

WSSHE southwest chapter meeting notes from 03/16/2022.

Good morning everyone. For those of you that didn't make it, we had a great meeting yesterday. This is my first time reporting these notes, so please be patient with me. Ok, here we go.

Membership and outreach. Chris and Kyla have signed up 10 new members already this year. Great job guys! We also have an opportunity with Madigan hospital and possibly Grays Harbor hospital as well. When this meeting is verified, we will let everyone know a date and time.

Upcoming education. Jose is setting up an event that will be held at EQC. When more details are confirmed, we will let everyone know. We are hoping at the end of May sometime.

Events and sponsorships. Spring engineering expo has been received with a lot of excitement and is sold out. There are 10 booths available to visit. The fall expo will be back at Cheney stadium.

Treasurers report. No new money yet this year. Lemay and all the catering has been paid. Paid for 7 Port Townsend staff members. Ending balance as of 03/16/2022 is \$ 67, 080.04

Bus partner advocate. Lisa was not here today but it sounds like great feedback from expo.

Old business. Feedback from Feb event was very positive and everyone enjoyed the speaker. We recognized Kyla for outstanding work. Kudos to Kyla.

New business. Semi- annual symposium at Chelan and the weekend after that will be the planning committee gathering in Leavenworth. We have 3 openings with 2 of them filled.

Open agenda. Welcome Kelsen from the construction department at St. Petes hospital.

We voted to cover Mike's registration in Chelan IF WSSHE doesn't cover his registration as a speaker at this event. The group expressed concern that WSSHE should cover this. We will see.

Meeting adjourned at 3:43
