WELCOME TO THE HAMPTON AREA CHAMBER OF COMMERCE'S

2026 edition of the Seacoast Visitor Guide

We're delighted to welcome you to the New Hampshire Seacoast — a place where coastal charm, small-town hospitality, and stunning natural beauty come together. Whether you're visiting for the first time or returning to your favorite spot, there's something truly special about Hampton Beach and the surrounding Seacoast area that keeps people coming back year after year.

Yes, New Hampshire does have a coastline — and it's breathtaking! Stretching just 18 miles, our Seacoast may be small, but it's filled with endless opportunities to relax, explore, and make memories. Hampton Beach continues to be recognized for its pristine sands and welcoming atmosphere, earning national attention as the third cleanest beach in the United States and ranking among the Top 10 Values for Resorts in America. It's no wonder our beach has become one of the most sought-after destinations along the East Coast.

This year's guide is your key to discovering all the Seacoast has to offer. Inside, you'll find recommendations for local dining, entertainment, shopping, and lodging — from cozy family-owned inns to full-service oceanfront hotels. You'll also find information on exciting events happening throughout the year, including the world-famous Sand Sculpting Classic, nightly summer concerts, Key West Days, the Hampton Beach Seafood Festival, and our beloved Children's Festival. Whether you're planning a relaxing beach day, a weekend getaway, or a full family vacation, you'll find plenty of inspiration within these pages.

What truly sets Hampton Beach apart is the sense of community that runs through every aspect of life here. From the friendly business owners along Ocean Boulevard to the dedicated staff at NH State Parks, everyone takes pride in creating an experience that's safe, fun, and memorable for every visitor. It's that commitment to care and connection that makes the Hampton area feel less like a destination and more like home.

Beyond the shoreline, the Seacoast is rich with opportunities for adventure and exploration. Spend a day shopping downtown, kayaking along the salt marshes, enjoying live entertainment at the Seashell Stage, or taking a scenic drive along Route 1A to explore nearby towns like North Hampton, Seabrook, and Rye. You'll find that every stop along the way offers its own unique charm and welcoming spirit.

When you arrive, we invite you to stop by the Hampton Area Chamber of Commerce Information Center. Our friendly staff is always ready to share local tips, directions, and recommendations to help you make the most of your visit. Whether you're looking for the best seafood spot, a family activity, or a hidden gem off the beaten path, we're here to help you love where you visit, and maybe even inspire you to love where you live.

On behalf of the Hampton Area Chamber of Commerce, thank you for spending time with us on the New Hampshire Seacoast. We hope this guide helps you discover the beauty, excitement, and heart of our community — and that your time here leaves you with wonderful memories to carry home.

LETTER

from the Hampton Beach Village District Commissioners

Welcome to another summer of free entertainment! The residents and businesses of the Hampton Beach Village District are proud to sponsor another summer of free events. In June we'll be celebrating the Annual Sand Sculpting Classic, and we will continue to bring fireworks and live music to the Seashell Stage. On Monday nights, we will again sponsor the free movies on the beach with additional sponsorship by the Boardwalk Café and JB's On the Boardwalk. In July we will feature the Miss Hampton Beach Competitions and Country Fest. We are the major sponsor of the Children's Festival in August, and we will again bring the Hampton Beach Talent Competition to Hampton Beach. In September, please join us for the Cirque du Hampton Beach, the LED Light Show, and the Fire Show on the beach.

Thank you to the Hampton Area Chamber of Commerce for their assistance and the New Hampshire State Parks for providing a venue to present our events. Most of all, we would like to thank the taxpayers of the Hampton Beach Village District for helping to finance all of the free summer events.

On the other, you are a short stop from the amusements, entertainment and food at Hampton Beach. The best of both worlds is waiting for you along our scenic seacoast.

HAMPTON BEACH

CHILDRENS

FESTIVAL

Monday-Friday, August 17-21

Hampton Beach has always welcomed families of all ages, but for one special week, the kids come first!

The Annual Hampton Beach Children's Festival is the fun, family event of every summer. Kicking off on Monday, August 17th with non-stop activities and entertainment all week long, events include mini-golf, a magic act, drumming, face painting, talent show, free ice cream, dancing, story tellers, balloons, and so much more. Plus, prizes!

