

GLMV Chamber of Commerce Speaker Application

Want to make a presentation to GLMV Chamber members? The Chamber offers several opportunities for speaking, including luncheons, networking groups, expos, seminars, and library programs. We believe that quality programming will build an even more valuable event experience for attendees.

Please help us determine the best audience and venue for your presentation. Our goal is to provide interesting and educational presentations for our members. Luncheon presentations may range from 20-60 minutes; seminar and special event presentations may be longer. Handouts are appreciated to help attendees retain information and take notes. All speakers are voluntary and receive promotion, free event admission and meal (if available).

Speakers are asked to provide a brief bio and head shot, help publicize their presentation, invite their contacts, provide any handouts, computer with presentation, as necessary.

Complete the information below and send to clewin@glmvchamber.org

Thank you for your interest in speaking before the GLMV Chamber. All applications will be reviewed. Once approved, potential speakers will be contacted for scheduling. Because there may be more people requesting to speak than there are speaking opportunities we ask your patience. Please note that application submittal does not guarantee selection. We thank you in advance for your interest. Please direct any questions to the Chamber.
