

WILLIAMSBURG REALTORS®
RAISING THE ROOF

GETTING TO THE FINISH LINE!

In 2022, we partnered with Habitat for Humanity and pledged to raise \$110,000 for the construction of a safe and affordable home in James City County. To date we have raised \$64,287! With your help, we WILL reach our goal this year!

The family has been selected and the groundbreaking will occur this year. Look for more updates coming throughout the year, as well as opportunities to volunteer once building begins.

It takes a village and we are relying on full participation from both our REALTOR® and affiliate members. Read on for for all the ways you can participate and choose which way you will make a difference!

EVERY DOLLAR HELPS.
