and his Bachelor of Science degree in Facilities Management from Brigham Young University. His current research focuses on facility workforce planning and benchmarking

Dr Call gave a very insightful simplified perspective related to forecasting facility operating expenses using very simple formulas related to Property, People and Equipment, He shared correlations between the standard benchmarking related to Cost Per Sq Ft and factors related to Property, People and Equipment.

Next meeting: Friday September 3rd, 2021 10:00 AM

Building Tour- N/A Due to COVID19

Adjournment

Respectfully submitted by Brad Jones 6-8-21