The week builds up to the grand finale, a Giant Costume Parade, which will march almost the entire length of Hampton Beach on Friday, August 21st. Every child gets a prize just for being in it!

Best of all, all Children's Festival is free and open to the public. For more information visit www.hamptonchamber.com.

Two lucky children will win a new bike! One for the ages 7-10 group and another for the 11-14 group! Just write an awesome winning slogan for Hampton Beach to be used as a bumper sticker in 2027. Submit your entry at the Hampton Area Chamber of Commerce Information Center at the Seashell Stage Complex.

The Playground

Can't make it to the Children's Festival? No worries, Hampton Beach has the best free beachside playground anywhere on the south side of the Seashell Stage Complex (opens in April and closes in October). This sandy fenced-in area is a great place to safely play any time between a snack and a swim!

Sand Sculpting Classic

Winners of the 2025 Sand Sculpting Classic

If there is one thing in all the world you must check out this summer, it must be the 26th Annual Master Sand Sculpting Classic.

Marvel as the sand arrives and a massive group sculpture rises in the center of the beach, honoring the sponsors of this event.

The actual competition takes place June 18-20, you can see giant sand sculptures created before your very eyes from tons of sand. On the afternoon of the final day, you can go down on the sand to vote for the People's Choice.

The sculptures remain up, and illuminated for all to enjoy, day or night through June 28th. Best of all, this event is **FREE** to all, and something the entire family can enjoy during even a day trip to Hampton Beach, New Hampshire.

The New Hampshire Seacoast's Beautiful Beaches

Hampton Beach State Park

Hampton Beach State Park covers over four miles of the New Hampshire Seacoast. Within this stretch of Atlantic coastline you will find three unique beaches to explore. Each one is slightly different, and all offer something for everyone to enjoy.

North Beach

Located between High Street and a rocky point called Great Boar's Head, North Beach is the longest section of the beaches. Hidden behind a high concrete surf barrier, it almost vanishes at high tide and becomes a fine sandy plain at low tide. This is the place to come to catch some tasty waves if you want to surf, try surf fishing, or take a walk and watch the action from the heights of the wall.

Center Beach

This is the heart and soul of Hampton Beach, extending from Church Street down to Haverhill Avenue. A wide, clean, sandy beach with pristine water is ready to greet you this summer, with events, tax free shopping, restaurants, arcades, and so much more.

South Beach

Tucked between Epping Avenue and the mouth of Hampton Harbor is South Beach and the State RV Park. This quiet corner is ideal for those who want to camp out, or need a place for a large get together.

There are State Park beaches along the NH seacoast.

Hampton Beach State Park is a stunning destination that encompasses not only the beautiful park at the southern end of the beach but also the inviting North, Center, and South Beaches. Additionally,

nearby gems like North Hampton State Beach, Jenness State Beach, Wallis Sands State Park, and Odiorne State Park offer breathtaking scenery and recreational opportunities, making this area a must-visit for nature lovers and beachgoers alike.

NORTH HAMPTON STATE BEACH 27 Ocean Boulevard, North Hampton, NH 03862

JENNESS STATE BEACH 2280 Ocean Boulevard, Rye, NH 03870

WALLIS SANDS STATE PARK

1050 Ocean Boulevard, Rye, NH
03870

Wallis Sands State Park offers oceanfront swimming, views of the Isles of Shoals, and a sandy beach that families especially enjoy. Beach amenities include a store that sells a variety of items, food, and drinks; and a large bathhouse with hot and cold showers. The park has a grassy area with picnic tables, but fires are not allowed. The parking lot can accommodate 500 cars.

ODIORNE POINT 570 Ocean
Boulevard, Rye, NH 03870

At Odiorne Point State Park picnickers can enjoy sweeping views of the ocean and rocky shore, and explorers can uncover evidence of past military occupation. An extensive network of trails wind through the dense vegetation and traverse the park. The Seacoast Science Center, which is located in the park, has exhibits relating to the natural and human history of Odiorne and the seacoast area (separate fee). The Seacoast Science Center will be providing free programming this summer for park guests.
